Bonding with the Lord , 2021-12-30 Few other Hindu gods guide a regional consciousness, pervade walks of everyday life and define a collective psyche the way Lord Jagannath does in Odisha and its contiguous areas. Jagannath is metonymic of Odisha and the Odia way of life, arguably much more than any

other god for a particular geography or its peoples. While not derecognising the historical and the spiritual aspects of Jagannath, Bonding with the Lord attempts to look at the deployment of Jagannath in contemporary cultural practices involving the sensorium in the widest sense. The project of a cultural Jagannath not only materialises him in people's everyday practices but also democratises scholarship on him. The expansion of the scope of research on Jagannath to cultural expressions in a more encompassing way rather than confining to 'elitist' religious/literary sources makes him an everyday presence and significantly enhances his sphere of influence. Jagannath's 'tribal' origin, his association with Buddhism and Jainism and his avatari status make him an all-encompassing, multilayered symbol and a treasure trove for multiple interpretations.

Niladrisha Rohit Panigrahi, 2017-04-06 Hare Krishna! In

adoration of Sri Jagannath, the classic, world-famous chariot festival, the Navakalevara tradition, the significance of the Mahaprasad, the hectic daily rituals and Mahalaxmivratt are unique and wonderful. Why and how, you ask? The learned Brahmins and Vedic philosophers established Him as the source of all happiness and cause of liberation. Many argue this ancient culture and tradition has immense potential to bind the whole world. It is the ultimate devotional stream for the unstable and straying humankind of the present world. But who consecrated this most pious, most sacred parambrahma in this king of pilgrim centers? Why is Purushotamkshetra most endeared to Mahavishnu? Why is the Lord as well as the place called purushotam here? Where was He before this? Who was brought alive by this great tradition? How did it happen and from when has it being going on? Niladrisha answers these questions, and ends all the skepticism associated with it. It will push the reader into a world of devotional thoughts. "Namastuvyam, Namastuvyam Namastyuvyam Namoh Namah. Saranam twam propannowsmi Jagannath Namoshstute"

M., the Apostle & the Evangelist - Volume 3 Swami Nityatmananda,1997-07-24 Swami Nityatmananda lived in the company of Sri M. for a long time, maintained a diary and elaborated it in sixteen parts of Sri Ma Darshan. The book is also available in English under the title 'M., the Apostle & the Evangelist.' All the sixteen parts are available in Bengali too. It is a continuation of the Kathamrita. This work is the result of twenty years of hard and incessant work and tapasya, on the banks of the Ganga in Rishikesh, in the Himalayas. In this series of 16 volumes the reader is brought in close touch with the life and teachings of Sri Ramakrishna family: Thakur, Swamiji, Holy Mother, M., Swami Shivananda, Swami Abhedananda and others. And there is

the elucidation according to Sri Ramakrishna's line of thought, of the Upanishads, the Gita, the Bible, Guru Granth Sahib, the Holy Quran and other scriptures. The third specialty of this work is the commentary on the Gospel of Sri Ramakrishna by the author himself. Says Swami Shraddhananda, "One wonders at the unusual capacity of Swami Nityatmananda in recording these day to day conversations of this Vyasadeva of our time - M. - and later developing his notes into his masterly work. One cannot fail to discover the special training he received from Sri M. himself in this direction while he was serving as a teacher in M.'s school and living with him for years." When he read it, Swami Jagadananda remarked, "The author has presented M.'s words lifelike. After reading his Kathamrita, a study of this book will throw new light on the Kathamrita. There is no doubt about it." The great American and senior sadhu, Swami Atulananda, wrote, "This book may serve a double purpose. To those who are acquainted with M.'s Kathamrita, it may be welcome as a companion volume, and to those not yet acquainted with the Kathamrita, it may arouse a desire to make that acquaintance. For this book, which is a record of M.'s talks with his admirers about his reminiscences, not only reveals new facts about the life of Sri Ramakrishna, but throws new light on that wonderful life." Swami Virajananda, the late President of Sri Ramakrishna Math and Mission, heard the manuscript read to him by his Secretary when he visited Dehradun for the last time, and he was delighted to hear it. He told to the author, "What a wonderful thing you have written! Why didn't you show it to me earlier? Never mind, now go and finish the writing. Human life is so uncertain. If you complete the writing itself, publication can be taken up by others... Ah! The move is as dramatic as the subject is sublime...'

BLESSINGS GALORE Dr. Major Nalini

Janardhanan,2023-07-23 PREFACE Miracles do happen by the grace of God. My journey of life was full of ordeals and struggles. The very fact that I survived from many unfortunate incidents in my life, was nothing less than a miracle. Life is a long journey and God leaves His footprints on the way. I remember the famous poem 'Footprints' and God's reply to the person doubting about Him in that poem: "My precious child, I love you and I would never leave you. During your times of trials and suffering, when you have seen only one set of Footprints, it was then that I carried you!" Tears of joy roll down my cheeks and these words come out from the bottom of my heart with gratitude: "Dear God...That was you who saved me? THANK YOU, GOD!" My book, "Blessings Galore" is a collection of poems and articles reflecting my thoughts on faith, devotion, life, patriotism, human relationships, and God Almighty.

Intercultural and Interfaith Dialogues for Global Peacebuilding and Stability Peleg, Samuel,2019-05-31

Communication is vital to the prosperity and survival of the community, with the quality of communication amongst its members directly improving or worsening the value of the community. However, with the increase in immigration and relocation of refugees, the need to accommodate diverse cultural groups becomes imperative for the viability and survivability of a community while posing challenges to communication. Intercultural and interfaith dialogue can be used constructively to cultivate, manage, and sustain diversity and wellbeing in particularly deeply divided communities. Intercultural and

Interfaith Dialogues for Global Peacebuilding and Stability is a critical research publication that explores the importance of conflict resolution strategies among populations that include a varied amalgamation of cultural and religious backgrounds. With the increasing emphasis on intercultural understanding promoted by governments, civil societies, and international mediators, this book offers relevant remedies for major afflictions in the world today, such as exclusion, marginalization, xenophobia, and racism. It is ideal for government officials, policymakers, activists, diplomats, lawyers, international trade and commerce agencies, religious institutions, academicians, researchers, and students working in a variety of disciplines including political science, international relations, law, communication, sociology, and cultural studies.

My City Links My City Links, 2020-02-01 Celebrating Craze

For Cuisines From Home & Away Food is the elixir of life, literally. A culinary revolution is fermenting in the state with Bhubaneswar leading the trend. Our Cover Story takes a look at how foodies in the state capital are opening up to new dishes and exotic delicacies from other parts of the country and beyond. The growing demand has proved a boon for the hotel industry too with new restaurants, cafes and food malls coming up to rake in the moolah. What's more, big national and international chains are also opening shop, adding spice to the food scene. Cuttack and Puri, on the other hand, still strike a traditional note with their servings of age-old favourites like Dahibara-Aloodum, Ghugni, Khaja, Cha, Chops and the ilk. Recently, however, they are also catching up with changing food tastes and adding new varieties to their menus for locals and tourists alike. Food streets have also witnessed a sea change with foreign entrants like Pizzas, Burgers and Lasagne jostling for space with traditional fares like Biryani,

Chowmein and Dosa. And the catering is also changing with new concepts like food trucks and Khau Gallis making an appearance. But all said and done, Odisha continues its romance with cherished 'home cooked' food. This is most evident during Odia festivals and the unique dishes and savouries associated with each of them. In City Lights, we talk about the first Corporate Icon Awards organised by My City Links which was a grand success and witnessed Odia entrepreneurs come together to celebrate excellence. The third edition of Bhubaneswar Runway Week was also organised on the occasion with Mr. World Rohit Khandelwal and Ollywood actress Anu Choudhary being the show stoppers. The section also throws light on India's first sports and innovation festival organised in Bhubaneswar by Xavier Emlyon Business School and Sports Department, Government of Odisha which witnessed participation of 12 sports start-ups from all across India. In Transit Lounge, we catch up with veteran actor and filmmaker Amol Palekar who was in the city for his play, 'Kasur'. Palekar, who is back on stage after 25 years, shares about his eventful journey. We also interact with eminent writer Kunal Basu and get an insight into his love for literature and future plans.

Maree and the Prince Chander Malhotra, 2014-01-17

Chandigarh is a city that represents the India born in 1947 after independence from the British Raj. The protagonist is a prince of an old royal family of the Punjab. He has been brought up like a prince but is out of sync with his royal heritage. He is democratic to an excessive degree. The novel is his journey through a haze of drinking, through atheism, to a certain faith in some God. On the way he meets his secretary, Bible Maree; his faithful servant, Bhader; and the healing religious leader, Peer Baba. The book is also a statement about the sexual mores of India. One of the prince's friend advocates the establishment of legal brothels for the frustrated males of India. He also offers it as a solution to the high number of rapes in India. Maree keeps company to the

debauched prince, who is a writer. She decodes his drunken writing and types it into a computer. The novel is also a journey of Prince Ravee through the world of ghosts that reside in and around his penthouse in Turail.
