Passionate Action Doug Gray,2007-05 A breakthrough book for readers seeking to dynamically change their lives for the better by confronting life's challenges and turning them into life's greatest adventures.

Learn Like a Leader Marshall Goldsmith,Beverly Kaye,Ken Shelton,2010-11-26 Great leaders are great learners More than a decade ago, a group of bestselling authors, thought leaders and management experts - among them Marshall Goldsmith, Beverly Kaye and Ken Shelton - met to share their defining moments on leadership with one another. So taken were they with each other's stories that an annual tradition of trading leadership secrets was established. A recurring truth emerged: great leaders seize the opportunity to learn, again and again. Learn Like a Leader brings together these remarkable stories of learning and provides a close look at how top leaders - including Jim Collins, Warren Bennis and Dave Ulrich - were able to grow their careers, overcome setbacks and soar to the top. Offering profound lessons from key learning moments in the lives and careers of the contributors, Learn Like a Leader conveys the power of storytelling in teaching, training and mentoring.

Lessons from the Porch Ed Poole,2003 Lessons from the Porch is Ed Poole's thoughtful memoir of life's lessons, which he shares with endearing charm and good-natured heart. The book is a thoughtful journey and an engaging reminiscence. Lessons from the Porch will allow the reader to consider questions such as: Have you wondered how you arrived at your current stop along your journey? Have you ever asked the question, What am I supposed to be learning from this experience? How can I leave this world a bit better than it was when I found it? Although written about his own experience battling depression, the book is meant for anyone embarking on a journey to know themselves and cultivate new friendships. We all have places from which we learn life's lessons. For some it may be sitting beside a meandering stream. For this author, the place to which he returned to understand his journey was the porch that surrounded his house as he grew up. Metaphorically, Poole's porch represents how he either has or has not accepted changes in his life. The dilemma about how and when to leave his porch goes back to his early boyhood when his mom would always say, Eddie, don't get too close to the edge of the porch, because you might fall off.
