DOCAZON H&P Notebook (Paperback) Dave Muhuri,2018-01-05 Just launched! Updated and perfected with feedbacks from medical students, resident physicians and medical directors, DOCAZON H&P Notebook is the industry standard and a must-have for every medical student, resident, young doctor, physician assistant, nurse practitioner, nurses, and clinicians when seeing patients....Each sheet equals one patient! Now you can rip out a sheet without having to worry about ripping out another patient's information. Helpful prompts without the distraction: we gray-scaled all our prompts and kept our lines thin so you can write over them as needed without feeling guilty! . . . More spaces to write notes: we have provided you with extra spaces on both sides of the sheet for all your extra notes. Now you can elaborate on your positive ROS and positive physical exam findings with detailed notes in tons of extra space. Our H&P provides space for a complete demographic data collection including sex, dob, ethnicity; identification data including name, contact, MRN, and room #. Easily id your patient from the back of the sheet with a handy extra name field. . . . Our H&P is all inclusive and detailed. Now you can take a full female hx with OB/GYN section built right into the H&P or you can use it as an extra note space for your male patients. Popular pneumonics like OPQRST, LMP RTV CS PAPS, and SIGECAPS are built right into the H&P. Popular lab orders including CBC and CMP are also built in with extra space for other labs, radiology reports, and ekg readings. Our PE section comes with detailed organ-specific exam guideline that is normal. You can check the boxes that were normal or circle the ones that were abnormal from the specific exams that were conducted. We have also included the anatomy man in the PE section so you can easily highlight the area of concern! . . . Besides serving its usual purpose of being the best H&P notebook out there for every clinician, this notebook can also be used to collect and standardize patient information for primary and advanced research, clinical projects, or neighborhood surveillance.

Initial H&P includes a larger space for jotting down medications, keeping in mind the needs of the inpatient population.

H & P John H. Dirckx,2001 This invaluable textbook and desk reference explains the history and physical report step by step, demystifying the language of physicians. It aids both novice and experienced transcriptionists in deciphering difficult dictation and can be used as a study aid for credentialing exams. It is essential for anyone handling or interpreting healthcare records—in the classroom or on the job. Each chapter contains comprehensive exercises that build vocabulary, increase understanding of medical concepts, and develop critical thinking and decision-making skills. The book includes hundreds of excerpts from authentic H&P reports; a glossary of words and phrases not found in standard references; and photos and anatomical drawings. CMTs can earn up to 20 Continuing Education credits with this book. Distributed by Stedman's

Writing a History and Physical Jeffrey L. Greenwald,2003-05-05 Central to providing excellent patient care is excellent communication, for which a well-written History and Physical is crucial. This book is a step-by-step guide to help medical students, nurse practitioners, physician assistants, etc. write a comprehensive, clear, and useful History and Physical. Writing an effective History and Physical is as much an art as science, and this handy guide provides a roadmap for organizing facts in a logical and well-constructed fashion. The text also presents an abridged version for quick reference and a valuable section on how to write daily progress notes. The author's tips pearls, and advice help the reader navigate the principles and goals of the History and Physical Contains more explanations, tips and advice than existing books for what to include and why Memorable good and bad examples reinforce themes in the text

Medcomic Jorge Muniz,2019-10-11 A concise medical reference to recall the steps for performing a history and physical exam. Keep one in the pocket of your white coat for a quick review on the go! Topics include taking a patient's general history, review of systems, head-to-toe physical exam, assessment, and plan.

Midnight Rambles David J. Goodwin,2023-11-07 A micro-biography of horror fiction's most influential author and his love-hate relationship with New York City. By the end of his life and near financial ruin, pulp horror writer Howard Phillips Lovecraft resigned himself to the likelihood that his writing would be forgotten. Today, Lovecraft stands alongside J. R. R. Tolkien as the most influential genre writer of the twentieth century. His reputation as an unreformed racist and bigot, however, leaves readers to grapple with his legacy. Midnight Rambles explores Lovecraft's time in New York City, a crucial yet often overlooked chapter in his life that shaped his literary career and the inextricable racism in his work. Initially, New York stood as a place of liberation for Lovecraft. During the brief period between 1924 and 1926 when he lived there, Lovecraft joined a creative community and experimented with bohemian living in the publishing and cultural capital of the United States. He also married fellow writer Sonia H. Greene, a Ukrainian-Jewish émigré in the fashion industry. However, cascading personal setbacks and his own professional ineptitude soured him on New York. As Lovecraft became more frustrated, his xenophobia and racism became more pronounced. New York's large immigrant population and minority communities disgusted him, and this mindset soon became evident in his writing. Many of his stories from this era are infused with racial and ethnic stereotypes and nativist themes, most notably his overtly racist short story, "The Horror at Red Hook," set in Red Hook, Brooklyn. His personal letters reveal an even darker bigotry. Author David J. Goodwin presents a chronological micro-biography of Lovecraft's New York years, emphasizing Lovecraft's exploration of the city environment, the greater metropolitan region, and other locales and how they molded him as a writer and as an individual. Drawing from primary sources (letters, memoirs, and published personal reflections) and secondary sources (biographies and scholarship), Midnight Rambles develops a portrait of a talented and troubled author and offers insights into his unsettling beliefs on race, ethnicity, and immigration.
