**HERmione** Hilda Doolittle, 1981-11-17 "H. D's wit, sense of rhythm, and control of language prove the inadequacy of the imagist label that is so often applied to this writer." —Library Journal This autobiographical novel, an interior self-portrait of the poet H. D. (1886-1961) is what can best be described as a find, 'a posthumous treasure. In writing HERmione, H.D. returned to a year in her life that was peculiarly blighted. She was in her early twenties—a disappointment to her father, an odd duckling to her mother, an importunate, overgrown, unincarnated entity that had no place... Waves to fight against, to fight against alone...' 'I am Hermione Gart, a failure'—she cried in her dementia, 'I am Her, Her, Her.' She had failed at Bryn Mawr, she felt hemmed in by her family, she did not yet know what she was going to do with her life. The return from Europe of the wild-haired George Lowndes (Ezra Pound) expanded her horizons but threatened her sense of self. An intense new friendship with Fayne Rabb (Frances Josepha Gregg), an odd girl who was, if not lesbian, then certainly of bisexual bent, brought an atmosphere that made her hold on everyday reality more tenuous. This stormy course led to mental breakdown, then to a turning point and a new beginning as her own true self, as Her"—the poet H.D. Perdita Schaffner, H.D.'s daughter, who can remember back to the time in 1927 when her mother was barricaded with her typewriter behind a locked door, working on this very novel, has provided a charming and telling introduction.

*Gift*, 1824

**The Hedgehog** Hilda Doolittle, 1988 Living with her mother in Switzerland during the time of World War II, Madge moves from the concerns of childhood to the edge of the more adult woes of love and loss, separation and community.

**Nights** Hilda Doolittle, 1986 A woman struggles to understand her bisexuality and the failure of her marriage and becomes involved in a heterosexual affair.

**Visions and Ecstasies** H.D., 2019-11-26 H.D.'s writing continues to inspire generations of readers. Bringing together a number of never-before-published essays, this new collection of H.D.'s writings introduces her compelling perspectives on art, myth, and the creative process. While H.D. is best known for her elemental poetry, which draws heavily on the imagery of natural and ancient worlds, her critical writings remain a largely underexplored and unpublished part of her oeuvre. Crucial to understanding both the formative contexts surrounding her departure from Imagism following the First World War and her own remarkable creative vision, *Notes on Thought and Vision*, written in 1918, is one of the central works in this collection. H.D. guides her reader to the untamed shores of the Scilly Isles, where we hear of powerful, transformative experiences and of her intense relationship with the paintings of Leonardo da Vinci. The accompanying essays, many published here for the first time, help color H.D.'s astute critical engagement with the past, from the city of Athens and the poetry of ancient Greece. Like *Letters to a Young Painter* (2017), also published in the ekphrasis series, this collection is essential reading for anyone interested in the creative process.

**The Future of Modernism** Hugh Witemeyer, 1997 Argues for the complex and vital legacy of major modernist authors

*End to Torment* Hilda Doolittle, 1979 They had been engaged for a period, and what began as a brief romance developed into a lifetime's friendship and collaboration in poetry. Throughout the reminiscence runs H. D's conviction that her life and Pound's had been irrevocably entwined since those early days when they had walked together in the Pennsylvania woods and he wrote for her verse after William Morris, Rossetti, Swinburne, and Chaucer. Twenty-five of these poems, handbound in vellum by Pound and called *Hilda's Book*, are published here for the first time as an epilogue to this important and moving document.

Publishers' International ISBN Directory, 1995

**Trilogy: The Walls Do Not Fall** Hilda Doolittle, 1973 This new edition of H.D.'s great war-time trilogy of long poems is supplemented with over 30 pages of Aliki Barnstone's informative Readers' Notes. Trilogy's three long poems -- The Walls Do Not Fall, Tribute to the Angels, The Flowering of the Rod -- rank with T.S. Eliot's Four Quartets and Ezra Pound's Pisan Cantos as among the greatest civilian poetry of war in the 20th century. About Trilogy, Denise Levertov wrote: H.D. spoke of essentials. It is a simplicity not of reduction but of having gone further out of the circle of known light, further toward an unknown center. Copyright © Libri GmbH. All rights reserved.

**Collections of the Illinois State Historical Library**, 1910

**Tribute to Freud (Second Edition)** Hilda Doolittle, 2012-06-12 Bringing together Writing on the Wall, composed some ten years after H.D.'s stay in Vienna, and Advent, a journal she kept at the time of her analysis there, Tribute to Freud offers a rare glimpse into the consulting room of the father of psychoanalysis. It may also be the most intimate of H.D.'s works. Compelled by historical as well as personal crises, the poet worked with Freud during 1933-34. The streets of Vienna were littered with tokens dropped like confetti on the city, stating Hitler gives work. Hitler gives bread. Having endured World War I, she was now gathering her resources to face the second cataclysm she knew was approaching. In analysis, Hilda Doolittle explored her Pennsylvania childhood, her relationship with Ezra Pound (inventory of her nom de plume H.D.), Havelock Ellis, D.H. Lawrence, her ex-husband Richard Aldington, and subsequent companion Winifred Ellerman ( Bryher ), as well as her own creative processes. Freud, regarding H.D. as a student as well as a patient, was hardly the detached presence one might imagine. Revealed here in the poet's words and in his own letters, which comprise an appendix, is the considerate friend, the charming Viennese gentleman--art collector, dog lover, wit--and the pioneer, always revising his ideas and possessed of an insight that could be terrifying in its force.--Publisher's description.
