**Harlem's Love 2** James Malloy,2021-10-09 This complicated love came quickly rushing to an end when Mike got the bad new about May. Things were tense now, and he didn't have a clue about where to start. May's disappearance and rumors of her being shot had Mike in limbo. Not to mention the big loss of money from his cousin robbing him. The streets were crazy and things were changing quickly. Home wasn't the same as well. Auntie and Unc were in complete disbelief. They couldn't believe that Mike had himself twisted up into a big mess like this. They changed up on him drastically. But that didn't stop Mike, he wanted revenge and wanted it now. Trying to be discrete, he asked around and searched the streets day and night. The few leads that he got about Hector had him hooked. Now it was time to get Hector.

He spent his life keeping the promise of equality alive, not only through his actions but through his words—"Lift Every Voice and Sing. Facing the rising sun of our new day begun, Let us march on till victory is won."

Table Scraps and Other Essays Juyanne James,2019-12-18 Table Scraps and Other Essays is for all intents and purposes memoir writing. At the heart of the twenty-two true stories is an African American female who, as a child, along with her siblings, must learn the value of hard work as hired hands. James's young spirit is often at odds with her growing family, especially with a father figure who ignores his duties as husband and provider. She has a strong, loving mother who insists on keeping the family together. James learns to trust and depend on the "guardians" of her small Louisiana community—teachers who are eventually forced to move away from the area when the local schools are integrated. Many years later, James returns home figuratively, and literally on occasion, from the apartment where she lives in New Orleans, and reconnects with a father who seeks forgiveness for his earlier betrayal. He spends each day attempting to make up for the ill treatment of his wife and children. In these essays, James shares her love of nature, both as a means of escape from her troubled family and as inspiration for her writing.
