The Picture Board J. Purdie,2024-01-17 Sara was instructed to create a Picture Board, after experiencing a traumatic event, to aid her mental well-being and serve as a permanent fixture in her life. When she met Jack, she thought that she had finally found her happily ever after. Her picture-perfect world was complete, or so she thought. However, when Jack went away for a few days, Sara began to unravel. Ghosts from her past haunted her, and she realized that everything was not as it seemed. Her world was off, and Sara realized that her life wasn't what she thought it was. She knew she was in far greater trouble than she had originally thought. The question was, would she face up to it?

The Wind Book for Rifle Shooters Linda K. Miller,Keith A. Cunningham,2020-05-26 All other factors being equal, it is your ability to read the wind that will make the most difference in your shooting accuracy. The better you understand the behavior of the wind, the better you will understand the behavior of your bullet. Now, champion shooters Linda K. Miller and Keith A. Cunningham reveal everything they wish they'd known about reading the wind before they started shooting (instead of having to learn as they went along) in concise, easy-to-read terms and accompanied with handy ninety-five diagrams. The Wind Book for Rifle Shooters contains straightforward guidance on the simple thought process they use to read the wind, the techniques and tactics they use to win matches, and the underlying skills that support both. Let these champions show you how to put together a simple wind-reading toolbox for calculating wind speed, direction, deflection, and drift. Then learn how to use these tools to read flags and mirage, record and interpret your observations, and time your shots to compensate for wind. Other topics covered include: Analyzing shot placement Recording and record keeping Confidence and following your hunches And much more! The essential wind-reading basics taught in this book will absolutely improve your shooting skills, whether you're a target shooter, a plinker, a hunter or a shooting professional.
