The Final Blasphemy to the Face of an Angry God Gary Brannock,2011-06 Just what was the Lost Ark of the Covenant? Was it just an elaborately designed golden layered box that carried the Ten Commandments? The Bible's book of Exodus states that God communed with His chosen people by speaking through Moses when he sat on the mercy seat of the Ark.

An Antidote Against Blasphemy John Brinsley,2013-04-09 Printed by Edmund Calamy, and with a hearty recommendation from Simeon Ashe, this powerful work by John Brinsley explains 2 Timothy 3:2, "For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers..." He explains that in his day (and now in ours) there were those who sigh and cry for many abominable blasphemies which are expressed and belched out into the face of God's Divine Majesty. His purpose is to demonstrate and create a Scriptural antidote to the many contagions that roam the corridors of the church, and blaspheme Jesus Christ and his people. In this masterful treatise he covers the biblical definitions of blasphemy, how God is personally blasphemed, what are heretics and false professors, gives a number of applications to the text, and demonstrates how Christians may avoid blaspheming God. You may think, I don't do that so I don't need this work, but that would be presumptuous. Every Christian, every day, is faced with various instances of bringing reproach to Christ and his word. This work is an antidote to those temptations. This is not a scan or facsimile, has been updated in modern English for easy reading and has an active table of contents for electronic versions.

My Before and After Life Risa Miller,2010-02-08 A story of the sometimes prickly relationship between adult children and their parents In Risa Miller's new novel, the first since the highly-acclaimed Welcome to Heavenly Heights—one family member tries on a faith that seems like a bad fit for the rest. Honey and Susan, two sisters in Boston, are shocked to learn that their elderly father has embraced Orthodox Judaism while on vacation in the Holy Land. His daughters fly to Israel to convince him to return, but when they get there they find it hard to communicate their concerns as he

tries to educate them on the finer points of religious life. Honey feels abandoned and angry. But the anger turns into an emotion she can't quite identify or accept during the course of the trip. And while she is still enraged, it becomes increasingly difficult for Honey to figure out exactly why she has condemned her father's choice.

Free at Last Asia Bibi, 2020-09-01 After drinking water from the same glass as a Muslim woman, Asia Bibi, a Christian, was sentenced to hang by the Islamic Republic of Pakistan in 2010 on charges of blasphemy. Bibi's case polarized all of Pakistan and mobilized international support from across the globe, including politicians, journalists, and countless organizations and supporters who fought for her freedom. For nine long years, Bibi awaited death in prison until she was formally acquitted in January 2019. Now a political exile, Bibi is reunited with her family in the West, but she will never be allowed to return to her homeland. Asia and journalist Anne-Isabelle Tollet, who championed Asia's cause for nearly a decade, share her story—one that reveals the heart and mind of a woman who refused to renounce her faith and unwittingly became the global symbol of the fight against religious extremism.

Eyes On You: A Blasphemy Novella Laura Kaye, 2017-10-09

The Book of Heaven Patricia Storace, 2014-11-04 From the author of the acclaimed *Dinner with Persephone* comes a radically original novel about four women who invite us to imagine the divine anew: what if “a woman’s point of view” were also God’s? Patricia Storace’s *Eve* begins by telling us her version of what happened in Eden, and by revealing that our familiar constellations conceal other heavens we have never allowed ourselves to see. Each of the four subsequent chapters is the story of one of these new zodiacs, featuring images central to women: a knife, a cauldron, a garden, a pair of embracing lovers. The four women whose stories they tell are Job’s daughter, the Queen of Sheba, a polytheistic cook, and a transformed Sarah, wife of Abraham. Storace brilliantly reimagines the worlds of these women, freeing them from the old tales in which they were trapped and putting them in the foreground of their stories and of the Old Testament itself.

The Circle Dave Eggers, 2013-10-08 INTERNATIONAL BESTSELLER • A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a “compulsively readable parable for the 21st century” (*Vanity Fair*). When Mae Holland is hired to work for the Circle, the world’s most powerful internet company, she feels she’s been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users’ personal emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the cozy dorms for those who spend nights at work, she is thrilled with the company’s modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can’t believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman’s ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.

What Every Christian Needs to Know About the Qur'an James R. White, 2013-05-01 A Look Inside the Sacred Book of One of the World's Fastest-Growing Religions What used to be an exotic religion of people halfway around the world is now the belief system of people living across the street. Through fair, contextual use of the Qur'an as the primary source text, apologist James R. White presents Islamic beliefs about Christ, salvation, the Trinity, the afterlife, and other important topics. White shows how the sacred text of Islam differs from the teachings of the Bible in order to help Christians engage in open, honest discussions with Muslims.

Who Is This Man? John Ortberg, 2012-08-07 The day after Jesus' death, whatever small mark he made on the world seemed destined to disappear. Instead, his impact on human history has been unparalleled, leading believers and nonbelievers alike to ask, Who Is This Man? In *Who Is This Man*, bestselling author John Ortberg explores the paradox of Jesus, history's most familiar figure while simultaneously the man no one knows. *Who Is This Man* traces Jesus' incredible life and legacy from his days on Earth to the present moment, showing us: How his vision of life continues to haunt and challenge humanity The ways his influence has inspired movements in art, science, government, medicine, and education How his lessons about dignity, compassion, forgiveness, and hope continue to influence humanity Join John Ortberg as he shares how Jesus' influence has swept over history and how his vision of life continues to impact us today. Praise for *Who Is This Man?*: Sometimes in the clutter and noise of 'religion,' we lose sight of who Jesus is. Once again, John Ortberg helps us do what he does best: he helps us see God as he really is and connect with him amid all the noise. This book is a gift. --Dr. Henry Cloud, psychologist, coauthor of the bestselling *Boundaries* books We live in a period where the divide between the secular and the sacred has never been greater. *Who Is This Man?* bridges this gap by sharing in his inimitable and entertaining style the undeniable and profound impact of Jesus Christ on our world. His impact, over two thousand years later, is more profound on the day-to-day lives of people--believers or not--than the impact of any other person at any point in history. John shows how Christ came to teach us how to live and in the process changed the world forever and for good. --Ron Johnson, CEO, J. C. Penney

Islam, Blasphemy, and Human Rights in Indonesia Daniel Peterson, 2020-01-07 Using the high-profile 2017 blasphemy trial of the former governor of Jakarta, Basuki 'Ahok' Tjahaja Purnama, as its sole case study, this book assesses whether Indonesia's liberal democratic human rights legal regime can withstand the rise of growing Islamist majoritarian sentiment. Specifically, this book analyses whether a 2010 decision of Indonesia's Constitutional Court has rendered the liberal democratic human rights guarantees contained in Indonesia's 1945 Constitution ineffective. Key legal documents, including the indictment issued by the North Jakarta Attorney-General and General Prosecutor, the defence's 'Notice of Defence', and the North Jakarta State Court's convicting judgment, are examined. The book shows how Islamist majoritarians in Indonesia have hijacked human rights discourse by attributing new, inaccurate meanings to key liberal democratic concepts. This has provided them with a human rights law-based justification for the prioritisation of the religious sensibilities and religious orthodoxy of Indonesia's Muslim majority over the fundamental rights of the country's religious minorities. While Ahok's conviction evidences this, the book cautions that matters pertaining to public religion will remain a site of contestation in contemporary Indonesia for the foreseeable future. A groundbreaking study of the Ahok trial, the blasphemy law, and the contentious politics of religious freedom and cultural citizenship in Indonesia, this book will be of interest to academics working in the fields of religion, Islamic studies, religious studies, law and society, law and development, law reform, constitutionalism, politics, history and social change, and Southeast Asian studies.

The Crisis of Islamic Civilization Ali A. Allawi, 2009 Islam as a religion is central to the lives of over a billion people, but its outer expression as a distinctive civilization has been undergoing a monumental crisis. Buffeted by powerful adverse currents, Islamic civilization today is a shadow of its former self. The most disturbing and possibly fatal of these currents—the imperial expansion of the West into Muslim lands and the blast of modernity that accompanied it—are now compounded by a third giant wave, globalization. These forces have increasingly tested Islam and Islamic civilization for validity, adaptability, and the ability to hold on to the loyalty of Muslims, says Ali A. Allawi in his provocative new book. While the faith has proved resilient in the face of these challenges, other aspects of Islamic civilization have atrophied or died, Allawi contends, and Islamic

civilization is now undergoing its last crisis. The book explores how Islamic civilization began to unravel under colonial rule, as its institutions, laws, and economies were often replaced by inadequate modern equivalents. Allawi also examines the backlash expressed through the increasing religiosity of Muslim societies and the spectacular rise of political Islam and its terrorist offshoots. Assessing the status of each of the building blocks of Islamic civilization, the author concludes that Islamic civilization cannot survive without the vital spirituality that underpinned it in the past. He identifies a key set of principles for moving forward, principles that will surprise some and anger others, yet clearly must be considered.
