Ibne Safi

The Perfect Gentleman Imran Ahmad,2012-04-03 Both deliciously funny and deeply insightful, THE PERFECT GENTLEMAN is a beguiling multi-layered memoir that has touched the hearts of readers all over the world. At the age of one, Imran Ahmad moved from Pakistan to London, growing up torn between his Islamic identity and his desire to embrace the West. Join Imran in his lifelong struggle against corruption and injustice, and as he grapples with some of Life's most profound questions. What does God do exactly? Do you automatically go to Hell for following the wrong religion? How do you persuade a beautiful woman to become your girlfriend (and would driving a Jaguar XJS help?) Can you maintain a James Bond persona without the vodka, cigarettes and women - even whilst your parents are trying to arrange your marriage? Imran's unimagined journey makes thoughtful, compelling, and downright delightful reading. With a unique style and unflinching honesty, THE PERFECT GENTLEMAN addresses serious issues in an extraordinarily light way, and will leave readers both thinking deeply and laughing out loud.

Bahurupiya Nawab Ibne Safi,2014-09-12 Bahurupiya Nawab is the third book of Imran series. Though the plot is based on lust for money and property, but it has been weaved in a great manner by Ibne Safi. This story is about the female heir of a Nawab family who is trapped and repeatedly duped by her own uncle in his quest for richness.

The Perfect Gentleman Imran Ahmad,2014-07 Imran Ahmad shares his story of life as a Pakistani Muslim growing up in England in this coming-of-age memoir--Provided by the

publisher.

Unimagined Imran Ahmad, 2007 Imran Ahmad remembers his childhood in a series of vivid snapshots: outrage as deserved victory is snatched away from him in the Karachi Bonnie Baby contest; being tricked out of his collection of Tarzan bubblegum cards by a junior con artist; the heady taste of success in the Metropolitan Police schools quiz; joy at passing the entrance exam to the local grammar school; and shock at experiencing racist abuse from pupils, neighbors, and strangers. After moving to London from Karachi at age two, Imran's response to his strange new surroundings is to engage in an eternal quest to become the quintessential English gentleman: tie perfectly knotted, shirt pristinely ironed, hair neatly combed. Like most boys, he also has a parallel obsession with cars and girls: he yearns to go driving off into the distance in a Jaguar XJS and encountering danger, adventure, and a vivacious brunette. This is a lighthearted and amusing look at the results of East meeting West inside the head of a precocious and headstrong boy. At age one, Pakistan-born Imran Ahmad moved to London and grew up torn between his Islamic identity and his desire to embrace the West. In this endearing memoir, Imran recalls his childhood in a series of vivid snapshots: outrage as deserved victory is snatched away from him in the Karachi Bonnie Baby contest by third world corruption and injustice; bitterness as he is tricked out of his collection of Tarzan bubble-gum cards by junior con artists; the heady taste of success in the Metropolitan Police schools quiz; joy at passing the entrance exam to the local grammar school; uncertainty as he seeks to become a doctor; bewilderment as he tries to learn about women at university; and shock at experiencing racism in its many forms. As he grows, Imran stumbles though life encountering colorful characters,

philosophical dilemmas, and theological threats. Will he really be “left behind” if he doesn’t embrace Jesus Christ as his personal saviour? Will he be sent to Hell for having coffee with girls (especially non-Muslim ones)? Is there a correlation between studying and passing exams, or is it entirely the will of God? Is it okay to be Western and Muslim, or are the two irreconcilable? And what about America, that alluring land of many contradictions? Eventually Imran embarks on a determined quest to become the quintessential English gentleman: tie perfectly knotted, shirt pristinely ironed, hair neatly combed. Like most boys, he has a parallel obsession with cars and girls: he yearns to drive off into the distance in a Jaguar XJS and encounter danger, adventure—and a vivacious young woman (preferably brunette, but any kind considered). Today Imran continues to write on his website <http://www.unimagined.org> and his blog <http://www.unimagined.typepad.com>. A book of the year pick by both The Guardian and The Independent, this is a deliciously funny and painfully insightful look at a life lived between two worlds.

Let There Be Justice B. J. Sadiq, 2017-05-23 Imran Khan has been in the spot light again. On this occasion not for his cricket but for his defiant presence on the political canvas of Pakistan. While he is not a starter in politics, exhausting his ribs through roaring public speeches, and has languished around for nearly two decades, it is only now that he is being perceived as a serious contender. Imran's personal life and character has already drawn a lot of coverage. Rising from the depths, his movement for justice party enjoys a strong voice in the opposition. He has managed to draw huge crowds at voting booths--an uncommon spectacle in Pakistan. His opponents hate his guts, and more so, the coverage he gets in the social media. 'Politeness has never been one of his virtues, ' concedes an

average Nawaz Sharif faithful, rather curtly. His contemporaries may despise him for his open stage bluntness and tongue-lashing, but the man undoubtedly possesses tremendous persuasive powers to bring about people to his line of thinking. The youth loves him, believes in him and so, empowers him. His ideas are revolutionary and prophetic. He remains a celebrated figure and a serious crowd puller. Imran Khan's arduous political journey is a territory that deserves to be explored.
