**Drink Vermont** Liza Gershman,2017-10-10 Experience the sights, sounds, and flavors that abound throughout this New England gem. With Vermont’s thriving spirits industry—the state is home to eighteen distilleries, nearly fifty breweries, and more than a dozen wineries—you can find hard apple cider, whiskey, and everything in between. Drink Vermont is an exploration of the flavors, people, and locations throughout the state. Famous for local resources, like maple syrup, and the stunning colors of the fall foliage, Vermont is the perfect destination for an informative and fun sample of recipes, interviews, and reviews of breweries and distilleries. Traveling north toward the Canadian border, west to the shore of Lake Champlain, into the Northeast Kingdom, through the state’s capital, and the charming small towns of southern Vermont, Gershman takes readers on a visual journey through the seasons as they discover the unique tastes created in the Green Mountain State. Stops along the trip include The Alchemist, maker of the acclaimed Heady Topper (the top beer in America); Hill Farmstead, named the 2015 Best Brewery in the World; and Putney Mountain Winery, where they create wines like Apple Maple, Simply Pear, Rhubarb Blush, Putney Pommeau, Vermont Cassis, and Simply Cranberry using local fruits.

**Poetry & Performance** Green Mountain Writers Group,2023-06-15 Poetry & Performance Volume 1 is a collection of 25 poems by members of the Green Mountain Writers Group based in in Underhill, Vermont. The publication introduces an innovative model of consensus leadership. As a community of writers, we believe that everyone's voice deserves to be heard, and our new leadership model ensures that every member has an equal say in group decisions. Through open communication, active listening, and mutual respect, we work together to reach a consensus that best represents the group as a whole. Our model values collaboration over competition, and fosters a supportive and inclusive environment where each member can thrive. We are excited to showcase this model in action in our first book of poetry. Each member has contributed their unique voice and perspective to create a beautiful and diverse collection of poems. We hope that our book inspires others to embrace consensus leadership in their own communities and organizations, and to celebrate the power of collaboration and inclusivity. This volume would not exist were it not for Darlene Witte, a Canadian poet and educator who envisioned Poetry & Performance, a gathering of minds that began with the intention of coupling the solitary effort of writing poetry with the shared experience of poets presenting their work aloud. Reading the words of a poem from a book is much different than hearing it spoken by the poet.

On September 7, 2021, many of the twenty-five members of the Green Mountain Writers Group whose poems are published here, met for the first time to begin sharing their work in regular sessions on the 1st and 3rd Tuesdays of each month. Since then, Poetry & Performance has become a popular mainstay for many of us who continue to connect twice a month by way of Meetup and Zoom. Digital technology permits us to gather from around the globe. You are welcome and encouraged to join us online, for readings by a featured poet followed by a round-robin, open mic. Darlene's dedication brings forth the additional emotion that only a performance can reveal. Leading by example, she sets a high bar when sharing her own poems as spoken word. Poetry & Performance meets on the 1st and 3rd Tuesdays of each month to provide a virtual stage where everyone is encouraged to find their voice. You can find us on Meetup.com under Green Mountain Writers Group or GreenMountainWriters.com.

**I Want to Hold Your Hand** Marie Force,2014-06-03 For the Abbott siblings, the Green Mountain state has always been an idyllic place to call home. But it isn’t until they open themselves up to love that they’ll truly discover how fulfilling life can be... Almost seven years after losing her husband in Iraq, Hannah Abbott Guthrie isn’t sure she’s ready—or able—to move on, but the attentions of a lifelong friend are making her think about it for the first time. The memory of the sweet kiss she shared with Nolan Roberts hasn’t strayed far from her thoughts, but she also fears that pursuing something with him would mean betraying her husband’s memory. Nolan has loved Hannah for years, but he’d been giving her the space she needed to heal from her devastating loss. Now, when an opportunity arises to show her how he feels, Nolan can’t resist, but he knows earning her love will take more than a kiss. Somehow he has to prove to Hannah that finding love twice in a lifetime is possible—and well worth risking her heart. Bonus: Exclusive to this edition—a never-before-in-print Green Mountain story
