Everybody Fights Kim Holderness, Penn Holderness, 2021-03-30 A USA Today and Wall Street Journal bestseller! Learn how to fight better and end your arguments with your partner feeling closer, more loved, and better understood. We take our cars in for oil changes. We mow our lawns and pull weeds. Why don't we do maintenance on our marriages? This relationship is the most important one we will ever have, so why not get better at it? For the last several years, Penn and Kim Holderness of The Holderness Family have done the hard maintenance and the research to learn how to fight better. With the help of their marriage coach Dr. Christopher Edmonston, they break down their biggest (and in some cases, funniest) fights. How did a question about chicken wings turn into a bra fight (no, not a bar fight or a bra fight)? How did a roll of toilet paper lead to tears, resentment, and a stint in the guest bedroom? With their trademark sense of humor and complete vulnerability, Penn and Kim share their 10 most common Fight Fails and how to combat them. Throughout the book, they offer scripts for how to start, continue, and successfully close hard conversations. Couples will emerge equipped to engage and understand, not do battle—and maybe laugh a little more along the way. In *Everybody Fights*, couples will learn how to: Use magic words for healthy conflict resolution Address unspoken and unrealistic expectations Banish the three Ds of unhealthy communication—distraction, denial, and delay Carry individual baggage while helping your partner deal with theirs Penn and Kim want you to know you're not alone. *Everybody fights*. Marriage is messy. Marriage is work. But marriage is worth it. Fight for it!

Benn's Media, 1995

The Prince of Denmark Graham Holderness, 2002 This fictional re-writing of the Hamlet story is set in a time somewhere between the Scandinavian Dark Ages (out of which the tale of Hamlet came), and the Renaissance society of Shakespeare's play. The novel searches past and future, in T.S. Eliot phrase, looking before and after. Beginning at the end of Shakespeare's play, where the Norwegian prince Fortinbras takes over the empty throne of Denmark, it then backtracks to the year of Hamlet's birth, and the great duel fought between his father King Amled and Fortinbras' father Prince Fortenbrasse. In the light of this history, as a new ruler takes over Denmark after Hamlet's death, the conflicts and alliances between ancient Viking chivalry, Renaissance realpolitik and Christian forgiveness are dramatically explored.

Tort Law in New Zealand Stephen Todd, 2017-11-20 Derived from the renowned multi-volume International Encyclopaedia of Laws, this book provides ready access to how the legal dimension of prevention against harm and loss allocation is treated in New Zealand. This traditional branch of law not only tackles questions which concern every lawyer, whatever his legal expertise, but also concerns each person's most fundamental rights on a worldwide scale. Following a general introduction that probes the distinction between tort and crime and the relationship between tort and contract, the monograph describes how the concepts of fault and unlawfulness, and of duty of care and negligence, are dealt with in both the legislature and the courts. The book then proceeds to cover specific cases of liability, such as professional liability, liability of public bodies, abuse of rights, injury to reputation and privacy, vicarious liability, liability of parents and teachers, liability for handicapped persons, product liability, environmental liability, and liability connected with road and traffic accidents. Principles of causation, grounds of justification, limitations on recovery, assessment of damages and compensation, and the role of private insurance and social security are all closely considered. Its succinct yet scholarly nature,

as well as the practical quality of the information it provides, make this book a valuable resource for lawyers New Zealand. Academics and researchers will also welcome this very useful guide, and will appreciate its value not only as a contribution to comparative law but also as a stimulus to harmonization of the rules on tort.

History of Hayden & West Routt County, 1876-1989 Pat Holderness,1990-01-01

International Directory of Company Histories Tina Grant,Thomas Derdak,1999-10 Multi-volume major reference work bringing together histories of companies that are a leading influence in a particular industry or geographic location. For students, job candidates, business executives, historians and investors.

The Faith of William Shakespeare Graham Holderness,2016-11-18 William Shakespeare stills stands head and shoulders above any other author in the English language, a position that is unlikely ever to change. Yet it is often said that we know very little about him - and that applies as much to what he believed as it does to the rest of his biography. Or does it? In this authoritative new study, Graham Holderness takes us through the context of Shakespeare's life, times of religious and political turmoil, and looks at what we do know of Shakespeare the Anglican. But then he goes beyond that, and mines the plays themselves, not just for the words of the characters, but for the concepts, themes and language which Shakespeare was himself steeped in - the language of the Bible and the Book of Common Prayer. Considering particularly such plays as Richard II, Henry V, The Merchant of Venice, Measure for Measure, Hamlet, Othello, The Tempest and The Winter's Tale, Holderness shows how the ideas of Catholicism come up against those of Luther and Calvin; how Christianity was woven deep into Shakespeare's psyche, and how he brought it again and again to his art.

Career and Calling Ginny Ward Holderness,Forrest C. Palmer,2000-12-01 Career and Calling is an excellent guide to discovering God's calling. Written for students, young adults, and those who work with them, it contains a six-session, small group career counseling program that focuses on God's calling; individual's interests, gifts, and talents; and the world of work. The program also encourages the development of spiritual disciplines, scripture reading and study, journaling, mentoring, and conversations with professionals.

Social Media for Government Services Surya Nepal,Cécile Paris,Dimitrios Georgakopoulos,2015-12-31 This book highlights state-of-the-art research, development and implementation efforts concerning social media in government services, bringing together researchers and practitioners in a number of case studies. It elucidates a number of significant challenges associated with social media specific to government services, such as: benefits and methods of assessing; usability and suitability of tools, technologies and platforms; governance policies and frameworks; opportunities for new services; integrating social media with organisational business processes; and specific case studies. The book also highlights the range of uses and applications of social media in the government domain, at both local and federal levels. As such, it offers a valuable resource for a broad readership including academic researchers, practitioners in the IT industry, developers, and government policy- and decision-makers.

State-By-State Guide to Architect, Engineer, and Contractor Licensing Richard A. Holderness,Walker,Stephen D. Butler,Stephen G. Walker,1995-12-31 Failure to comply with state licensing laws could derail a construction, engineering or architecture project and even put licenses and payments in jeopardy. Don't take the risk. Turn To The resource that provides comprehensive guidance on the architecture, engineering and contractor license laws for all 50 states And The District of Columbia. State by State Guide to Architect, Engineer and Contractor Licensing gathers all of the vital information you need in one convenient source to help you develop a cost-effective compliance strategy. With State-by-State Guide to Architect, Engineer, and Contractor Licensing, practitioners will

be prepared to handle virtually any state licensing question including Is a license required For The design or construction work that is going to be performed Is a license required before the bid or proposal is submitted? What are the special licensing requirements for partnerships? for corporations? Is a seal for stamping drawings required of design professionals? If so, which design documents must be stamped? Is a license necessary when bidding for work? Who in the organization must stamp these documents? What are the penalties if the license is not received on time? If an agent is managing the construction for an owner, must he obtain a license?

Shakespeare: The Histories Graham Holderness,2000-01-15 Graham Holderness provides a new treatment of Shakespeare's historical dramas by reviewing past sources in light of modern theory, thus redefining the world about which Shakespeare wrote. He begins with the social and cultural context in which these historical plays of chivalric antiquity and masculine virtue were written and suggests that the world depicted in the plays represented a male-dominated aristocracy preoccupied with war and violence. The book reveals antiquity's contradictions in all their glamour and glory, their absurdities and arrogance, and provides alternative contexts for reading Shakespeare's history plays.

Dear White Peacemakers Osheta Moore,2021-05-18 Dear White Peacemakers is a breakup letter to division, a love letter to God's beloved community, and an eviction notice to the violent powers that have sustained racism for centuries. Race is one of the hardest topics to discuss in America. Many white Christians avoid talking about it altogether. But a commitment to peacemaking requires white people to step out of their comfort and privilege and into the work of anti-racism. Dear White Peacemakers is an invitation to white Christians to come to the table and join this hard work and holy calling. Rooted in the life, ministry, and teachings of Jesus, this book is a challenging call to transform white shame, fragility, saviorism, and privilege, in order to work together to build the Beloved Community as anti-racism peacemakers. Written in the wake of George Floyd's death, Dear White Peacemakers draws on the Sermon on the Mount, Spirituals, and personal stories from author Osheta Moore's work as a pastor in St. Paul, Minnesota. Enter into this story of shalom and join in the urgent work of anti-racism peacemaking.

FCC Record United States. Federal Communications Commission,2014-11

ESG and Responsible Institutional Investing Around the World: A Critical Review Pedro Matos,2020-05-29 This survey examines the vibrant academic literature on environmental, social, and governance (ESG) investing. While there is no consensus on the exact list of ESG issues, responsible investors increasingly assess stocks in their portfolios based on nonfinancial data on environmental impact (e.g., carbon emissions), social impact (e.g., employee satisfaction), and governance attributes (e.g., board structure). The objective is to reduce exposure to investments that pose greater ESG risks or to influence companies to become more sustainable. One active area of research at present involves assessing portfolio risk exposure to climate change. This literature review focuses on institutional investors, which have grown in importance such that they have now become the largest holders of shares in public companies globally. Historically, institutional investors tended to concentrate their ESG efforts mostly on corporate governance (the "G" in ESG). These efforts included seeking to eliminate provisions that restrict shareholder rights and enhance managerial power, such as staggered boards, supermajority rules, golden parachutes, and poison pills. Highlights from this section: · There is no consensus on the exact list of ESG issues and their materiality. · The ESG issue that gets the most attention from institutional investors is climate change, in particular their portfolio companies' exposure to carbon risk and "stranded assets." · Investors should be positioning themselves for increased regulation, with the regulatory agenda being more ambitious in the European Union than in the United States. Readers might come away from this survey skeptical about the potential for ESG investing to affect positive change. I

prefer to characterize the current state of the literature as having a “healthy dose of skepticism,” with much more remaining to be explored. Here, I hope the reader comes away with a call to action. For the industry practitioner, I believe that the investment industry should strive to achieve positive societal goals. CFA Institute provides an exemplary case in its Future of Finance series (www.cfainstitute.org/research/future-finance). For the academic community, I suggest we ramp up research aimed at tackling some of the open questions around the pressing societal goals of ESG investing. I am optimistic that practitioners and academics will identify meaningful ways to better harness the power of global financial markets for addressing the pressing ESG issues facing our society.
