**Tarzan on the Planet of the Apes** Tim Seeley,David M. Walker,2017-05-30 Caesar's birth in the original Planet of the Apes films was a result of the time travel at the core of that story. Tim Seeley (Revival) and David Walker (Power Man and Iron Fist) relocate that birth to 19th century Africa, where Caesar crosses paths with Tarzan, leading to a much different fate for Man and Ape. Drawing deeply from the Tarzan novels and the Planet of the Apes films, Seeley and Walker run Caesar and the Lord of the Jungle through the enslavement of the Apes, through a century of war, and through the center of the earth.

*Burn for Burn* Jenny Han,Siobhan Vivian,2013-08-06 Three teenaged girls living on Jar Island band together to enact revenge on the people that have hurt them.

*To Write a Wrong (The Bleecker Street Inquiry Agency Book #2)* Jen Turano,2021-08-03 Miss Daphne Beekman is a mystery writer by day, inquiry agent by night. Known for her ability to puzzle out plots, she prefers working behind the scenes for the Bleecker Street Inquiry Agency, staying well away from danger. However, Daphne soon finds herself in the thick of an attempted murder case she's determined to solve. Mr. Herman Henderson is also a mystery writer, but unlike the dashing heroes he pens, he lives a quiet life, determined to avoid the fate of his adventurous parents, who perished on an expedition when he was a child. But when he experiences numerous attempts on his life, he seeks out the services of the eccentric Bleecker Street Inquiry Agency to uncover the culprit. All too soon, Herman finds himself stepping out of the safe haven of his world and into an adventure he never imagined. As the list of suspects grows and sinister plots are directed Daphne's way as well, Herman and Daphne must determine who they can trust and if they can risk the greatest adventure of all: love.

The Proposition Katie Ashley,2012 With her thirtieth birthday looming, Emma Harrison finds her biological clock clanging and the elusive knight in shining armor yet to appear. She's running out of options, especially after her gay best friend backs out from being her sperm donor. Of course, there's always a sperm bank, but Emma fears a donor mix-up might impregnate her with the spawn of Satan. Resident company womanizer, Aidan Fitzgerald, is used to always getting what he wants, especially in the bedroom. When Emma spurns his advances at the company Christmas party, he's determined to have her no matter what it takes. After Aidan learns of Emma's predicament, he is quick to offer a proposition that will benefit them both. He will father Emma's child, but she must conceive it with him naturally. Not one for hook-ups or casual sex, Emma is reluctant to take him up on his offer, but his charm, coupled with her intense desire for motherhood, wins out. Soon their baby-making sessions become more than just physical. Aidan can't seem to walk away from her while Emma begins to wonder if Aidan could be the one. But can Aidan leave his past behind to become the man Emma needs him to be?

*Love, Lust & A Millionaire (Wyatt Brothers, Book 1)* Sandi Lynn,2023-04-30 Oliver Life had been somewhat complicated since my five-year-old daughter was sent to live with me after her mother died. She drove away every nanny I hired to take care of her. Then one afternoon, while we were having lunch at a diner, a beautiful waitress and my daughter shared a special connection. She was exactly what Sophie needed. My brother Liam insisted she was just what I needed. I was nothing but a man with a heart of stone, compliments of a girl I loved so many years ago. Now that I've met Delilah, moved her into my home, and hired her as Sophie's nanny, rules will be broken, and lines will be crossed. Falling for my daughter's nanny wasn't part of my life plan, and as hard as I tried to stay away from her and keep my hands to myself, it was impossible. Lust is a powerful emotion, an emotion so strong that trying to deny it only makes it that much stronger.

**A Little SPOT of Giving** Diane Alber,2020-05-11 In this boxed set, children are introduced to common life skills: optimism, courage, thankfulness, finding your talent, teamwork, creativity, perseverance and generosity.

**Adaptation in the Age of Media Convergence** Johannes Fehrle,Werner Schäfke-Zell,2019-09-06 This collection considers new phenomena emerging in a convergence environment from the perspective of adaptation studies. Giving an overview of the various fields and practices most prominent in convergence culture and viewing them as adaptations in a broad intertextual and intermedial sense, the contributions offer reconsiderations of theoretical concepts and practices in participatory and convergence culture. These range from fan fiction born from mash-ups

of novels and YouTube songs to negotiations of authorial control and interpretative authority between media producers and fan communities to perspectives on the fictional and legal framework of brands and franchises. In this fashion, the collection expands the horizons of both adaptation and transmedia studies and provides reassessments of frequently discussed (BBC's Sherlock or the LEGO franchise) and previously largely ignored phenomena (self-censorship in transnational franchises, mash-up novels, or YouTube cover videos).

**The Secret Lives of Sports Fans** Eric Simons, 2013-04-04 In this accessible study, a journalist examines the science, philosophy, and sociology behind being a sports fan. Sports fandom is either an aspect of a person's fundamental identity, or completely incomprehensible to those who aren't fans at all. What is happening in our brains and bodies when we feel strong emotion while watching a game? How do sports fans resemble political junkies, and why do we form such a strong attachment to a sports team? Journalist Eric Simons presents in-depth research in an accessible and brilliant way, sure to interest readers of Malcolm Gladwell. Through reading the literature and attending neuroscience conferences, talking to fans, psychologists, and scientists, and working through his issues as part of a collaboration with the NPR science program Radiolab, Eric Simons hoped to find an answer that would explain why the attractive force of this relationship with treasured sports teams is so great that we can't leave it. Praise for *The Secret Lives of Sports Fans* "Adroitly mixing research with feature reporting, Simons unveils some intriguing discoveries. . . . There's a lot of science to digest, but Simons's affable writing style—and his great eagerness to profile actual people, including himself—infuses the data with heart and soul." —Publishers Weekly "An intriguing ride through "all the wondrous quirks and oddities in human nature." —Kirkus Reviews

*Shine Until Tomorrow* Carla Malden, 2023-08 Social misfit Mari Caldwell desperately wants to get on with her life. If only she could get there faster—specifically to Yale—and leave behind all the things that make her anxious: driving a car, crossing bridges, her peers, her parents' divorce. Mari only feels at ease behind the lens of her vintage Leica. Her camera keeps the world—and the people in it—at a safe distance. When Mari comes across an old scrapbook of her mother's, she discovers her white collar parents were once blue denim hippies. She ends up fighting with her mother and storming out. She pedals her bicycle into a downpour, swerves to avoid an oncoming jeep, and flies smack into a tree. Mari climbs into an abandoned VW van bearing the ghost of a psychedelic paint job, and passes out. The next morning, Mari wakes up to the sound of music. A young couple wander through the glen like hippie gypsies, playing recorder and tambourine. Mari accepts their offer of a ride into San Francisco. But something is wrong; Mari can't quite figure out what. The skyline, her father's address, the music on the radio. Everything is slightly off. Except Jimmy, the driver of the van. There's something about him that calms her inner chatter. Only after she says good-bye to the merry band and runs headlong into a war protest does Mari begin to realize: it is June, 1967. In the epicenter of the Summer of Love, Mari makes friends with the would-be rock band, meets the grandfather she never knew, and falls in love. In spite of herself, Mari discovers that love changes everything. It even changes her. A fun and touching novel about the people who raise us, the times that define us, and the stumbling blocks on our way to being a grown-up, *Shine Until Tomorrow* tells the story of a girl obsessed with the future who must visit the past to learn to live in the present.

*A Deception Most Deadly: An Utterly Addictive Historical Cozy Murder Mystery* Genevieve Essig, 2022-01-14 Meet Cassie Gwynne: bookworm, cat lover, reluctant heiress... and determined detective? Florida, 1883. Cassie Gwynne is looking for a fresh start when she steps off the steamship at Fernandina harbor for the first time. She's trying hard to be a proper lady, for once. She's styled her unruly hair, shined her boots, and even purchased a whole new fashionable (or at least fashionably priced) wardrobe. However, she's certain finding a body is not very ladylike behavior... While out exploring the beautiful island with her Aunt Flora, Cassie stumbles across the body of Peanut Runkles, town grump and her aunt's neighbor, lying at the foot of the harbor pilots' lookout tower. To make matters worse, because Peanut and Flora have been quarreling for years over everything from Flora's eccentric ideas to her pet pig's fondness for Peanut's vegetable patch, Flora is immediately arrested for murder. Desperate to save the only family she has left, Cassie vows to prove Flora's innocence and untangle the mystery herself, no matter how much certain others may disapprove. Cassie's brilliant mind and nose for a clue lead her on an investigation that takes her all around the island, and even earns her a valiant furry friend in Esy the kitten. But how does the mysterious ledger Cassie finds hidden in a secret drawer in Peanut's desk connect to the crime? Cassie is determined to dig up the truth, but can she catch the killer before her time on the island comes to a deadly end? This warm and witty cozy mystery will transport you to the island city of Fernandina and introduce you to a feisty heroine far before her time! Presented by ARTitude, this collaboration features the contemporary work of 58 different artists from the PosterSpy art community, one of the

The nearly 300 posters presented here cover a diverse range of genres and eras, from pop culture favorites like Star Wars and Goonies to the Wes Andersen filmography to horror and sci-fi classics.
