**How to Save Thousands of Dollars on Your Home Mortgage** Randy Johnson,2002-11-06 Find The Home Mortgage That's Right For You Finding the right mortgage can be complex, confusing, and frustrating. But that doesn't mean you have to settle for anything other than the terms you want. This indispensable and newly updated second edition of How to Save Thousands of Dollars on Your Home Mortgage spells out everything mortgage hunters need to know in clear and accessible terms. It covers more loan alternatives than any other book and examines the importance of discount points. It offers complete details on virtually every mortgage option currently available, what advantages each option offers, how to choose the right one for your needs, and how to save money in the process. New information in this edition will help you use the Internet to find a home and get a mortgage, examine automated underwriting models and conforming loan limits, and weigh new shopping strategies. Easy-to-read charts and graphs, helpful sample forms, and numerous examples will help you understand: \* First-time buyers programs \* APR, buy-downs, reverse mortgages, accelerated payoffs, and zero point loans \* Refinancing strategies \* Closing costs, lender fees, and other expenses \* How to dispute credit report errors and fix credit problems \* How to use the Internet for loan analysis

Home Mortgage Loan Processing - Mortgage Lending Kenney,2011-03 Mortgage lending is one of the most secure, respected, and exciting career opportunities available. Each day will bring you challenges that you will overcome, the excitement of helping to create a loan program that meets the needs of both the borrower and the lender, and the satisfaction of helping each borrower achieve their dreams of home ownership. Home Mortgage Loan Processing is an excellent career opportunity that provides stability, advancement, and a sense of satisfaction to each loan processor who obtains the knowledge and skills necessary to excel within the profession. The training contained in the course provides specific information concerning the loan process and the part you and others play in that process. The information we offer in this program provides you with the foundation that you need

to become a well rounded mortgage professional. The top of your field, you will specialize in the overall picture. You will develop the perfect mix of knowledge and skills, add to it the creativity required when overcoming the specific issues that occur during the loan process, and gain the ability to reach the top of your profession. The skills you are attaining will make you a commodity that is in high-demand in the market. Loan officers need efficient loan processors to function well and to achieve success. Underwriters rely on well-trained loan processors to ensure competently prepared loan files. Lending institutions depend on carefully trained and customer service oriented loan processors to enhance their reputation as a lender who cares about the overall experience of each borrower. The room for advancement within the field of home mortgage lending is tremendous. Mortgage lending is a growing industry. This continued growth creates a constant need for properly trained professionals. You will be an integral part of this industry from the first day on the job. As an important part of the industry, you will prove your desire, drive, and abilities daily and thus ensure that advancement opportunities come your way. Loan processing is more than just processing paper. You will be involved in nearly every aspect of the loan. Lending is an exciting industry that fulfills the dreams of your borrowers. A primary portion of your new position will be to assist every individual in overcoming any issue that arises during the loan process that may delay or even stop the loan closing. You will play an essential role in ensuring that each borrower whose file comes across your desk fulfills their dream and becomes a homeowner. The satisfaction you receive from a job well done will keep you excited to return to work each day. Your loan officer and loan office will have small goals as well as large goals. You will be one of the most important components in reaching those goals.
