The Craft John Dickie,2020-08-18 Insiders call it the Craft. Discover the fascinating true story of one of the most influential and misunderstood secret brotherhoods in modern society. Founded in London in 1717 as a way of binding men in fellowship, Freemasonry proved so addictive that within two decades it had spread across the globe. Masonic influence became pervasive. Under George Washington, the Craft became a creed for the new American nation. Masonic networks held the British empire together. Under Napoleon, the Craft became a tool of authoritarianism and then a cover for revolutionary conspiracy. Both the Mormon Church and the Sicilian mafia owe their origins to Freemasonry. Yet the Masons were as feared as they were influential. In the eyes of the Catholic Church, Freemasonry has always been a den of devil-worshippers. For Hitler, Mussolini and Franco, the Lodges spread the diseases of pacifism, socialism and Jewish influence, so had to be crushed. Freemasonry's story yokes together Winston Churchill and Walt Disney; Wolfgang Mozart and Shaquille O'Neal; Benjamin Franklin and Buzz Aldrin; Rudyard Kipling and 'Buffalo Bill' Cody; Duke Ellington and the Duke of Wellington. John Dickie's *The Craft* is an enthralling exploration of a the world's most famous and misunderstood secret brotherhood, a movement that not only helped to forge modern society, but has substantial contemporary influence, with 400,000 members in Britain, over a million in the USA, and around six million across the world.

A-List Angels Zack O'Malley Greenburg,2020-03-10 How Hollywood cashed in on the latest tech boom-and changed the face of Silicon Valley. When Ashton Kutcher first heard about 50 Cent's nine-figure Vitaminwater windfall in 2007, the actor realized he'd been missing out. He soon followed the rapper's formula-seeking equity instead of cash for endorsement deals-but with a twist: as the first person to top 1 million Twitter followers, Kutcher leveraged his social reach to accumulate stakes in a vast range of user-hungry tech startups. A decade later, Kutcher is perhaps the brightest in a firmament of star investors from Beyoncé and Jay-Z to Jennifer Lopez and Alex Rodriguez. Bartering credibility and connections in exchange for early (and often discounted) access to the world's most coveted investment opportunities, this diverse group changed the face of venture capital while amassing portfolios packed with companies like Airbnb, Spotify, and Uber. But how did two once-dissonant universes-Silicon Valley and Hollywood-become intertwined? Forbes senior editor Zack O'Malley Greenburg told the first chapter of Kutcher's transformation for the magazine's cover story in 2016. Now he offers a lively, page-turning account of how this motley crew of talent managers, venture capitalists, and celebrities helped the creative class forge a brand-new blueprint for generational wealth. Through extensive reporting and exclusive interviews with more than 100 key players-including Shaq, Nas, Joe Montana, Sophia Bush, Steve Aoki, Tony Gonzalez, and dozens of behind-the-scenes power brokers-Greenburg sheds light on the unlikely group that fundamentally transformed the value of fame.

Six Pixels of Separation Mitch Joel,2009-09-07 Through the use of timely case studies and fascinating stories, *Six Pixels of Separation* offers a complete set of the latest tactics, insights, and tools that will empower you to reach a global audience and consumer base—which, best yet, you can do pretty much for free. Is it important to be connected? Well, consider this: If Facebook were a country, it would have the sixth largest population in the world. The truth is, we no longer live in a world of six degrees of separation. In fact, we're now down to only six pixels of separation, which changes everything we know about doing business. This is the first book to integrate digital marketing, social media, personal branding, and entrepreneurship in a clear, entertaining, and instructive manner that everyone can understand and apply. Digital marketing expert Mitch Joel unravels this fascinating world of new media-but does so with a brand-new perspective that is driven by compelling results. The smarter entrepreneurs and top executives are leveraging these digital channels to get their voice out there-connecting with others, becoming better community citizens, and, ultimately, making strategic business moves that are increasing revenue, awareness, and overall success in the marketplace—without the support of traditional mass media. Everyone is connected. Isn't it time for you and your company to connect to everyone?

Out at Home Cal Ripken Jr.,Kevin Cowherd,2015-03-03 Mickey Labriogla is the best catcher in the league. He's got a cannon for an arm, calls a great game, and blocks the plate like a bulldozer with shin guards. But when a hotshot new pitcher joins the Dulaney Orioles, Mickey wonders if it isn't time to find another position -- or maybe another team. Zoom's the most arrogant player the Orioles have ever seen. But even Coach Labriogla, Mickey's dad, seems in awe of the kid's talent and willing to overlook his insufferable behavior. When Mickey and Zoom find themselves rivals for the attention of the mysterious Abby Elliott, who works the concession stand, any chance the two teammates can get along goes out the window. As the Orioles head to a seemingly-inevitable showdown in the new Super-Regional against Zoom's old team, the powerful Laurel Yankees, the clash between Mickey and Zoom threatens to break the team apart -- and derail a championship season. Praise for *Hothead* . . . just the ticket for readers who've worked their way through Dan Gutman and Matt Christopher but are still a little shy of Matt de la Peña and Carl Deuker. -- Bulletin of the Center for Children's Books Written with Ripken's obvious knowledge of the game, Conor's story rings true, with plenty of good baseball action. If Conor's not always in good spirits, the novel is, with likable characters, lively baseball action and the usual dreams of playing in the big leagues-in Conor's case, at Camden Yards. Ripken and Cowherd, like Conor and his Babe Ruth League Orioles, make a winning team. --Kirkus Reviews

New World, Inc. John Butman,Simon Targett,2018-07-05 The thrilling story of the English merchant adventurers who changed the world. In the mid-sixteenth century, England was a small and relatively insignificant kingdom on the periphery of Europe, and it had begun to face a daunting array of social, commercial and political problems. Struggling with a single export - woollen cloth - a group of merchants formed arguably the world's first joint-stock company and set out to seek new markets and trading partners. It was a venture that relied on the very latest scientific innovations and required an extraordinary appetite for risk. At first they headed east, and dreamed of Cathay, with its silks and exotic luxuries. Eventually, they turned west, and so began a new chapter in history. Based on archival research and a bold interpretation of the historical record, *New World, Inc.* draws a portrait of life in London, on the Atlantic and across the New World, and reveals how profit-hungry business people transformed England into a world power.

Wrong David H. Freedman,2010-06-10 Our investments are devastated, obesity is epidemic, test scores are in decline, blue-chip companies circle the drain, and popular medications turn out to be ineffective and even dangerous. What happened? Didn't we listen to the scientists, economists and other experts who promised us that if we followed their advice all would be well? Actually, those experts are a big reason we're in this mess. And, according to acclaimed business and science writer David H. Freedman, such expert counsel usually turns out to be wrong -- often wildly so. *Wrong* reveals the dangerously distorted ways experts come up with their advice, and why the most heavily flawed conclusions end up getting the most attention-all the more so in the online era. But there's hope: *Wrong* spells out the means by which every individual and organization can do a better job of unearthing the crucial bits of right within a vast avalanche of misleading pronouncements.

I Am Redeemed Mike Weaver,Jim Scherer,2019-09-03 Mike Weaver, lead singer of Big Daddy Weave, shares from personal experience how when all we can see is our struggles and failures, God reminds us of who we are. . . . His children. Loved. Set free. Redeemed. *I Am Redeemed* is an open book of Mike Weaver's life, bringing into the light everything from his battle with self-hatred to the near death of his brother and bandmate, who ultimately had both feet amputated to save his life. Mike shares the lessons learned in the loss of his father and dealing with the spirit of suicide within his band, Big Daddy Weave. At the lowest of lows, with Mike feeling rejected and alone, God broke through to speak truth and life into him. Thankful for God's plan and timing and methods, he is especially grateful for the new identity Jesus had paid for on the cross. In spite of his faults and failures, Mike learned that only God can take the stuff you hate about yourself and use it to reach people. Through the million-selling song *Redeemed* and now the powerful story behind it, as well as inspiration from Scripture, you will be encouraged to embrace God's redeeming grace so you, too, have the opportunity to be beautiful offerings to the Lord.

A Perfect Mess Eric Abrahamson,David H. Freedman,2007-01-03 Ever since Einstein's study of Brownian Motion, scientists have understood that a little disorder can actually make systems more effective. But most people still shun disorder-or suffer guilt over the mess they can't avoid. No longer! With a spectacular array of true stories and case studies of the hidden benefits of mess, *A Perfect Mess* overturns the accepted wisdom that tight schedules, organization, neatness, and consistency are the keys to success. Drawing on examples from business, parenting, cooking, the war on terrorism, retail, and even the meteoric career of Arnold

Schwarzenegger, coauthors Abrahamson and Freedman demonstrate that moderately messy systems use resources more efficiently, yield better solutions, and are harder to break than neat ones. Applying this idea on scales both large (government, society) and small (desktops, garages), *A Perfect Mess* uncovers all the ways messiness can trump neatness, and will help you assess the right amount of disorder for any system. Whether it's your company's management plan or your hallway closet that bedevils you, this book will show you why to say yes to mess.

The Bomber Mafia Malcolm Gladwell, 2021-04-27 A “truly compelling” (Good Morning America) New York Times bestseller that explores how technology and best intentions collide in the heat of war—from the creator and host of the podcast Revisionist History. In *The Bomber Mafia*, Malcolm Gladwell weaves together the stories of a Dutch genius and his homemade computer, a band of brothers in central Alabama, a British psychopath, and pyromaniacal chemists at Harvard to examine one of the greatest moral challenges in modern American history. Most military thinkers in the years leading up to World War II saw the airplane as an afterthought. But a small band of idealistic strategists, the “Bomber Mafia,” asked: What if precision bombing could cripple the enemy and make war far less lethal? In contrast, the bombing of Tokyo on the deadliest night of the war was the brainchild of General Curtis LeMay, whose brutal pragmatism and scorched-earth tactics in Japan cost thousands of civilian lives, but may have spared even more by averting a planned US invasion. In *The Bomber Mafia*, Gladwell asks, “Was it worth it?” Things might have gone differently had LeMay’s predecessor, General Haywood Hansell, remained in charge. Hansell believed in precision bombing, but when he and Curtis LeMay squared off for a leadership handover in the jungles of Guam, LeMay emerged victorious, leading to the darkest night of World War II. *The Bomber Mafia* is a riveting tale of persistence, innovation, and the incalculable wages of war.

Linda McCartney's Family Kitchen Linda McCartney, Paul McCartney, Stella McCartney, Mary McCartney, 2021-06-29 Join the McCartney family for a feast of nearly 100 sustainable, plant-based recipes to save the planet and nourish the soul, in this deeply personal cookbook from Paul, Mary, and Stella honoring their late wife and mother, Linda McCartney “I have a passion for peace and believe it starts with compassion to animals. —Linda McCartney Linda McCartney was a trailblazer of meat-free cooking, and she shared with her family the pleasure that eating compassionately could bring. Now Paul, Mary and Stella have reimaged Linda’s best-loved recipes, in a modern collection that fits perfectly with how we want to eat now. Family favorites such as French Toast, Chili non Carne, Sausage Rolls, Shepherd’s Pie, Pulled Jackfruit Burgers and Crunchy Pecan Cookies are just some of the many simple, nourishing and sustainable vegan recipes included in this stylish book. Complete with personal stories and intimate family photos spanning three decades, Linda McCartney’s Family Kitchen is not only good for you, but for the planet too.

Girls Who Build Katie Hughes, 2020-10-13 Celebrate the can-do attitude of fierce girls who know how to wield a hammer, fire up a saw, and build everything from a bookshelf to a playhouse. Featuring project photographs, this guide will inspire you to pick up your power tools and make something great. Carpenter Katie Hughes frequently found that she was the only woman on construction worksites. To change that, she began teaching classes to girls ages 8-14, showing them how to drill, saw, and weld. Her classes quickly became sold out summer camps and she founded her own non-profit, Girls Build. *Girls Who Build* features candid and arresting photographs of forty-five girls showing off their power tools and can-do attitudes. Accompanying each girl is a profile interview where she speaks to her inspirations and favorite builds, plus tips for others starting out. Also included are building skills, techniques, and safety tips to teach girls -- and older beginners -- how to handle hammers, drills, and saws plus thirteen do-it-herself building projects (from the featured girls themselves) such as picture frames, nightstands, playhouses, and more.

Billion Dollar Whale Bradley Hope, Tom Wright, 2018-09-18 Named a Best Book of 2018 by the Financial Times and Fortune, this thrilling (Bill Gates) New York Times bestseller exposes how a modern Gatsby swindled over \$5 billion with the aid of Goldman Sachs in the heist of the century (Axios). Now a #1 international bestseller, *Billion Dollar Whale* is an epic tale of white-collar crime on a global scale (Publishers Weekly), revealing how a young social climber from Malaysia pulled off one of the biggest heists in history. In 2009, a chubby, mild-mannered graduate of the University of Pennsylvania's Wharton School of Business named Jho Low set in motion a fraud of unprecedented gall and magnitude—one that would come to symbolize the next great threat to the global financial system. Over a decade, Low, with the aid of Goldman Sachs and others, siphoned billions of dollars from an investment fund—right under the nose of global financial industry watchdogs. Low used the money to finance elections, purchase luxury real estate, throw champagne-drenched parties, and even to finance Hollywood films like *The Wolf of Wall Street*. By early 2019, with his yacht and private jet reportedly seized by authorities and facing criminal charges in Malaysia and in the United States, Low had become an international fugitive, even as the U.S. Department of Justice continued its investigation. *Billion Dollar Whale* has joined the ranks of *Liar's Poker*, *Den of Thieves*, and *Bad Blood* as a classic harrowing parable of hubris and greed in the financial world.

When Life Gives You Pears Jeannie Gaffigan, 2019-10-01 *The Big Sick* meets *Dad is Fat* in this funny and heartfelt New York Times bestselling memoir from writer, director, wife, and mother, Jeannie Gaffigan, as she reflects on the life-changing impact of her battle with a pear-sized brain tumor. In 2017, Jeannie's life came to a crashing halt when she was diagnosed with a life-threatening brain tumor. As the mother of 5 kids -- 6 if you include her husband -- sat in the neurosurgery department in star-covered sweats too whimsical for the seriousness of the situation, all she could think was Am I going to die? Thankfully, Jeannie and her family were able to survive their time of crisis, and now she is sharing her deeply personal journey through this miraculous story: the challenging conversations she had with her children; how she came to terms with feeling powerless and ferociously crabby while bedridden and unable to eat for a month; and how she ultimately learned, re-learned and re re-learned to be more present in life. With sincerity and hilarity, Jeannie invites you into her heart (and brain) during this trying time, emphasizing the importance of family, faith and humor as keys to her recovery and leading a more fulfilling life.

Two Beats Ahead Panos A. Panay, R. Michael Hendrix, 2021-04-08 'Groundbreaking' Amy Cuddy, bestselling author of *Presence* 'A roadmap for innovators, entrepreneurs and those seeking new avenues for exploring and reimagining the future' Deepak Chopra Musicians are masters of innovation, constantly finding new ways to adapt to accelerating change and staying ahead of the beat. ----- In *Two Beats Ahead*, Michael Hendrix and Panos Panay demystify the artistic process of some of the greatest creative minds of our time and reveal what they can teach us about creativity. Drawing from first person interviews, you'll learn the secrets of collaboration from Beyoncé and Pharrell Williams, grasp the value of experimentation with Radiohead and Imogen Heap, learn how to prototype with Jimmy Iovine, hear why Justin Timberlake thinks you should 'dare to suck', understand the power of reinvention from Gloria Estefan, and the art of producing from T Bone Burnett and Hank Shocklee, co-founder of Public Enemy. A musical mindset is a revolutionary framework for creating and innovating in a dynamic world. *Two Beats Ahead* shows you how ----- 'Inspiration for anyone looking to expand the reach of their creativity' Tim Brown, author of *Change By Design* 'Based on their course at Berklee, Michael and Panos show that a musician's perspective, much like a designers perspective, can unlock inspiration and innovation, no matter who you are' David Kelley, founder of IDEO and the Stanford d.school

The Age of A.I. Henry A. Kissinger, Eric Schmidt, Daniel Huttenlocher, 2021-09-14

No Crowns in the Castle Fantasia Taylor, Kendall Taylor, 2022-04-26 A Grammy Award-winning singer and her husband share what a Godly marriage looks like and encourage readers with faith-forward and Biblical relationship advice. Fantasia Taylor—American Idol, Grammy-winning vocalist, and chart-topping singer—and her husband businessman Kendall Taylor were both successful and living in their purpose when they met and married three weeks later. Their marriage has had its ups and downs, but the one thing that has sustained them through all of it is the practice of taking off their crowns—the accolades, their egos, the things the world tells you matter—and serving each other within the home. It doesn’t matter who you are in the world—you need to humble yourself and serve your partner in order to put your marriage, your family, and your faith first. Seven years later, after facing a host of real-world challenges—from marital stress to professional and financial pressures, to their high-risk pregnancy and the premature birth of their daughter—Fantasia and

Kendall’s marriage has become a beacon of hope and love as they have opened up about their lives in their weekly ‘Taylor Talks’ broadcast. Now, in their first book together, Fantasia and Kendall dish about their shared experiences and struggles, opening up about the challenges and triumphs they’ve faced together and how they have come out stronger for them. They also share stories about how they've made their relationship work against all odds and why they try to always treat each other like royalty. In their trademark no-nonsense, real-talk style, they discuss topics that affect all relationships, including the importance of submitting to one another, handling conflict, clearing the lines of communication, keeping the romance alive, navigating the challenges of blended family, and how to maintain healthy relationships when you haven’t seen them modeled before. Insightful, wise, and grounded in faith, Fantasia and Kendall’s story offers hope and encouragement and gives straight-up advice about making your relationships last.

Woke, Inc Vivek Ramaswamy,2023-08-15 In this instant New York Times bestseller, a young and successful entrepreneur makes the case that politics has no place in business, and sets out a new vision for the future of American capitalism. There's a new invisible force at work in our economic and cultural lives. It affects every advertisement we see and every product we buy, from our morning coffee to a new pair of shoes. Stakeholder capitalism makes rosy promises of a better, more diverse, environmentally friendly world, but in reality this ideology championed by America's business and political leaders robs us of our money, our voice, and our identity. Vivek Ramaswamy is a traitor to his class. He's founded multibillion-dollar enterprises, led a biotech company as CEO, he became a hedge fund partner in his 20s, trained as a scientist at Harvard and a lawyer at Yale, and grew up the child of immigrants in a small town in Ohio. Now he takes us behind the scenes into corporate boardrooms and five-star conferences, into Ivy League classrooms and secretive nonprofits, to reveal the defining scam of our century. The modern woke-industrial complex divides us as a people. By mixing morality with consumerism, America's elites prey on our innermost insecurities about who we really are. They sell us cheap social causes and skin-deep identities to satisfy our hunger for a cause and our search for meaning, at a moment when we as Americans lack both. This book not only rips back the curtain on the new corporatist agenda, it offers a better way forward. America's elites may want to sort us into demographic boxes, but we don't have to stay there. Woke, Inc. begins as a critique of stakeholder capitalism and ends with an exploration of what it means to be an American in 2021--a journey that begins with cynicism and ends with hope.

A Question of Upbringing Anthony Powell,2005 _____ 'He is, as Proust was before him, the great literary chronicler of his culture in his time.' GUARDIAN A Dance to the Music of Time is universally acknowledged as one of the great works of English literature. Reissued now in this definitive edition, it stands ready to delight and entrance a new generation of readers. In this sixth volume, with Britain on the brink of war yet again, Nick Jenkins reflects back on his childhood growing up in the shadow of World War I. Wanting to follow in his father's footsteps, Nick sets his sights on becoming an officer in the Army, and asks his old school friend Widmerpool, who is gaining prominence in the business world, if he will help him. But reserves lists are quickly filling up with names, and it's not long until the threat of war is the one thing on everyone's mind. _____ These titles are currently being reissued. There is a chance that you may receive the edition with the classic cover instead of the cover displayed here.

A Life In School Jane Tompkins,1996-10-10 sroom and discovers how much of what she learned there needs to be unlearned. A painful and exhilarating story of spiritual awakening, Tompkins' book critiques our educational system, while also paying tribute to it.

Fad Surfing in the Boardroom Eileen C. Shapiro,1996
