The Book on Small Business Ideas Justin Gesso, 2017-11-15 Small Business Ideas for Side Hustlers and Entrepreneurs Stop chasing money-making schemes and cookie-cutter businesses. Real success is personal and is achieved by finding the path on which YOU will thrive. The Book on Small Business Ideas will turn you into an idea and cash flow factory. You'll generate simple small business and side hustle ideas that are meaningful to you. You'll learn how to stay motivated, analyze your ideas, and launch them successfully. The small businesses and side hustles you create are there to generate income, help you fulfill your goals, and increase your freedom. The Book on Small Business Ideas is Your Success Playbook The Book on Small Business Ideas will take you through: ** Understanding your personal drivers, allowing you to generate ideas that achieve your goals. ** Finding your personal motivation to actually see your ideas through to reality. ** Evaluating your small business ideas and side hustles against real-world criteria to determine success potential. ** Launching your ideas effectively in today's competitive environment. The Book on Small Business Ideas is filled with exercises to help you find your passion, generate momentum, and stand out from the crowd. The concepts in this book won't put you at risk, and they won't be complicated. This book will show you how to make much more money on your own, spend time how you want, build a simple business, and quit your day job. We'll do this without putting you at risk financially and without the complexity many people associate with running a business. Alright--before we move on, let me address the three but's I hear most often... BUT starting a small business takes a lot of time, money, and financial risk! America used to be the land of opportunity; now, we have a world of opportunity! Technology has given us all an incredible gift. And yes, launching a small business takes time. But if you do this properly, you'll pick something you're excited to do! When you are brimming with excitement, you'll have no problem waking up a little earlier. You'll want to chase down your dreams and create a better life for yourself. In this book, you'll learn the tools and processes to make room for greatness. And best of all, I'll show you how to do this so your effort is up front, while your fruits last for years to come. BUT running a business is complicated! Many businesses are complicated. Complex processes, custom systems, layers of human resources, and teams of accountants abound! But who said businesses need to be complex? The best small businesses are simple! This is why I love the term money machine. It embodies simplicity. This book will help you avoid the complexities and find the simplest path possible. And finally...BUT it takes someone special to stand out, and I'm not special! If you pick up this book, I think there's a good chance you are special. You are striving for more. You're ready to take control. You're ready to level up your life. Most people won't turn their dreams into reality. But I can help. This book will help you uncover your true drive. You will want to pour your passion into this. You will want to out hustle the competition. You will have the tools to stand out. No more BUTS! I've filled this book with exercises to help you find your passion, generate momentum, and stand out from the crowd. The concepts in this book won't put you at risk, and they won't be complicated. So, the only thing you stand to lose is opportunity. People are taking action every day...now it's your turn.

Money Making Business Ideas- You Can Start from Home with Low Costs Rashi Gupta, 2014-08-08 A large number of people today dream of starting something of their own and wish that they did not have to utilize their capabilities while making money for someone else. If you are one of the above, then this book could be the end of your search. The first few concerns while you start something of your own are the right choice of business and the associated investment requirement. This book places a full stop to your search for lucrative business that you can start from your home with low costs. It lists down more than 30 businesses that can give you good returns and can be operated from the comfort of your home. If you look around yourself, surely you will find a friend or a relative or a friend's friend or your neighbor pursuing their hobby as a business (full time or part time) and most of which will be home based. And are you, on the other hand, still struggling with the choice of business? Has that made you feel left out or indecisive or unconfident? The correct choice of business is an extremely essential step in the process of 'being your own boss'. The book 'Money Making Business Ideas- You Can Start from Home with Low Costs' discusses in detail all the vital steps and concerns of operating a business from home like why your chosen business will work, what is the business model, how will you generate money from it, What can you sell, How will you market your business and what are the raw materials/machinery required. After gathering the above mentioned details of a business, the decision of choosing an appropriate one will no longer be a cumbersome process. This book is designed to help you climb the ladder of success by being your own boss and essentially qualifies as an entrepreneurial tool for anyone who wishes to be self-employed and doesn't have the desired knowledge to go ahead. A growing number of housewives today are willing to work in order to bring in additional money in their households and make a mark for themselves. And working from home is their first preferable choice for earning their identity. A large number of home makers are turning on their entrepreneurial caps and are in a constant search for home based business that can help them fulfill their goals and desires. This book aims at equipping such people with the required knowledge and motivation to start something of their own by sharing the concerns, decisions and choices involved in the process. Once you have made the choice of your business, it helps you to understand the ways in which you can source the capital required and the ways you can operate your small venture. After reading this book, the dilemma surrounding the decision to go solo will be cleared up and you will be all equipped to take on the battle with a shining armor.
