Divinity of a Birth Robert Geis,2011 Many scholars maintain that the

Gospels should be dated later than they currently are. In *Divinity of a Birth*, Robert Geis reveals why this claim lacks foundation. Prophecy, the key to evidence of the Divine in human existence, is best demonstrated with a dating nearest to the time of the prophesied event. This work argues lexically for evidence of a Semitic substrate in much of the New Testament (NT) Gospels. This makes the timing of its composition an aid to the thesis that the Old Testament (OT)--a source of NT prophecy--was a Divine instrument, as the NT narratives of Christ make clear. The prophecies of the OT, therefore, support the claim of the divinity of Christ's birth. Geis carefully analyzes prophecies such as the virginity of Mary and argues for a stringent interpretation of Luke's claim to accuracy.

From Ocean to Desert Janet Sunderland, 2021-07-20 A self-professed Seeker/Hermit, as well as Critic and Wise Woman/Crone, Janet Sunderland spent a lifetime trying to find healing, purpose, a spiritual community, and God. *From Ocean to Desert* recounts the part of her journey that began in Hawaii and ended in Kansas, with extended stays in Georgia and New Mexico, and short layovers in Washington, D.C. An intense and life-changing stay at a retreat center near Volcano, Hawaii, gave her space to examine the many dimensions of her life with a supportive, yet challenging, circle of healers, therapists, artists, and spiritual enthusiasts. Her next stop was Georgia, where she lived with her son's family and enrolled her grandson into first grade, while also teaching writing at a nearby college. Yearning for more, she then moved

to Santa Fe, New Mexico, eager to complete studies at St. John's College, a university program in the Great Books. There her mind and spirit were stretched and strengthened by the best thinkers and writers of all time, and she at last found a spiritual community, The Church of Antioch, that brought her healing, a sense of purpose, and a deep understanding of God. After graduating from St. John's, she entered seminary and was ordained a priest. Her next move took her back to Kansas, where her journey first began. She now lives in Kansas City with her husband, Cliff Kroski.

Light Boxes Shane Jones, 2010-05-25 A poignant and fantastical first novel by a timeless new literary voice. With all the elements of a classic fable,

vivid descriptions, and a wholly unique style, this idiosyncratic debut introduces a new and exciting voice to readers of such authors as George Saunders, Kurt Vonnegut, and Yann Martel. In *Light Boxes*, the inhabitants of one closely-knit town are experiencing perpetual February. It turns out that a god-like spirit who lives in the sky, named February, is punishing the town for flying, and bans flight of all kind, including hot air balloons and even children's kites. It's February who makes the sun nothing but a faint memory, who blankets the ground with snow, who freezes the rivers and the lakes. As endless February continues, children go missing and more and more adults become nearly catatonic with depression. But others find the strength to fight back, waging war on February.
