Stubborn and sensitive, she insisted there was decency and goodness beneath Damon's bad-boy image. That a heart beat deeply in his impossibly broad chest. And she was willing to risk her reputation by loving this notorious rogue. Bitter as winter, Damon tried to freeze Hannah out. Tried to resist the sacrifices she willingly made for

him. Still, he hungered for her womanly warmth. He knew he had to have her. But he'd been a loner so long, could he really come in from the cold?

Fly Away Kristin Hannah, 2013-04-23 Return to the world of *FIREFLY LANE*—now a Netflix series—from #1 New York Times bestselling author Kristin Hannah. Once, a long time ago, I walked down a night-darkened road called Firefly Lane, all alone, on the worst night of my life, and I found a kindred spirit. That was our beginning. More than thirty years ago. Tully and Kate. You and me against the world. Best friends forever. But stories end, don't they? You lose the people you love and you have to find a way to go on. . . . Tully Hart has always been larger than life, a woman fueled by big dreams and driven by memories of a painful

past. She thinks she can overcome anything until her best friend, Kate Ryan, dies. Tully tries to fulfill her deathbed promise to Kate--to be there for Kate's children--but Tully knows nothing about family or motherhood or taking care of people. Sixteen-year-old Marah Ryan is devastated by her mother's death. Her father, Johnny, strives to hold the family together, but even with his best efforts, Marah becomes unreachable in her grief. Nothing and no one seems to matter to her . . . until she falls in love with a young man who makes her smile again and leads her into his dangerous, shadowy world. Dorothy Hart--the woman who once called herself Cloud--is at the center of Tully's tragic past. She repeatedly abandoned her daughter, Tully, as a child, but now she comes back, drawn to her daughter's side at a time when Tully is most alone. At long last, Dorothy must face her darkest fear: Only by revealing the ugly secrets of her past can she hope to become the mother her daughter needs. A single, tragic choice and a middle-of-the-night phone call will bring these women together and set them on a poignant, powerful journey of redemption. Each has lost her way, and they will need each one another--and maybe a miracle--to transform their lives. An emotionally complex, heart-wrenching novel about love, motherhood, loss, and new beginnings, *Fly Away* reminds us that where there is life, there is hope, and where there is love, there is forgiveness. Told with her trademark powerful storytelling and illuminating prose, Kristin Hannah reveals why she is one of the most beloved writers of our day.

When they invited her to go back with them to Holland until the baby was completely recovered, Hannah was only too happy to oblige. The problem was Corinna's stubborn uncle, Dr. Valentijn van Bertes. He could find no fault

with Hannah's nursing skills, but she was too well aware that she meant little to him as a person. Why should she? After all, he had a very lovely fiancée in Nerissa.

Winter Garden Kristin Hannah, 2010-02-02 Can a woman ever really know herself if she doesn't know her mother? From the author of the smash-hit bestseller *Firefly Lane* and *True Colors* comes Kristin Hannah's powerful, heartbreaking novel that illuminates the intricate mother-daughter bond and explores the enduring links between the present and the past. Meredith and Nina Whitson are as different as sisters can be. One stayed at home to raise her children and manage the family apple orchard; the other followed a dream and traveled the world to become a famous photojournalist. But when their beloved father falls ill, Meredith and Nina find themselves together again, standing alongside their cold, disapproving mother, Anya, who even now, offers no comfort to her daughters. As children, the only connection between them was the Russian fairy tale Anya sometimes told the girls at night. On his deathbed, their father extracts a promise from the women in his life: the fairy tale will be told one last time—and all the way to the end. Thus begins an unexpected journey into the truth of Anya's life in war-torn Leningrad, more than five decades ago. Alternating between the past and present, Meredith and Nina will finally hear the singular, harrowing story of their mother's life, and what they learn is a secret so terrible and terrifying that it will shake the very foundation of their family and change who they believe they are.

Thirteen-year-old Hannah Bennett loves her life in Chadds Ford. She goes to school, helps out with her family's dairy farm, jumps rope, and listens to favorite radio programs with her friends. Although she has difficulty reading, she does have one area of special talent: numbers. Her gift for math means that she does all of the invoicing for the farm, and helps out the younger students in their one-room schoolhouse. Best of all, Hannah enjoys a special relationship with Granddad McNaughton, who shares her passion for counting and calculating. He thinks of her gift as the key to a greater future elsewhere. 'You'll rust here,' he predicts. But Hannah can't imagine life anywhere else. Then Hannah is offered a rare opportunity for a country girl in 1934: to test for a scholarship to attend a private school in Philadelphia. Over her parents' objections, Hannah goes. While not his biological father, Josh has been a dad to Logan in every way that counts, and with Grace gone, Logan needs him more than ever. their family official.
