Soul Kitchen Poppy Z. Brite,2006-07-25 A sharp commentary on race relations in pre-Katrina New Orleans and a fast ride through the dark side of haute cuisine. Liquor has become one of the hottest restaurants in town, thanks in part to chefs Rickey and G-man's wildly creative, booze-laced food. At the tail end of a busy Mardi Gras, Milford Goodman walks into their kitchen—he's spent the last ten years in Angola Prison for murdering his boss, a wealthy New Orleans restaurateur, but has recently been exonerated on new evidence and released. Rickey remembers him as an ingenious chef and hires him on the spot. When a pill-pushing doctor and a Carnival scion talk Rickey into consulting at the restaurant they're opening in one of the city's "floating casinos," Rickey recommends Milford for the head chef position and stays on to supervise. But soon Rickey finds himself medicating a kitchen injury with the doctor's wares, and G-man grows tired of holding down the fort at Liquor alone. As the new restaurant moves toward its opening, Rickey learns that Milford's past is inextricably linked with one of the project's backers, a man whose intentions begin to seem more and more sinister.

Farmlines: Living In the Days of Dumb Phones and Analog Apps Dan Gogerty,2014-05-01 Farmlines are the threads that connect people to a place—in this case, a family farm in a time when kids downloaded games in the grove or haymow or from a Parker Brothers box; where they accessed apps by running out the door to a tree house, snow fort, or pickup baseball game; where they made social media connections by talking, scheming, sharing, fighting, and linking up with kids in the community. Times change, but these Farmlines continue to get passed along through stories, daily activities, hopes, disappointments, subtle rituals—through handwritten letters and homemade bread. Comments about Gogerty's Writing Gogerty develops snapshot messages that expand to enhance the entire narrative. His writing is incredibly clear and yet so lyrical that its precision is not too formal. He infuses the essays with lots of humor and good will and peaceful energy.
