Journalism, Satire, and Censorship in Mexico Paul

Gillingham,Michael Lettieri,Benjamin T. Smith,2018-12-15 Since the 2000 elections toppled the PRI, over 150 Mexican journalists have been murdered. Failed assassinations and threats have silenced thousands more. Such high levels of violence and corruption question one of the fundamental assumptions of modern societies, that democracy and press freedom are inextricably intertwined. In this collection historians, media experts, political scientists, cartoonists, and journalists reconsider censorship, state-press relations, news coverage, and readership to retell the history of Mexico's press.

Safe House Gary Gregor,2022-01-22 An undercover Federal Police

Officer. Two Mexican assassins. Australian hitmen on Harleys. A corrupt federal cop. An eclectic mix of personalities - all with opposing agendas. Jackson Traynor worked deep undercover as a senior, trusted member of the Australian arm of an illegal drug syndicate, overseeing the distribution of tons of illegal drugs imported into the country from Mexico. Now, Traynor has enough evidence to send a lot of people to prison for a very long time. But betraying Australia's most infamous crime family while hiding your true identity was always going to have consequences. When two of his loved ones are savagely murdered, the authorities decide that Traynor should be placed in Witness Protection - in a safe house - somewhere where they will never find him. When the safe house is compromised, Northern Territory Major Crime Detectives Russell Foley and Sam Rose are sent from Alice Springs to escort Traynor to another location, but as the cushy baby-sitting job becomes the very opposite, they face a desperate battle to keep their witness safe. But can they stay alive in the process?

Foley & Rose Collection Gary Gregor, 2022-07-07 All seven books in Gary Gregor's 'Foley & Rose', a series of Australian crime novels, now in one volume! Vengeance List: After a cop is brutally killed at the police headquarters in steamy Darwin, right under the noses of his colleagues, lead homicide investigator Russell Foley is assigned to the case. More murders soon follow, leaving investigating officers baffled. Meanwhile, Sam Rose - private investigator, former police detective and one-time best friend of Russell Foley - is hired to covertly investigate the killings. Can Russell and Sam put their past differences aside, and catch the killer before he claims another victim? Lasseter's Cave: It's desolate and dangerous, and about as deep into the infamous Australian outback as anyone would dare to venture. An

eminent neurosurgeon and his family are shot dead, their bodies left to the ravages of the desert sun. Detective Inspector Russell Foley and his best friend, Detective Sergeant Sam Rose, are sent into the heart of the legendary Harold Lasseter, Lost Reef of Gold country, to investigate the brutal murders. But is it Gold Fever, the twisted mind of a deranged killer protecting that which he believes is his... or something else entirely? *Bones In The Well*: Skeletal remains of several young women have been discovered in the bottom of a long-abandoned well, and Major Crime Investigators Russell Foley and Sam Rose are assigned to the case. They soon learn a number of young backpackers have been reported missing in the area. As yet another young girl is reported missing, Foley and Rose find themselves in a race against time to find her before she becomes another victim at the bottom of the well. *The Petticoat Gang*: Young, beautiful and deadly, best friends Amber, Ebony and Anna are on a mission to leave a past littered with tragedy behind them. Spurred by the promise of a future free of financial hardship, they travel to Alice Springs to rob banks and kill their way to a better life. Major Crime investigators Russell Foley and Sam Rose are assigned to the case, and they pursue the three desperate, determined women north. In a frantic chase to catch the killers and save lives, can they prevent more people from becoming victims of the Petticoat Gang? *Safe House*: An undercover Federal Police Officer, two Mexican assassins and Australian hitmen on Harleys all seem to be involved in Foley & Rose's next case. Jackson Traynor worked deep undercover for years, gaining the trust of the Australian arm of a drug syndicate. Now, he has enough evidence to send a lot of people to prison for a long time. The authorities place Traynor to Witness Protection, and Northern Territory Major Crime Detectives Russell Foley and Sam Rose are

sent from Alice Springs to escort Traynor. **Snatched!:** An abandoned military training base hidden in the middle of the Australian outback. A school teacher and her class, kidnapped in broad daylight. A ransom demand of two million dollars, three former Australian Army commandos, and a desperate, corrupt politician. Major crime detectives Russell Foley and Sam Rose are assigned to find the hostages, bring them home safe and sound, and capture the kidnappers in the process. But can they find the teacher and her class before the kidnappers carry out their threat and kill them all? **Desert Demon:** Major Crime investigators Russell Foley and Sam Rose are on the hunt again. This time their prey is using the remote Aussie Outback as a hiding place and killing innocent holidaymakers near some of the Territory's popular tourist attractions. Boxed in the iconic Kata Tjuta, the killer seems prepared to go to any lengths in order to make his way out. And this time, Sam's girlfriend's life is also on the line. But will she become another one of the killer's victims, and can Foley & Rose survive the inevitable final confrontation with the killer?

The Pajaro Murder David Doglietto, 2020-05-19 Life in a state prison is seldom seen and even more seldom understood. It is a strange and often dangerous world. Scott Doggett is a seasoned prison investigator with twenty-eight years of experience and the goal of a comfortable retirement somewhere on the approaching horizon. Daily he accepts the challenges of conducting major criminal investigations in the custodial setting. *The Pajaro Murder and Other Stories* is based, in part, on actual investigations conducted at California state prisons,

with the greatest due deference to their investigators. The stories involve a world that is, for the most part, unknown to anyone outside the correctional system. It is, at times, an unbelievable world, but it is a real world. More than anything, these stories are lessons in investigative procedure, interview techniques, and the application of forensic sciences in solving crimes. The exact details and names of all involved have been changed to protect the innocent, as well as the guilty.
