Valuation Handbook - U.S. Guide to Cost of Capital Roger J. Grabowski, James P. Harrington, Carla Nunes, 2017-06-09 The Valuation Handbook – U.S. Guide to Cost of Capital, 2011 Essentials Edition includes two sets of valuation data: Data previously published in the 2011 Duff & Phelps Risk Premium Report Data previously published in the Morningstar/Ibbotson 2011 Stocks, Bonds, Bills, and Inflation (SBBI) Valuation Yearbook The Valuation Handbook – 2011 U.S. Essentials Edition includes data through December 31, 2010, and is intended to be used for 2011 valuation dates. The Valuation Handbook – U.S. Guide to Cost of Capital, Essentials Editions are designed to function as historical archives of the two sets of valuation data previously published annually in: The Morningstar/Ibbotson Stocks, Bonds, Bills, and Inflation (SBBI) Valuation Yearbook from 1999 through 2013 The Duff & Phelps Risk Premium Report from 1999 through 2013 The Duff & Phelps Valuation Handbook – U.S. Guide to Cost of Capital from 2014 The Valuation Handbook – U.S. Essentials Editions are ideal for valuation analysts needing historical valuation data for use in: The preparation of carve-out historical financial statements, in cases where historical goodwill impairment testing is necessary Valuing legal entities as of vintage date for tax litigation related to a prior corporate restructuring Tax litigation related to historical transfer pricing policies, etc. The Valuation Handbook – U.S. Essentials Editions are also designed to serve the needs of: Corporate finance officers for pricing or evaluating mergers and acquisitions, raising private or public equity, property taxation, and stakeholder disputes Corporate officers for the evaluation of investments for capital budgeting decisions Investment bankers for pricing public offerings, mergers and acquisitions, and private equity financing CPAs who deal with either valuation for financial reporting or client valuations issues Judges and attorneys who deal with valuation issues in mergers and

acquisitions, shareholder and partner disputes, damage cases, solvency cases, bankruptcy reorganizations, property taxes, rate setting, transfer pricing, and financial reporting For more information about Duff & Phelps valuation data resources published by Wiley, please visit www.wiley.com/go/valuationhandbooks.

Social Media and the Politics of Reportage S. Bebawi,D. Bossio,2014-09-23 Social Media and the Politics of Reportage explores the journalistic challenges, issues and opportunities that have risen as a result of social media increasingly being used as a form of crisis reporting within the field of global journalism, with a focus on the protests during the 'Arab Spring'.

The Routledge Companion to Copyright and Creativity in the 21st Century Michelle Bogre,Nancy Wolff,2020-11-25 These collected chapters and interviews explore the current issues and debates about how copyright will or should adapt to meet the practices of 21st-century creators and internet users. The book begins with an overview of copyright law basics. It is organized by parts that correspond to creative genres: Literary Works, Visual Arts, Fine Art, Music, Video Games and Virtual Worlds, Fashion, and Technology. The chapters and interviews address issues such as copyright ownership in work created by Artificial Intelligence (AI), the musical remix market, whether appropriation is ever a fair use of a copyrighted work or if it is always theft, and whether internet-based platforms should do more to deter piracy of creators' works. Each part ends with an essay explaining the significance of one or two landmark or trendsetting cases to help the reader understand the practical implications of the law. Written to be accessible to both lay and legal audiences, this unique collection addresses contemporary legal issues that all creators need to understand and will be essential reading for artists, designers, and musicians as well as the lawyers who represent them.

The Troubles of Journalism William A. Hachten,2005-01-15 This book looks at criticisms of the journalism profession and evaluates many of the changes in journalism--both positive and negative. In addition, it suggests what the many changes mean for this nation and indeed for the world at large, as American journalism--its methods and standards--has markedly influenced the way many millions overseas receive news and view their world. Based on author William Hachten's 50-year involvement with newspapers and journalism education, *The Troubles of Journalism* serves as a realistic examination of the profession, and is appropriate for upper-level undergraduate courses in journalism and media criticism. Since the previous edition of *The Troubles of Journalism*, many significant challenges have occurred in the media: the events of September 11, the war on terrorism, mergers and consolidation of media ownership, new concerns about press credibility, the expanding and controversial role of cable news channels, the growing impact role of news and comment on the Internet, and continuing globalization and controversy over the role of American media in international communications. To do justice to these recent troubles of the news media, important additions and modifications have been made in every chapter of this Third Edition.

Web-based Intelligent E-learning Systems Zongmin Ma,2006-01-01 This book offers a complete understanding of the notions, techniques, and methods related to the research and developments of web-based e-learning systems--Provided by publisher.
