## **Snowed In: Kit and Harry** K.L. Noone, 2019-02-02

Someone -- or something -- is causing magical blizzards at Fairleigh Hall. The estate is suffering, and the Earl has requested assistance. Constable Kit Thompson, of Bow Street's Preternatural Division, isn't especially thrilled to be sent out to the country. At least the assignment gets him away from fashionable London society and his own unwanted celebrity after successfully solving a notorious case. Of course, he's now trapped at a country estate due to closed roads, snowstorms, and magic, but Kit's always liked solving puzzles. He's good at using empathic skills for investigations, and this is definitely a challenge. Besides, the Earl's younger brother is an irritating and delicious temptation, all blue eyes and muscles and boundless enthusiastic optimism. Kit wants to either shake sense into him or kiss him senseless -- and can't trust him, either, because if someone's genuinely sabotaging the weather, everyone's a suspect. Harry Arden, younger brother of the Earl of Fairleigh, has never met a Preternatural Division constable before, much less a famous and celebrated one. He wants to help. And he wants to make that attractive but cynical constable smile, at least once. But the estate hides a family secret, and Harry knows perfectly well Kit doesn't trust him ... and for good reason. Still, Harry offers to do what he can to assist with the investigation, and if that means spending more time with Kit, that's a bonus. When Harry and Kit end up caught by those magical storms, snowed in together at the old

hunting lodge, they'll have to trust each other with their secrets ... and their hearts.

*A Demon in Love Box Set* K.L. Noone, 2022-03-12  
Can a half-demon and a tired rock star find a happy ending? Rock legend Kris Starr has a problem or two. He's getting older, he can't seem to write anything new, he's supposed to be recording a Midwinter holiday album, and he's afraid he's falling in love with Justin Moore, his manager. But Justin's very good at keeping secrets, and he has a few -- like his demonic inheritance, his family's history, and his crush on Kris Starr, rock and roll icon. But when all Justin's secrets start to come out, he'll need Kris's help ... and they'll write a new love song or two along the way. This box set combines together all nine books in K.L. Noone's best-selling series featuring Kris and Justin. Contains the stories: *A Demon for Midwinter*: Kris Starr used to be famous. Sold-out rock shows. Empathic talents. But he has a problem or two. He's having a hard time writing songs. It's Midwinter, full of depressing holiday cheer. He's in love with Justin, his new manager, who has a talent for rescuing almost- or once-famous bands. And Justin's hiding secrets: about literal demons, his past, and his own feelings for Kris

... Lightning in a Bottle: Despite his skill with a guitar, Adam's never had much stage presence -- he leaves that to Lee, his band's lead singer, who makes his lyrics rock. The problem is, Adam's lyrics are secret love letters for Lee, though he's never had the courage to say so. But when a legendary rock star and scandalous sex demon turn up at their show, Adam might finally figure out how to get everything he wants. Love Songs for Every Day: Kris and Justin don't do interviews. Two years after demonic revelations, forever entwined with Kris Starr's return to the spotlight, they'll open up about pro-demon activism, classic rock, rescuing cats, and coffee versus tea -- plus what exactly happened to Justin that night, love songs, and happy endings. Sunlight and Gold: Can a rock star marry a demon? That question's on Justin's mind. He's moved in with Kris; they're wildly happy. He is half human, though -- and he likes the idea of the human ritual. But Kris Starr, rock legend, never has. So Justin can't ask. Kris isn't convinced he's great at domesticity. But he's pretty sure his half-demon boyfriend wants a very human commitment. And maybe Kris wants that, too. A Demon for Forever: A demon, a rock star, and wedding bells! Justin's always wanted to get married and has thrown himself into wedding plans. But the world's watching. Kris wants to give his demon fiancé a perfect day, whether that means carrot cake or support for Justin wearing a wedding dress. But Justin wants him to reconcile with his father, so Kris will have to try. The Demon's Choice: Kris has never been happier: back on tour, making

music, and married to the love of his life, half-demon Justin. But an accident leaves Justin unable to use magic until his demon family offers him a terrible choice. Losing his magic leaves him empty until he's shown a way to get it back. But if he agrees, he'll give up his human half ... along with his life with Kris. Snowed In: Kit & Harry: Someone or something is causing magical blizzards at Fairleigh Hall. Constable Kit Thompson is to investigate. The Earl's brother, Harry Arden, wants to help, but he's an irritating temptation. The estate hides a family secret. When they end up snowed in together at the old hunting lodge, they'll learn to trust each other with their secrets ... and their hearts. Bedknobs and Brimstone: Some days married life is great. And some days your husband's demon magic sets the bed on fire. But Kris wouldn't change a thing. If living together costs them some furniture, it's fine. Justin's still not used to his new powers. They're unpredictable, and he's worried: what if he hurts Kris? Fortunately, Justin's husband's very good at reassuring him. A Demon's Very Good Morning: Justin's never been happier. He's proud of his demon heritage, he has his rock-star empath husband, he and Kris are wildly in love, and they have a big family celebration today. But he's waking up alone in bed. And he can hear his husband's emotions. Families aren't easy. But if Kris needs some reassurance, Justin knows exactly how to help.

Set in Authority Sara Jeannette  
Duncan, 1996-09-16 In 1906, two years after the  
appearance of her best-known novel, *The  
Imperialist*, Duncan published its darker twin, an  
Anglo-Indian novel which returns to political  
themes but with a deeper and more clinical irony  
than in her previous work. *Set in Authority* is  
about illusions: the imperial illusions of those  
who rule and are ruled; the illusions of families

about their members; the illusions of men and women about each other. The setting moves between the political drawing rooms of London and the English station at Pilaghur in the province of Ghoom, where the murder of a native by an English soldier changes the lives of a cast of ruthlessly observed characters. Duncan, who grew up in Ontario, led a remarkably varied life, working as a political correspondent (writing for the Washington Post, the Toronto Globe and the Montreal Star) and living in India for over twenty years. She is increasingly being regarded as deserving of a place among the first rank of nineteenth- and early twentieth-century novelists; the re-publication of *Set in Authority* will do nothing to dispel that view.

Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are
