**The Lost Sheep** A.D.H. Rodgers,

The Rough Guide to Ibiza and Formentera Iain Stewart, 2003 This pocket guide to Ibiza and Formentera provides coverage of all the sights from historic Dalt Vila in Ibiza Town to isolated cove beaches. It includes an insider's guide to the clubs and music scene, as well as critical listings of the best places to eat, drink and sleep. Away from the nightlife, there are details of coastal walks and forest hills and complete historical and cultural background to both islands.

Spain Travel Guide 2024 T Turner, The Spain Travel Guide is the most up-to-date, reliable and complete guide to this wonderful place. Travelers will find everything they need for an unforgettable visit presented in a convenient and easy-to-use format. Includes quick information on planning a visit, navigating the location, experiencing Spanish culture and exploring the beauty of Spain. Also includes a Spanish phrasebook to help you communicate with the locals. Spain, on Europe's Iberian Peninsula, is really 17 autonomous regions, each with its own geography and culture. The capital, Madrid, is home to the Royal Palace and singular Prado museum, housing works by European masters, and Segovia to the north has a fairy-tale medieval castle and Roman aqueduct. Catalonia's capital, Barcelona, is defined by Antoni Gaudí's quirky modernist architecture, including the Sagrada Família basilica.

**The Radio Handbook** Carole Fleming, 2009-09-10 The Radio Handbook is a comprehensive guide to radio broadcasting in Britain. Featuring two entirely new chapters for this edition, You Radio and Sport on Radio, this text offers a thorough introduction to radio in the twenty-first century. Using new examples, case studies and illustrations, it examines the various components that make radio, from music selection to news presentation, and from phone-ins to sport programmes. Discussing a variety of new media such as podcasts, digital radio and web-linked radio stations, Carole Fleming explores the place of radio today, the extraordinary growth of commercial radio and the importance of community radio. The Radio Handbook shows how communication theory informs everyday broadcasts and encourages a critical approach to radio listening and to radio practice. Addressing issues of regulation, accountability and representation, it offers advice on working in radio and outlines the skills needed for a career in the industry.

**Popular Music Fandom** Mark Duffett, 2013-11-07 This book explores popular music fandom from a cultural studies perspective that incorporates popular music studies, audience research, and media fandom. The essays draw together recent work on fandom in popular music studies and begin a dialogue with the wider field of media fan research, raising questions about how popular music fandom can be understood as a cultural phenomenon and how much it has changed in light of recent developments. Exploring the topic in this way broaches questions on how to define, theorize, and empirically research popular music fan culture, and how music fandom relates to other roles, practices, and forms of social identity. Fandom itself has been brought center stage by the rise of the internet and an industrial structure aiming to incorporate, systematize, and legitimate dimensions of it as an emotionally-engaged form of consumerism. Once perceived as the pariah practice of an overly attached audience, media fandom has become a standardized industrial subject-position called upon to sell box sets, concert tickets, new television series, and special editions. Meanwhile, recent scholarship has escaped the legacy of interpretations that framed fans as passive, pathological, or defiantly empowered, taking its object seriously as a complex formation of identities, roles, and practices. While popular music studies has examined some forms of identity and audience practice, such as the way that people use music in daily life and listener participation in subcultures, scenes and, tribes, this volume is the first to examine music fans as a specific object of study.

**The New York Times: 36 Hours. 125 Weekends in Europe** Barbara Ireland,

Travels With My Radio Fi Glover, 2011-05-31 Fi Glover is a bit of a traveller. She loves hotels, air stewardesses and fluffy towelling robes, but above all, she loves radio. One night, whilst recording BBC 2's Travel Show, she found herself in the far reaches of Texas, suffering from a night of line-dancing and an over-enthusiastic radio DJ. She started to wonder about all the places she'd ended up in, all the radio DJs she'd listened to, the way a new radio station made her feel at home and yet gave her the fastest insight into an alien city or community. She decided to take a journey around the world collecting hotel freebies and DJs - from the

charismatic Rose who guided Montserrat through the tragedy of their volcanic eruption to Dr Laura, who talks the dysfunctional of New York through their psychotic days; from the peace-keeping corps of Beirut and their radio-station-in-a-hut to the despairing English football broadcasters in their radio-station-above-a-caf- in Brussels 2000. From Somerset to Beirut, Las Vegas to Vienna, Travels With My Radio is a wonderfully funny and strangely moving quest to find the perfect radio station.

**The Second Summer of Love** Alon Shulman,2019-05-02 'The definitive look at dance music and club culture - a must read' - Paul Oakenfold 'Brilliantly woven collection of aural histories ... a damn fine read' - DJ MAG In 1987, four friends from London, Paul Oakenfold, Danny Rampling, Nicky Holloway and Johnny Walker, took a week-long holiday to Ibiza. What they saw there, and brought back home, would give rise to a new global music and counterculture movement. As the eighties drew to their close, with Thatcherism holding the nation tight in its grip, something funny was happening right across the jungle of Britain's nightlife scene. People were dressing down, not up, to go to clubs. And they were dancing right through the night armed seemingly with only bottles of water. Ecstasy and acid house music had arrived on British shores, and a tribal battle between for the moral future of the nation, between the youth and the establishment, had begun. In The Second Summer of Love, author and dance music promoter Alon Shulman uses exclusive contributions from the world's biggest DJs, including Paul Oakenfold, Carl Cox, Fatboy Slim, Moby, Faithless, Mr C, Farley & Heller, Danny Rampling and many others to faithfully recreate the story of the summers of 1988 and 1989, and chart the birth and rise of Acid House, dance music and club culture right through to the modern day where dance music has become a culturally dominant global industry. Complete with stunning unseen photographs, this is the first authentic account of what really happened in that glorious period - from the politics and the people to the music, the drugs, the fashion and the culture - told by people who were there, as they bring to life the creation of an underground scene which inadvertently altered the course of modern global youth culture forever. 'It's as if house music and rave culture tapped into this ancient predilection of humans to stay up all night dancing and staring into the fire, and just supercharged it with electricity and MDMA' -Moby 'What I was experiencing was right in front of my eyes, it was happening right now and I loved it' -Carl Cox 'It opened my eyes and ears to a different spirit in music' - Fatboy Slim

PC Mag ,2008-02 PCMag.com is a leading authority on technology, delivering Labs-based, independent reviews of the latest products and services. Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology.

Superstar DJs Here We Go! Dom Phillips,2009-03-05 It was about larging it. It was about pulling out a wad of 20s when you were buying your champagne at the bar. It was about buying your cocaine in an eight ball. It was about wearing designer clothes. At that top tier of that club scene, it was about giving it loads. With a foreword by music journalist, Miranda Sawyer, Superstar DJs Here We Go! is the full, unexpurgated story of the biggest pop culture phenomenon of the 1990s: the rise and fall of the superstar DJ. During the 1990s big names such as Sasha, Jeremy Healy, Fatboy Slim, Dave Seaman, Nicky Holloway, Judge Jules, and Pete Tong exploded out of acid house, becoming international jetsetters, flying all over the world just to play a few hours and commanding up to £140,000 a night. The plush, heavily branded 'superclubs' where they performed - clubs like Cream, Ministry, Renaissance and Gatecrasher - were filled with thousands of adoring clubbers, roaring their approval of their DJ gods. For the DJs and promoters, it was a licence to print money and live like a rock star. For clubbers, it was a hedonistic utopia where anyone and everyone could come together to look fabulous, take drugs, and dance the night away. But underneath the shiny surface lurked a darker side, a world of cynical moneymaking, rampant egos and cocaine-fuelled self-indulgence that eventually spiralled out of control leaving behind burnt-out DJs, jobless promoters and a host of bittersweet memories. They went from having the clubbing world at their feet to the world's biggest comedown. Dom Phillips - former editor of clubbers' bible Mixmag - reveals an enthralling and at times jaw-dropping account of flawed people, broken dreams and what really happens when it all goes Pete Tong.

*True Ibiza Stories* Q. DeRHINO,2011-12-19 A Journey through the world of the 21st century Global Convergence. One Mans journey down that Road. A tale of the road less traveled...

Billboard ,2002-07-06 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

**Rave On** Matthew Collin,2018-10-09 Peace, Love, Unity, and Respect. Cultural liberation and musical innovation. Pyrotechnics, bottle service, bass drops, and molly. Electronic dance music has been a vital force for more than three decades now, and has undergone transformation upon transformation as it has taken over the world. In this searching, lyrical account of dance music culture worldwide, Matthew Collin takes stock of its highest highs and lowest lows across its global trajectory. Through firsthand reportage and interviews with clubbers and DJs, Collin documents the itinerant musical form from its underground beginnings in New York, Chicago, and Detroit in the 1980s, to its explosions in Ibiza and Berlin, to today's mainstream music scenes in new frontiers like Las Vegas, Shanghai, and Dubai. Collin shows how its dizzying array of genres—from house, techno, and garage to drum and bass, dubstep, and psytrance—have given voice to locally specific struggles. For so many people in so many different places, electronic dance music has been caught up in the search for free cultural space: forming the soundtrack to liberation for South African youth after Apartheid; inspiring a psychedelic party culture in Israel; offering fleeting escape from—and at times into—corporatization in China; and even undergirding a veritable “independent republic” in a politically contested slice of the former Soviet Union. Full of admiration for the possibilities the music has opened up all over the world, Collin also unflinchingly probes where this utopianism has fallen short, whether the culture maintains its liberating possibilities today, and where it might go in the future.

Continuum Encyclopedia of Popular Music of the World, Volume 1 John Shepherd,David Horn,Dave Laing,Paul Oliver,Peter Wicke,2003-03-06 The Bloomsbury Encyclopedia of Popular Music Volume 1 provides an overview of media, industry, and technology and its relationship to popular music. In 500 entries by 130 contributors from around the world, the volume explores the topic in two parts: Part I: Social and Cultural Dimensions, covers the social phenomena of relevance to the practice of popular music and Part II: The Industry, covers all aspects of the popular music industry, such as copyright, instrumental manufacture, management and marketing, record

corporations, studios, companies, and labels. Entries include bibliographies, discographies and filmographies, and an extensive index is provided.

**Billboard** ,2007-07-21 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. **On the Record** Luke Crisell,Phil White,Rob Principe,2009-04-14 In the three decades since Kool Herc first put the same record on two side-by-side turntables, DJs have moved out of city parks, house and block parties, and the darkened booths of nightclubs, and onto center stage, performing before admiring crowds of thousands. They have not only given rise to hip-hop and house—DJs have influenced fashion, film, TV, and more. With On the Record, Scratch DJ Academy, the premiere institution for DJ education, brings together years of training and expertise to create an authoritative guide to the dynamic art of DJing. More than just a how-to, this is a sonic adventure, guiding you through forty years of music, creativity, and culture. From beat matching to body tricks, Grandmaster Flash to Fatboy Slim, the Bronx to Ibiza, On the Record is an all-in-one guide. So whether you're learning the ropes, considering going pro, or just want insight into a broader range of music, this book is for you.

*CMJ New Music Report* ,2002-12-02 CMJ New Music Report is the primary source for exclusive charts of non-commercial and college radio airplay and independent and trend-forward retail sales. CMJ's trade publication, compiles playlists for college and non-commercial stations; often a prelude to larger success.

**On Air: Untold Stories from Caldecott Hill** Various,2019-06-15 This collection of 51 essays contains rich memories of Singapore’s broadcasting pioneers based in their station atop Caldecott Hill. ON AIR captures the breadth and depth of their experiences over 82 years on the Hill; from the founding in 1936 of the British Malayan Broadcasting Corporation, to Radio and Television Singapore (RTS), to Singapore Broadcasting Corporation (SBC), and finally to what is today, Mediacorp. In this book, the writers have recorded eight decades worth of work experiences and have shared untold stories from the Japanese Occupation of Caldecott Hill, to the fascinating behind-the-scenes happenings that cast light and well known and well loved shows. Illustrated with rare, archival photographs, many not seen before, this publication is the first of its kind that gives an insight into the development of broadcasting in Singapore.
