*Loving Your Neighbor; A Practical Guide to Keeping the Second Great Commandment* Rev. Dave Boston, 2023-05-22 *Loving Your Neighbor: A Practical Guide to Keeping the Second Great Commandment* explores what God actually means by the word love. Often, in our culture, we use the word love to mean like very, very much, as in, I love pizza! But then there are Bible verses that command us to love our enemies; clearly, the Lord cannot be asking us to like them very much. This book looks first at the heart of love, as evidenced by God and others. From these scriptural records, we can see that spiritual love really means a selfless caring for the other. When we love, we must start with a motivation that focuses solely on the well-being of the other and not on any benefits to self. Next, as this is a practical guide, this book examines pictures of love, words that give the reader a picture of how this love might actually practically work in our lives. Often, these biblical words have both a physical and a figurative usage. The physical usage gives us the picture, and the figurative usage shows us how to practically apply this in loving our neighbor. Finally, the author shows that God has given us tools in the Bible to help us get better at loving our neighbor. God gave us the commandment, but then He was loving enough to help us love and to help us grow in loving our neighbors.

*The Sapp Brothers' Story* Bill Sapp, Lee Sapp, Tom Osborne, 2014-04-01 Through their strong work ethic and faith in God—and in each other—the Sapp brothers rose above early adversity to become some of the most respected and successful leaders in the Midwest. Forming the Sapp Brothers Truck Stops in the 1970s and going on to build the Sapp Brothers Petroleum Company, this family has been a Nebraska legend that built business for the state and invested in many state-sponsored organizations. Their coffee pot water tower is a symbol of their first truck stops and a Nebraska icon. Keeping integrity and humility as the focus of their professional and personal lives throughout the years, the Sapp brothers have proven that nice guys can finish first and that the American dream is still alive and well.

*Lost Lake County, Ohio* Jennifer Boresz Engelking, 2022-08 The past lies just under the surface in Lake County. Interurban trains once carried wealthy Clevelanders to idyllic summer homes and resorts along the shoreline and up to Little Mountain. Stories abound of rum-running during Prohibition, enslaved people who were carried to freedom through the Underground Railroad, and stolen gold bars believed to be buried along a riverbank. Lake County was also once the site of a booming ship-building industry and a secret plant that created chemical warfare

during World War I. Many residents fondly recall long-gone drive-in theaters and beloved drug store soda fountains and bakeries of the mid to late twentieth century. Join author Jennifer Boresz Engelking as she reveals the history behind some of the county's most intriguing people, places, and industries.

**Grow Up, David!** David Shannon, 2018-08-28 Laugh-aloud humor abounds when David can't resist bugging his big brother. In this funny romp, David careens from one mischievous antic to the next... until he finally wins his brother's approval. Little-brother antics have never been so endearing -- or true to life! David Shannon's beloved character in his bestselling book *No, David!* captures the attention and hearts of young children as few characters can. Readers relish David's exuberance, defiance, and wildly energetic curiosity, and when there's trouble, you can bet David did it! Now he's taunting his older brother by eating his Halloween candy, making a bathroom mess, and following him up the tree house. You're too little! won't stop David's tricks in this all-time read it again favorite. With millions of copies in print and four sequels, *No, David!* hit the ground running in 1998 and was a Caldecott Honor Book, a New York Times Best Illustrated Book, and a classic for 20 years. Based on a book the author wrote and illustrated when he was five, David captures the timeless no-no's familiar to every child. *Grow Up, David!* is nothing short of exhilarating.
