H.J. Heinz Company Debbie Foster,Jack Kennedy,2006-10-09 A photographic history of one of America's oldest and best-loved companies, and a study in how to "do the common thing uncommonly well." In 1869, the American diet was a dreary affair. Kitchen staples included bread, potatoes, other root vegetables, and meat. Tomatoes—at the time called "love apples"—were an exotic fruit. Then, twenty-five-year-old Henry J. Heinz helped to change all of that. Heinz established his company based on a single premise: quality. He demonstrated this commitment by bottling his first product, grated horseradish, in clear glass jars to showcase its purity. From his hometown near Pittsburgh, Heinz sparked a revolution. A colorful marketing genius, he was a foresighted entrepreneur whose peripatetic travels birthed the global H.J. Heinz Company, which today is the most international of all United States-based food companies. This book contains vintage images from

the archives of one of America's first industrial photography studios—capturing both the products and the memorable and creative marketing from the “57 Varieties” company.

H.J. Heinz Quentin R. Skrabec, Jr.,2009-06-08 Though Heinz Ketchup is one of the most recognized corporate symbols in the world, few people know anything at all about H. J. Heinz. Industrial giants Rockefeller, Carnegie, Westinghouse, and Mellon became household names, and Heinz slipped into obscurity. Yet during a time of great transfers of wealth brought about in part by these famous robber barons, Heinz was well known for his humane treatment of his employees, customers, and

suppliers. At the same time Heinz built a commercial empire by his use of industrialized food processing before Henry Ford. This book includes 45 photographs many of which are being published for the first time.

James Longstreet H. J. Eckenrode, Bryan Conrad, 2000-11-09 James Longstreet stood with Robert E. Lee and Stonewall Jackson in the great triumvirate of the Army of Northern Virginia. He fought from First Manassas through Appomattox and served as Lee's senior subordinate for most of that time. In this classic work, first published by UNC Press in 1936, H. J. Eckenrode and Bryan Conrad follow Longstreet from his leading role in the military history of the Confederacy through his controversial postwar career and eventual status as an outcast in Southern society. Though they acknowledge his considerable gifts as a corps commander and absolve him of guilt for the Gettysburg debacle, the authors also call attention to the consequences of Longstreet's unbridled ambition, extreme self-confidence, and stubbornness.
