The 5 Keys To Inner Peace John George,2015-12-15 Are you tired of going on an emotional rollercoaster? Sick of having your buttons pushed by others? Keep getting confused as to what you should do with your life? From being diagnosed with clinical depression to living an inspired life, John explains life's natural blueprint for creation that simply flows. Peace comes first, followed by purpose, which leads to high performance. Flow occurs, allowing you to create without struggling and straining. In The Five Keys to Inner Peace, John outlines a simple science to being at peace that is remarkably simple, transforming the lives of those who apply the five keys. Quite simply, human beings are not at peace when one or more of the five keys are out of balance. When you balance all five through simple action steps, you have nowhere left to fall. The uneasy feeling in your chest is replaced by a sense of peace, which allows you to make better decisions in all areas of life. This book will help readers regain a sense of who they truly are and rediscover what they came into this world with: inner peace and self-love. "I was fortunate to be coached by John on the five keys to inner peace. As a counselor myself, it really opened my eyes to a whole new way of living. Most importantly it improved my relationships with my husband and daughter. You will never see yourself or life the same way again. Do yourself a huge favor and read the book." —Netia M.

*Meditation* Brian L. Weiss, 2015-01-05 Meditation is a technique that can be used to experience peace, tranquility, and an inner beauty, leading us to rethink everything around us, even ourselves. It prompts us to trust in the ability we have to use and direct our energies to purify our bodies and minds . . . so that we can discover and develop our spirituality. Brian Weiss, M.D., has written a very special book to help with the practice of meditation (an audio download is also included to guide you through the process). *Meditation: Achieving Inner Peace and Tranquility in Your Life* includes the techniques Dr. Weiss uses on his patients, many of whom have conquered insomnia, anxiety, phobias, weight issues, and disease. Meditation can also lower blood pressure, strengthen the immunological system, and reduce stress. As Dr. Weiss says, "It all starts by closing our eyes, relaxing our muscles, and slowing down our breathing. Little by little, we ask our minds to block out the clamoring voices that usually bombard it. . . . This means living this moment intensely, letting go, and surrendering." This book is the first step on a more peaceful, relaxing journey through life.

**The Journey to Inner Peace** Paul Feider, 2013-09-01 Peace is my farewell to you, my peace is my gift to you (John 14:27). With these words, Jesus established his legacy to humankind. Yet the journey to peace is not an easy one. Father Feider presents a step-by-step understanding of inner peace, its importance as a gift from God and as a means for discovering the real meaning of life. Writing in a simple, experiential manner, he gathers together and explains the primary healing themes, and makes accessible to the reader the experiences of reconciliation, courage, inner healing, and listening to the Lord. He develops and explains six principles, and follows each with a reflective section composed of a prayer and several selections from Scripture. It is a summary of my thoughts and experiences from working with people on their journey toward inner peace, he explains. It dares to journey into the mystery of the silent confidence of Jesus and those who follow him. It is a journey into ourselves.

The lives of outstanding figures such as the Buddha, Walt Whitman, and Gandhi are used to connect the ideal of inner peace with how real people cultivate peace in their everyday lives.
