Japan's Asia Policy Wolf Mendl,2002-09-11 This volume provides a timely and expert analysis of Japan's Asia policy as the country continues to address the future through trying to cope with the burden of a chequered past. Dr Mendl locates his exposition of Japan's policy towards both North-East and South-East Asia in a full historical and cultural context and importantly takes due account of the underlying and potent factor of national identity in shaping international outlook. He begins his study with a discussion of the enigma of Japanese policy expressed in debate over whether or not that policy expresses a calculated grand design. A corresponding enigma emerges in Dr Mendl's exposition of Japan's policy towards a part of the world with which it shares a geographical location and a measure of identity but one which, he maintains, cannot be separated from its engagement at the global level. In exploring the theme of how Japan is confronted by the problem of reconciling its relations with Asia with pursuing a global role in uncharted post-Cold War waters, Dr.Mendl makes a lucid and scholarly contribution to the debate about Japan's place in a world which it has helped to shape through its economic performance and example.

Defamiliarizing Japan's Asia-Pacific War W. Puck Brecher,Michael W. Myers,2019-10-31 This wide-ranging collection seeks to reassess conventional understanding of Japan's Asia-Pacific War by defamiliarizing and expanding the rhetorical narrative. Its nine chapters, diverse in theme and method, are united in their goal to recover a measured historicity about the conflict by either introducing new areas of knowledge or reinterpreting existing ones. Collectively, they cast doubt on the war as familiar and recognizable, compelling readers to view it with fresh eyes. Following an introduction that problematizes timeworn narratives about a "unified Japan" and its "illegal war" or "race war," early chapters on the destruction of Japan's diplomatic records and government interest in an egalitarian health care policy before, during, and after the war oblige us to question selective histories and moral judgments about wartime Japan. The discussion then turns to artistic/cultural production and self-determination, specifically to Osaka rakugo performers who used comedy to contend with state oppression and to the role of women in creating care packages for soldiers abroad. Other chapters cast doubt on well-trod stereotypes (Japan's lack of pragmatism in its diplomatic relations with neutral nations and its irrational and fatalistic military leadership) and examine resistance to the war by a prominent Japanese Christian intellectual. The volume concludes with two nuanced responses to race in wartime Japan, one maintaining the importance of racial categories while recognizing the "performance of Japaneseness," the other observing that communities often reflected official government policies through nationality rather than race. Contrasting findings like these underscore the need to ask new questions and fill old gaps in our understanding of a historical event that, after more than seventy years, remains as provocative and divisive as ever. *Defamiliarizing Japan's Asia-Pacific War* will find a ready audience among World War II historians as well as specialists in war and society, social history, and the growing fields of material culture and civic history.

Yoshimasa and the Silver Pavilion Donald Keene,2003 From the preeminent scholar of Japan comes an introduction to the medieval period, when Japan's quintessential culture emerged and flowered.

State and Diplomacy in Early Modern Japan Ronald P. Toby,1991 This book seeks to describe how Japan manipulated existing diplomatic channels to ensure national security. Rather, far from aiming at seclusion, Japan's diplomacy in the seventeenth century was orchestrated to achieve certain objectives, both outside the country and inside it. The aim was to build Japan into an autonomous center of its own. Since the country was closed, elaborate and expensive foreign embassies were obliged to make the journey to Edo. Countries which were perceived as potential threats, such as Portugal and Spain, were excluded from this process. Only those such as the Chinese and the Dutch, with whom trade was recognized as desirable, were allowed a supervised presence in Japan itself. Closing the gates to Japan was not the object. Rather, carefully judging just when they should be open and shut was the aim.

Japan and the Shackles of the Past R. Taggart Murphy,2014-11-07 Japan is one of the world's wealthiest and most technologically advanced nations, and its rapid ascent to global power status after 1853 remains one of the most remarkable stories in modern world history. Yet it has not been an easy path; military catastrophe, political atrophy, and economic upheavals have made regular appearances from the feudal era to the present. Today, Japan is seen as a has-been with a sluggish economy, an aging population, dysfunctional politics, and a business landscape dominated by yesterday's champions. Though it is supposed to be America's strongest ally in the Asia-Pacific region, it has almost entirely disappeared from the American radar screen. In *Japan and the Shackles of the Past*, R. Taggart Murphy places the current troubles of Japan in a sweeping historical context, moving deftly from early feudal times to the modern age that began with the Meiji Restoration. Combining fascinating analyses of Japanese culture and society over the centuries with hard-headed accounts of Japan's numerous political regimes, Murphy not only reshapes our understanding of Japanese history, but of Japan's place in the contemporary world. He concedes that Japan has indeed been out of sight and out of mind in recent decades, but contends that this is already changing. Political and economic developments in Japan today risk upheaval in the pivotal arena of Northeast Asia, inviting comparisons with Europe on the eve of the First World War. America's half-completed effort to remake Japan in the late 1940s is unraveling, and the American foreign policy and defense establishment is directly culpable for what has happened. The one apparent exception to Japan's malaise is the vitality of its pop culture, but it's actually no exception at all; rather, it provides critical clues to what is going on now. With insights into everything from Japan's politics and economics to the texture of daily life, gender relations, the changing business landscape, and popular and high culture, *Japan and the Shackles of the Past* is the indispensable guide to understanding Japan in all its complexity.

Voices from the Japanese Women's Movement Ampo Japan Asia Quarterly Review,2015-03-04 An insider's view of the world of contemporary Japanese women.

Tokyo Journal Vol. 40 Issue 280 ,2020-11 The Tokyo Journal, read and revered for 40 years is one of the oldest English magazines sold in domestic and international bookstores. Tokyo and Japan as seen through the eyes of those who know and live it has been the Tokyo Journal approach for 3 decades. A quintessential user's manual providing a unique and insightful perspective of Japan. Special, because it's produced by and for a knowledgeable and worldly international community, the Tokyo Journal speaks to an educated and literate audience curious about the country and the way it works. It does not require Tokyo residence, but is teeming with resources and recommendations from those who live in or frequent the city. It introduces the real Japan and international issues to an audience that wants to know more about Tokyo, Japan, Asia, trends, society, travel, food, movies, music, entertainment, fashion, design, business, technology, art, culture, manga, anime, sports, leisure, sustainability, green living, language and education. With selected articles provided with Japanese translations, the Tokyo Journal is a respected passenger on major airlines, boasts a worldwide distribution network, and proudly reaches a large subscriber base in Japan and abroad. Issue 280 features interviews with the J-pop supergroup EXILE, dancer/actor Naoki Kobayashi, directors Naomi Kawase and Rempei Tsukamoto, Hollywood casting agent Yoko Narahashi, Short Shorts Film Festival & Asia founder Tetsuya Bessho, architect Paul Tange, Japan House Los Angeles President Yuko Kaifu, former L.A. Dodgers owner Peter O'Malley, former Toyota North America Chairman Jim Press and Tokyo Olympics Creative Director Yoshir Kris. TJ follows Japan TV celebrity / model Rola for a photo shoot in Southern California. Hiroshima survivors share their memories 75 years after the bombing of Hiroshima. Celebrity chefs Nobu Matsuhisa and Masaharu Morimoto share recipes and travel in Kyoto, Osaka and Tokyo are featured.

Strategic Japan Michael J. Green,Zack Cooper,2014-11-06 Is Japan capable of grand strategy when it comes to foreign policy? Modern Japan faces challenges on every front: from a rising China and constrained economic growth at home, to an ever-present threat posed by an increasingly unstable North Korea, to an evolving and complex relationship with the West that for so long has served as the bedrock of Japanese foreign policy. Prime Minister Shinzo Abe has garnered significant attention for his policies undergirding a path of "proactive pacifism" for Japan, but many questions remain unanswered with regard to what Japan's global role ought to be, what it can be, and what that role's development would mean for the greater stability of the region and the fate of broader geopolitical alliances across the world. While it is clear that both Japan and its allies would be best served by a clear, comprehensive, and forward-thinking Japanese foreign policy blueprint, but actually developing and implementing such a policy is understandably easier said than done. Fortunately, shaping this new strategy is a generation of Japanese foreign policy experts with eyes toward the future of Japanese power and diplomacy. In *Strategic Japan: New Approaches to Foreign Policy and the U.S. Japan Alliance*, five preeminent scholars: Yasuhiro Matsuda, Tetsuo Kotani, Hiroyasu Akutsu, Yoshikazu Kobayashi, and Nobuhiro Aizawa discuss Japan's changing role

in the world and the high stakes policy issues affecting Japan, Asia, and the world today. Taken together, these experts' contributions highlight potential areas for enhanced cooperation between the United States and Japan at a time when the West desperately needs a confident and proactive Japan, and Japan needs sustained American engagement and deterrence in an Asia-Pacific region that will continue to be the site of economic growth and expansion for years to come.

Japanasia Japan Trade Directory, 1952

A Beginner's Guide to Japan Pico Iyer, 2019-09-03 "Arguably the greatest living travel writer" (Outside magazine), Pico Iyer has called Japan home for more than three decades. But, as he is the first to admit, the country remains an enigma even to its long-term residents. In *A Beginner's Guide to Japan*, Iyer draws on his years of experience—his travels, conversations, readings, and reflections—to craft a playful and profound book of surprising, brief, incisive glimpses into Japanese culture. He recounts his adventures and observations as he travels from a meditation hall to a love hotel, from West Point to Kyoto Station, and from dinner with Meryl Streep to an ill-fated call to the Apple service center in a series of provocations guaranteed to pique the interest and curiosity of those who don't know Japan—and to remind those who do of its myriad fascinations.

Defamiliarizing Japan's Asia-Pacific War W. Puck Brecher, Michael W. Myers, 2023-12-31 This wide-ranging collection seeks to reassess conventional understanding of Japan's Asia-Pacific War by defamiliarizing and expanding the rhetorical narrative. Its nine chapters, diverse in theme and method, are united in their goal to recover a measured historicity about the conflict by either introducing new areas of knowledge or reinterpreting existing ones. Collectively, they cast doubt on the war as familiar and recognizable, compelling readers to view it with fresh eyes. Following an introduction that problematizes timeworn narratives about a unified Japan and its illegal war or race war, early chapters on the destruction of Japan's diplomatic records and government interest in an egalitarian health care policy before, during, and after the war oblige us to question selective histories and moral judgments about wartime Japan. The discussion then turns to artistic/cultural production and self-determination, specifically to Osaka rakugo performers who used comedy to contend with state oppression and to the role of women in creating care packages for soldiers abroad. Other chapters cast doubt on well-trod stereotypes (Japan's lack of pragmatism in its diplomatic relations with neutral nations and its irrational and fatalistic military leadership) and examine resistance to the war by a prominent Japanese Christian intellectual. The volume concludes with two nuanced responses to race in wartime Japan, one maintaining the importance of racial categories while recognizing the performance of Japaneseness, the other observing that communities often reflected official government policies through nationality rather than race. Contrasting findings like these underscore the need to ask new questions and fill old gaps in our understanding of a historical event that, after more than seventy years, remains as provocative and divisive as ever. *Defamiliarizing Japan's Asia-Pacific War* will find a ready audience among World War II historians as well as specialists in war and society, social history, and the growing fields of material culture and civic history.

The Crisis of Democracy? Chances, Risks and Challenges in Japan (Asia) and Germany (Europe) Ralf Kleinfeld, Carmen Schmidt, 2019-10-29 "Is democracy in crisis?" Against the background of a visible loss of trust in political, economic, religious and other institutions in Japan and Germany, this question is being posed with increasing urgency. This volume brings together contributions from political sciences, sociology, economics, psychology, history, law, and educational science to shed light on the future of our democracies, economies, educational systems, party politics, national policies, and social-structural changes, as well as socialization in the family and school, and related value changes. By focusing on Japan and Germany, and including examples from Western Europe and East Asia, this publication will determine transnational tendencies and provide an understanding of the different consequences of development from country to country against the background of different historical-cultural traditions and institutional realities.

Critical Issues in Contemporary Japan Jeff Kingston, 2013-12-17 This book provides undergraduate and graduate students with an interdisciplinary compendium written by a number of leading specialists on contemporary Japan. Chapters reflect the standards of rigorous scholarly work, but also exceed them in their accessibility of language and engagement with concerns relevant to non-specialists. The probing analysis of key debates and issues confronting Japan make this ideal for college courses and an essential reference work on Japan/Asia for libraries. This book encompasses a range of disciplines in the social sciences and thus will be useful for a variety of courses including Comparative Politics, Media Studies, Anthropology, Sociology, Asian Studies, International Relations, Public Policy, Healthcare, Education, Judicial Reform, Gender and Minority Studies. The strength of this volume is in the collective efforts of accomplished experts providing in-depth analysis and up-to-date comprehensive coverage of Japan in the 21st century. Students will gain the analytical insights and information necessary to assess the challenges that confront the Japanese people, policymakers and private and public sector institutions. Key issues covered in this volume include: * Rapidly Aging society * Changing Employment system * Energy policy-Nuclear and Renewable * Gender discrimination * Immigration * Ethnic minorities * Trade policy * Civil society * Rural Japan * Okinawa * Post-3.11 Tsunami, earthquake, nuclear meltdown developments * Internationalization * Sino-Japanese relations * East Asia's divisive history

Japanese Psychotherapies Velizara Chervenкова, 2017-12-26 The book presents three Japanese psychotherapeutic approaches, Morita, Naikan, and Dohsa-hou, in the chronological order of their development, giving a thorough account of both their underlying concepts and practical applications. In addition to describing their idiosyncrasies, a major focus of the book is also to elucidate as to how the deeply imprinted cultural specificities of these approaches, emanating from their common cultural ground, converge to two focal points—silence and body-mind interconnectedness—that vest the approaches with their therapeutic power. In so doing, the book gives an insight into the intrinsic dynamics of the methods and emphasizes on their potential for universal applicability notwithstanding their indisputable cultural peculiarities. This self-contained and well-structured book fills the gap in the yet scarce English-language literature on Japanese psychotherapies.

Kingdom of Beauty Kim Brandt, 2007-07-20 A Study of the Weatherhead East Asian Institute, Columbia University *Kingdom of Beauty* shows that the discovery of mingei (folk art) by Japanese intellectuals in the 1920s and 1930s was central to the complex process by which Japan became both a modern nation and an imperial world power. Kim Brandt's account of the mingei movement locates its origins in colonial Korea, where middle-class Japanese artists and collectors discovered that imperialism offered them special opportunities to amass art objects and gain social, cultural, and even political influence. Later, mingei enthusiasts worked with (and against) other groups—such as state officials, fascist ideologues, rival folk art organizations, local artisans, newspaper and magazine editors, and department store managers—to promote their own vision of beautiful prosperity for Japan, Asia, and indeed the world. In tracing the history of mingei activism, Brandt considers not only Yanagi Muneyoshi, Hamada Shōji, Kawai Kanjirō, and other well-known leaders of the folk art movement but also the often overlooked networks of provincial intellectuals, craftspeople, marketers, and shoppers who were just as important to its success. The result of their collective efforts, she makes clear, was the transformation of a once-obscure category of pre-industrial rural artifacts into an icon of modern national style.

Imagination without Borders Laura Hein, Rebecca Jennison, 2020-06-01 Tomiyama Taeko, a Japanese visual artist born in 1921, is changing the way World War II is remembered in Japan, Asia, and the world. Her work deals with complicated moral and emotional issues of empire and war responsibility that cannot be summed up in simple slogans, which makes it compelling for more than just its considerable beauty. Japanese today are still grappling with the effects of World War II, and, largely because of the inconsistent and ambivalent actions of the government, they are widely seen as resistant to accepting responsibility for their nation's violent actions against others during the decades of colonialism and war. Yet some individuals, such as Tomiyama, have produced nuanced and reflective commentaries on those experiences, and on the difficulty of disentangling herself from the priorities of the nation despite her lifelong political dissent. Tomiyama's sophisticated visual commentary on Japan's history—and on the global history in which Asia is embedded—provides a compelling guide through the difficult terrain of modern historical remembrance, in a distinctively Japanese voice.

A New History of Medieval Japanese Theatre Noel John Pinnington, 2019-02-21 This book traces the history of noh and kyōgen, the first major Japanese theatrical arts. Going beyond P. G. O'Neill's *Early Nō Drama* of 1958, it covers the full period of noh's medieval development and includes a chapter dedicated to the comic art of kyōgen, which has often been left in noh's shadow. It is based on contemporary research in Japan, Asia, Europe

and America, and embraces current ideas of theatre history, providing a richly contextualized account which looks closely at theatrical forms and genres as they arose. The masked drama of noh, with its ghosts, chanting and music, and its use in Japanese films, has been the object of modern international interest. However, audiences are often confused as to what noh actually is. This book attempts to answer where noh came from, what it was like in its day, and what it was for. To that end, it contains sections which discuss a number of prominent noh plays in their period and challenges established approaches. It also contains the first detailed study in English of the kyōgen repertoire of the sixteenth-century.

Asia in Japan's Embrace Walter Hatch,Kozo Yamamura,1996-06-28 This book is an incisive analysis of Japan's deepening economic presence in Asia. The authors argue that Japanese business and government elites are working together to build an expanded--and potentially exclusive--production zone. They show how a complex web of production networks develop and that such strategic control of technology is a unique model of globalization. Asia in Japan's Embrace is highly accessible, up to date, comprehensive and controversial, outlining the policy implications of the Japan-Asia alliance and its impact on global trade.

Ampo ,1999

Defamiliarizing Japan’s Asia-Pacific War W. Puck Brecher,Michael W. Myers,2019-10-31 This wide-ranging collection seeks to reassess conventional understanding of Japan’s Asia-Pacific War by defamiliarizing and expanding the rhetorical narrative. Its nine chapters, diverse in theme and method, are united in their goal to recover a measured historicity about the conflict by either introducing new areas of knowledge or reinterpreting existing ones. JapanAsia Introduction

In the digital age, access to information has become easier than ever before. The ability to download JapanAsia has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download JapanAsia has opened up a world of possibilities. Downloading JapanAsia provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading JapanAsia has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download JapanAsia. These websites range from academic databases offering research papers and journals to

online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading JapanAsia. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading JapanAsia, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download JapanAsia has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About JapanAsia Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. JapanAsia is one of the best book in our library for free trial. We provide copy of JapanAsia in digital format, so the resources that you find are reliable. There are also many Ebooks of related with JapanAsia. Where to download JapanAsia online for free? Are you looking for JapanAsia PDF? This is definitely going to save you time and cash in something you should think about.
