First As Tragedy, Then As Farce Slavoj Žižek, 2009-10-05 Examines the failure of liberalism during the threatened collapse of financial systems in the 2009 worldwide recession, during which large amounts of cash were distributed to save financial institutions without regard for other liberal objectives.

**Kamouraska** Anne Hébert, 2000-01-01 A classic of Canadian literature by the great Quebecoise writer, Kamouraska is based on a real nineteenth-century love-triangle in rural Quebec. It paints a poetic and terrifying tableau of the life of Elisabeth d'Aulnieres: her marriage to Antoine Tassy, squire of Kamouraska; his violent murder; and her passion for George Nelson, an American doctor. Passionate and evocative, Kamouraska is the timeless story of one woman's destructive commitment to an ideal love. Translated into seven languages, Kamouraska won the Paris book prize and was made into a landmark feature film by Claude Jutra. This edition features a brilliant new introduction by Noah Richler.

*Transnational History* Pierre-Yves Saunier, 2013-08-30 Although some historians have been researching and writing history from a transnational perspective for more than a century, it is only recently that this approach has gained momentum. But what is transnational history? How can a transnational approach be applied to historical study? Pierre Yves Saunier's dynamic introductory volume conveys the diversity of the developing field of transnational history, and the excitement of doing research in that direction.

Saunier surveys the key concepts, methods and theories used by historians, helping students to find their own way in this vibrant area.
