**A Year in the New Life** Jack Underwood,2021-08-03 POETRY BOOK SOCIETY RECOMMENDATION'Jack Underwood has developed an utterly clear lyric that rebukes moral obviousness, drives against false certainty. It's as refreshing as it is instructive . . . Underwood has become one of my favorite poets.' Kaveh AkbarJack Underwood's poetry debut, Happiness (2015), was celebrated for its unconventional and daring tone: 'conversational, arresting . . . weird, singular' (Guardian). Such qualities are on accomplished display in this anticipated new collection, as the poems mature and move on to a wide range of preoccupations, including imminent societal collapse and public unrest; the limits, myths and complexities of masculinity and fatherhood; and uncanny, often amusing scenarios, such as serving drinks to a gathering of fifteen babies or group kissing in Empathy Class.Throughout, incongruous and domestic subjects realign in skewed lyrics and thought experiments, intimately expressed in 'a new language / of the familiar' ('The Landing'). All is presented with a generosity and tenderness that makes the poet so unmistakable - and indispensable for the strange times in which we live.'I was done in by these poems, but I really lived as I read them; each one holding life and time in a balletics of stress and flow.' Holly Pester

**Happiness** Jack Underwood,2015-06-30 Happiness is the long-anticipated debut collection from the award-winning Jack Underwood. With the sort of smart, persuasive voice associated with Simon Armitage and Michael Donaghy, these poems worry at the world in search of consolation, or else meet life's absurdity and strangeness half-way; whether sitting proudly atop an unexploded bomb, or injecting blood under the skin of a banana, playfulness and imagination are vehicles for confronting 'the fearful and forgotten things I've lied to myself about'. Here are poems which address anxiety about fatherhood, remorse for lost lovers and friends, or mourn for a miscarried sibling. Happiness is a collection preoccupied with the ephemerality of happiness itself, at the ever-present possibility of its departure, and the ways we try to grasp and keep hold of it. 'Every single thought I'm having is about LOVE', here meaning both the pleasure and panic of love, its peculiarity; love as a feeling of risk, love for one's own body, familiar yet estranged, of 'cack-handed LOVE at his console', love like 'pausing to move a snail somewhere safer in the rain'.

**Happiness** Jack Underwood,2015 Self-aware and sad, unpredictable and funny, Happiness is an exciting and accomplished debut by award-winning poet Jack Underwood.

**Not Even This** Jack Underwood,2022-05-05

*Atop an Underwood* Jack Kerouac,2000-11-01 Before Jack Kerouac expressed the spirit of a generation in his 1957 classic, On the Road, he spent years figuring out how he wanted to live and, above all, learning how to write. Atop an Underwood brings together more than sixty previously unpublished works that Kerouac wrote before he was twenty-two, ranging from stories and poems to plays and parts of novels, including an excerpt from his 1943 merchant marine novel, The Sea Is My Brother. These writings reveal what Kerouac was thinking, doing, and dreaming during his formative years, and reflect his primary literary influences. Readers will also find in these works the source of Kerouac's spontaneous prose style. Uncovering a fascinating missing link in Kerouac's development as a writer, Atop an Underwood is essential reading for Kerouac fans, scholars, and critics.

**Places of Poetry** Paul Farley,Andrew McRae,2020-10-01 Presenting the best poems from the nationwide Places of Poetry project, selected from over 7,500 entries Poetry lives in the veins of Britain, its farms and moors, its motorways and waterways, highlands and beaches. This anthology brings together time-honoured classics with some of the best new writing collected across the nation, from great monuments to forgotten byways. Featuring new writing from Kayo Chingonyi, Gillian Clarke, Zaffar Kunial, Jo Bell and Jen Hadfield, Places of Poetry is a celebration of the strangeness and variety of our islands, their rich history and momentous present.

**Jack the Ripper** Peter Underwood,1987 Jack the Ripper still causes a shudder, synonymous as it is with violent murder and mutilation. But also of mystery and speculation - for the gruesome series of killings in London's East End in that horrific Autumn of 1888 have never been finally solved. The identity of the Ripper, his motives and his association have been the subject of endless discussion and speculation since Victorian times. Suspects have been as varied as a Jewish slaughter man and the Duke of Clarence. Now, marking the centenary of those terrible crimes, comes Peter Underwoods comprehensive look at all aspects of Jack the Ripper. It contains a wealth of new and previously unpublished material with a detailed look at the possible candidates and probable identity, examinations of the murder sites (then and now), the psyche of the murderer and the murdered, the alleged ghosts and spirit contacts and a survey of all writings on the Ripper and his victims - published and unpublished. This is the definitive book, with a 100 year perspective.

**Jack of Shadows** Roger Zelazny,Joe Haldeman,2016-05-01 In a world half of light, half of darkness, where science and magic strive for dominance, there dwells a magical being who is friendly with neither side. Jack, of the realm of shadows, is a thief who is unjustly punished. So he embarks on a vendetta. He wanders through strange realms, encountering witches, vampires, and, finally, his worst enemy: the Lord of Bats. He consults his friend Morningstar, a great dark angel. He is pursued by a monstrous creature called the Borshin. But to reveal any more would be to spoil some of the mindboggling surprises Jack of Shadows has in store. First published in 1971 and long out-of-print, Jack of Shadows is one of fantasy master Roger Zelazny's most profound and mysterious books.

**Honestly Dearest, You're Dead** Jack Fredrickson,2009-01-20 A Safe Place for Dying, the first in Jack Fredrickson's highly acclaimed Dek Elstrom mystery series, was nominated for the Shamus Award for Best First Novel. Now, Chicago P.I. Dek Elstrom is back in an electrifying new mystery. A lawyer calls Dek with a fast, seven-hundred dollar proposition. A dead client named Dek to execute her will. No matter that Dek didn't know the woman. No matter, too, that the woman's estate was only worth a few hundred. Happens all the time, the lawyer said. To Dek Elstrom, broke and huddling in a cold stone turret in the middle of February, the sound of seven hundred falling down his chimney is louder than his voice of reason. He agrees, heads up to a hamlet ten miles north of nowhere. But instead of finding an easy-to-close estate, he finds blood and the markers of a shattered life. And something worse: links to the darkest part of his own past. He races to chase down leads to the killer, and his own ghost...before the dead woman is killed again.

**Kingdomland** Rachael Allen,2019-01-15 Kingdomland is the debut poetry collection of Rachael Allen - a writer of rare vision and bravery, humanity and flare, of wit, candour and forward brilliance. Her poems are peculiarly rich, suffused with surreal images and uncanny incidents to create bewitching worlds. Omens, sorcery, and unexplained violences take shape in the glowering dusk. We are faced with strange metamorphoses, grotesque bodies, hauntings and impassable paths. And yet, all too clearly we recognise the everyday injustices, griefs and dysfunctions of life here on earth, which Allen chronicles with such balance and, often, sympathy. Kingdomland expresses the fearless cut of Allen's verbal and written edge, and the wild colours of her imagination.

**Solo for Mascha Voice/Tenuous Rooms** Jack Underwood,2018-11-09

*This is Yarrow* Tara Bergin,2013-07-25 The poems in Tara Bergin's accomplished debut collection combine sensuous, supple lyricism with the unsettling familiarity of folklore, fairytale and dream. They are inhabited by characters who seem at first widely different from one another, yet share nervous energy, a troubled state of mind: 'I am unwell, little crow, / I am unwell and far from home / where longing lives in my house'. In This is Yarrow Bergin gathers language from a wide range of sources and places to create a music and vision entirely her own.

**The Dark Ages of My Youth** Ward Degler,2011-06 When Ward Degler graduated from journalism school, his mother speculated he would

become a world-famous war correspondent or, at the very least, editor-in-chief of an influential newspaper. He did neither. Instead, he became a columnist, giving him the opportunity to write about subjects that interested him while avoiding everything that didn't. In *The Dark Ages of My Youth*, Degler shares a selected collection of the weekly columns written for the *Times Sentinel* in Zionsville, Indiana, from 1993 to 2010. The essays explore the way things were, where we've been, and where we are going. He reveals the challenges of an eight-year building project that was supposed to be completed in three months. He narrates his bafflement in dealing with the world's most headstrong dog. With humor, he details the foibles and dilemmas of everyday living. And, he profiles the special people who have altered and enriched his life. From the simple to the complex, from the sublime to the silly, *The Dark Ages of My Youth* takes a charming walk through both the past and present.

*The pound and the fury* Jack Mosse,2021-10-28 'A brilliant expose of how our financial system continues to operate largely unquestioned based on a blueprint for confusing and exploiting people.' Danny Dorling, author of *Slowdown: The End of the Great Acceleration - and Why It's Good for the Planet, the Economy, and Our Lives* 'A brilliantly engaging exploration of the self-serving mythologies that sustain our economy in the face of its growing dysfunctions and inequalities. We can't afford not to read it.' Aeron Davis, author of *Reckless opportunists: Elites at the end of the Establishment* 'Read this book if you want to understand the discriminative and unfair power relations behind the economy and why the public are deliberately blinded by myth and disinformation.' Oliver James, author of *Affluenza: How to be successful and stay sane* For decades, our economy has failed to work for ordinary citizens: stagnant wages have been combined with underemployment and rising costs of basic goods like healthcare, education and housing. At the same time, a small minority of the population make obscene profits, while in the background we continue to hurtle headlong into an environmental emergency. While there is no shortage of anger and anti-elite sentiment expressed in what is often referred to as the 'culture wars', no significant challenge to the dominant economic model has broken into the mainstream. *The pound and the fury* argues that behind this failure of imagination are a set of myths about how the economy works, myths that stifle debate and block change. This book analyses the origins of these myths and how they might be dispelled at a time when, away from the public gaze, economic theory is opening up new possibilities of economic action. Possibilities that, as we emerge from the chaos of COVID-19, could lead to the radical structural changes we desperately need.

**Ruined for Life** Jack Morris,2016-04-13 Come now and travel the wide arc of Jesuit Fr. Jack Morris's life through his own consummate storytelling. You'll roam with him through his spacious Montana childhood, summer in the circus, the call of joining the Jesuits, and his challenging formation as a priest. He'll tell you how he developed the Jesuit Volunteer Corps movement, it's brave origins in wild Alaska, and how the crazy idea of the Bethlehem Peace Pilgrimage ignited him to walk almost seven-thousand miles with others from Bangor, Washington to the Holy Land to protest nuclear weapons of mass destruction. He shares what a tender grace it was to care for his dying mother, and his Jesuit Refugee Service years in companionship with Sudanese refugees in northern Uganda. A pilgrim, philosopher, and gypsy at heart, he changed every soul he encountered by pointing the way to love and mercy. Jack has passed, but thankfully he passed on to us his poignant memories of a life lived on the frontiers of the heart.
