

Jason Pan

Dafydd Fell

Screams of Pan Jerry Tillotson,2001-08-21 Fantastic Fury! Grab this one! Brazenly original with dazzling eroticism! Vampires! Werewolves! Muscle Gods! Over-the-top-sex! You'll find them all in Jason Furys thrilling new fantasy novel Screams of Pan! Christina Tremont rules Manhattans supernatural world of bat boys, wolf girls, fauns and satyrs. Then she meets the incredible new Mr. Universe, the fabulous and over-sexed Johnny America, who is pursued by a monstrous vampire sect, the Dark Ones. Even Christinas magical powers cant withstand these enemies and together with Johnny, they're forced to seek out the terrifying Great God Pan for his protection. Best-selling cult author, Jason Fury, weaves an intoxicating tale of fantasy, eroticism and horror, guaranteed to enchant even the most jaded reader.

Gangway, Lord, (The) Here Come the Brides Book Jonathan Etter, Its series title mentioned women, but its top three stars were men! It pioneered a new kind of story-telling with its pilot episode; its last episode was years ahead of its time. Many thought it doomed to failure - it became one of the 1968-69 season's biggest hits! It was the 1968-70 ABC-TV/Screen Gems series, HERE COME THE BRIDES! In 'Gangway, Lord! (The) Here Come the Brides Book,' readers will learn how the approach series star Robert Brown took to his role changed the dramatic direction of the series. They will learn of the practicality of up-and-coming television superstar David Soul. Of the extraordinary opportunity handed to leading lady Bridget Hanley through the role of New Bedford bride 'Candy Pruitt.' Featuring profiles of the series' creators, regulars and semi-regulars, a mini-history of 1960s and '70s television, and a chapter on HCTB's extraordinary and deeply devoted fan base, 'Gangway, Lord! (The) Here Come the Brides Book' takes the reader back to the days of the series' original run, illustrating the show's popularity and impact on a week by week basis through a look at its competition, the appearances of its stars on talk shows and game shows, the number of fan magazine articles published on teen superstar Bobby Sherman and the rest of its cast. Including commentary and 'making of the episode' anecdotes from guest stars, guest writers, and guest directors, 'Gangway, Lord! (The) Here Come the Brides Book' offers very strong evidence that the 1960s and '70s was truly THE REAL GOLDEN AGE OF TELEVISION! Jonathan Etter's great enthusiasm for television shows of the 1960s and '70s started at age eight, thanks to the removal of a cyst from a bone in his right leg. Recuperation from the surgery lasted close to a year, severely limiting Jon's physical activities. To help him pass the time, his parents bought him a twelve-inch, black-and-white TV set. By the time he was back on his feet, Jon had become a die-hard fan of such '60s series as Star Trek, Lost in Space, and Jonny Quest. By the time he graduated from high school, he was already taking notes and keeping records on his favorite shows and performers. During his college years, Jon put in many twelve-hour days in the campus library, poring through reference book after reference book, totally immersing himself in the career or biography of whatever performer or production he was then studying. In 1983 he graduated from Wright State University with a B.A. in history. Jon's hard work paid off when he became the film historian for the Dayton Victory Theatre's Summer Film Festival from 1985-87. A contributor to TV Land Moguls: the 60s, in 2003, Jon published Quinn Martin, Producer (his detailed account of Quinn Martin Productions) with McFarland Publishers, Inc.; that critically acclaimed book is now in its second printing. He has also written television series histories and talent profiles for such publications as Filmfax, Big Reel, The TV Collector, and Movie Collector's World. Now at work on a series history of George Peppard's Banacek and a multi-volume authorized biography of TV star Lynda Day George, Jonathan Etter makes his home in Dayton, Ohio. Gangway, Lord (The) Here Come the Brides Book is his first book for BearManor Media.

Chinese Communist Espionage Peter Mattis,Matthew Brazil,2019-11-15 This is the first book of its kind to employ hundreds of Chinese sources to explain the history and current state of Chinese Communist intelligence operations. It profiles the leaders, top spies, and important operations in the history of China's espionage organs, and links to an extensive online glossary of Chinese language intelligence and security terms. Peter Mattis and Matthew Brazil present an unprecedented look into the murky world of Chinese espionage both past and present, enabling a better understanding of how pervasive and important its influence is, both in China and abroad.

Farmers' Views on the Future of Food and Small-scale Producers Michel Pimbert,2006 Presents the outcomes of an electronic conference on the 'Future of Food and Small Scale Producers'.

Colonial Project, National Game Andrew D. Morris,2011 Morris successfully weaves the intricacies of baseball's history into a compelling narrative while giving us a keen analysis of its larger significance. It is rare to find someone who can pull that off. This is an absorbing and distinguished addition to sports history, to Taiwanese history, and to studies of colonialism and its aftermath.-- William Kelly, Yale University Colonial Project, National Game offers an engaging and penetrating analysis of the culture of baseball in Taiwan, in both its local and global conditions. Morris weaves details into a compelling narrative that is as much about the game on the field as the game being played out in the arenas of ethnicity, nationalism and geopolitics. Morris's study is a model of sophistication and lucidity. He demonstrates that through a perceptive reading of the mundane world of curve balls and player contracts, we can better understand the ideological substructure of the social.--Joseph R. Allen, University of Minnesota, Twin Cities

Government and Politics in Taiwan Dafydd Fell,2018-01-22 Written by an experienced teacher and scholar, this new and revised second edition of Government and Politics in Taiwan introduces students to the big questions concerning change and continuity in Taiwanese politics and governance. Taking a critical approach, Dafydd Fell provides students with the essential background to the history and development of the political system, as well as an explanation of the key structures, processes and institutions that have shaped Taiwan over the last few decades. Using key features such as suggestions for further reading and end-of-chapter study questions, this textbook covers: • the transition to democracy and party politics; • cross-Strait relations and foreign policy; • electoral politics and voting; • social movements; • national identity; • gender politics. Having been fully updated to take to take stock of the 2012 and 2016 General Elections, the Sunflower Movement and new developments in cross-Strait relations, this is an essential text for any course on Taiwanese politics, Chinese politics and East Asian politics.

Regional Institutions, Geopolitics and Economics in the Asia-Pacific Steven B. Rothman,Utpal Vyas,Yoichiro Sato,2017-04-21 Economic and geopolitical expansion -- The Indo-Pacific: a strategic coupling -- Diversity and contested definitions -- Security issues of the Indian Ocean region -- Maritime commerce of the Indian Ocean region -- Prosperity and the emerging geopolitics of the Indo-Pacific -- Traditional interests, evolving priorities -- Conclusion -- Notes -- Chapter 13: Conclusions: interests and strategies in Asian regional institutional development -- International interests -- Strategies of engagement -- Future of Asian cooperation -- Theoretical impact -- Summary -- Notes -- Bibliography -- Index

Brooklyn Poets Anthology Jason Koo,Joe Pan,2017 The first anthology of contemporary Brooklyn poets --

Taiwan at a Tipping Point John F. Copper,2017-11-30 This study examines the Democratic Progressive Party's 2016 electoral victory in Taiwan. It places the election within the context of Taiwan's recent political history and investigates whether the party is likely to hold onto power.

A Century of Development in Taiwan Chow, Peter C.Y.,2022-01-18 Most colonies became independent countries after the end of World War II, while few of them became modernized even after decades of their independence. Taiwan is one of the few to become a modern state with remarkable achievements in its economic, socio-cultural, and political development. This book addresses the path and trajectory of the emergence of Taiwan from a colony to a modern state in the past century.

The Indigenous World 2007 Sille Stidsen,2007 This Yearbook covers the period January-December 2006 and provides an update on the state of affairs of indigenous peoples worldwide through:

region and country reports covering most of the indigenous world; and updated information on the international and regional processes relating to indigenous peoples. Thanks to the contributions from indigenous and non-indigenous scholars and activists, The Indigenous World 2007 gives an overview of crucial developments in 2006 that have impacted on the indigenous peoples of the world. The Indigenous World 2007 is a source of information and an indispensable tool for those who need to be informed about the most recent issues and developments within the indigenous world.

Baseball Beyond Our Borders George Gmelch, Daniel A. Nathan, 2017-03 Baseball Beyond Our Borders celebrates the globalization of the game while highlighting the different histories and cultures of the nations in which the sport is played. This collection of essays tells the story of America's national pastime as it has spread across the world and undergone instructive, entertaining, and sometimes quirky changes in the process. Covering nineteen countries and a U.S. territory, the contributors show how each country imported baseball, how baseball took hold and developed, how it is organized, played, and followed, and what local and regional traits tell us about the sport's place in each culture. But what lies in store as baseball's passport fills up with far-flung stamps? Will the international migration of players homogenize baseball? What role will the World Baseball Classic play? These are just a few of the questions the authors pose.

The Fire of the Dragon Ian Williams, 2022-08-04 Shortlisted for the Orwell Prize 2023 As seen in The Times, Sunday Times, Spectator, and on Tonight with Andrew Marr (LBC) Under President Xi Jinping, China's global ambitions have taken a dangerous new turn. Bullying and intimidation have replaced diplomacy, and trade, investment, even big-spending tourists and students have been weaponised. Beijing has strengthened its alliance with Vladimir Putin, supporting Russia's aggression in Ukraine, and brooks no criticism of its own flagrant human rights violations against the Uyghur population in western China. Western leaders say they don't want a cold war with China, but it's a little too late for that. Beijing is already waging a more complex, broader and more dangerous cold war than the old one with the Soviet Union. And it is intensifying. This thought-provoking and alarming book examines this new cold war's many fronts – from Taiwan and the South China Sea to the Indian frontier, the Arctic and cyberspace. In doing so it proclaims the clear and sobering message that we must open our eyes to the reality of China's rise and its ruthless bid for global dominance.

Goldman-Cecil Medicine E-Book Lee Goldman, Kathleen A. Cooney, 2023-07-15 For more than 95 years, Goldman-Cecil Medicine has been the authoritative source for internal medicine and the care of adult patients. Every chapter is written by acclaimed experts who, with the oversight of our editors, provide definitive, unbiased advice on the diagnosis and treatment of thousands of common and uncommon conditions, always guided by an understanding of the epidemiology and pathobiology, as well as the latest medical literature. But Goldman-Cecil Medicine is not just a textbook. It is designed to optimize electronic searches that will rapidly take you to exactly the information you are seeking. Throughout the lifetime of each edition, periodic updates continually include the newest information from a wide range of journals. Furthermore, Goldman-Cecil Medicine is available for all users of ClinicalKey, Elsevier's full library of subspecialty textbooks that can be accessed by readers who may want even more in-depth information. More than 400 chapters authored by a veritable Who's Who of modern medicine A practical, templated organization with an emphasis on up-to-date, evidence-based references New chapters on Population Health, Effects of Climate Change on Health, Bradycardias, Transgender Medicine, Whipple Disease, Covid-19 Virology and Pathobiology, Covid-19 Epidemiology/Clinical Manifestations/Diagnosis/Community Prevention, COVID-19 Treatment and Vaccination, Polyomaviruses, and more Thousands of algorithms, figures, and tables that make its information readily accessible Over 100 supplementary videos, heart sounds, and key references Available in print and on a variety of electronic devices Continuously updated by Lee Goldman, MD

Difficult Choices Richard C. Bush, 2021-04-13 How Taiwan can overcome internal stresses and the threat from China Taiwan was a poster child for the "third wave" of global democratization in the 1980s. It was the first Chinese society to make the transition to democracy, and it did so gradually and peacefully. But Taiwan today faces a host of internal issues, starting with the aging of society and the resulting intergenerational conflicts over spending priorities. China's long-term threat to incorporate the island on terms similar to those used for Hong Kong exacerbates the island's home-grown problems. Taiwan remains heavily dependent on the United States for its security, but it must use its own resources to cope with Beijing's constant intimidation and pressure. How Taiwan responds to the internal and external challenges it faces—and what the United States and other outside powers do to help—will determine whether it is able to stand its ground against China's ambitions. The book explores the broad range of issues and policy choices Taiwan confronts and offers suggestions both for what Taiwan can do to help itself and what the United States should do to improve Taiwan's chances of success.

Judicial Reform in Taiwan Neil Chisholm, 2019-11-04 This book examines Taiwan's judicial reform process, which began three years after the 1996 transition to democracy, in 1999, when Taiwanese legal and political leaders began discussing how to reform Taiwan's judicial system to meet the needs of the new social and political conditions. Covering different areas of the law in a comprehensive way, the book considers, for each legal area, problems related to rights and democracy in that field, the debates over reform, how foreign systems inspired reform proposals, the political process of change, and the substantive legal changes that ultimately emerged. The book also sets Taiwan's legal reforms in their historical and comparative context, and discusses how the reform process continues to evolve.

Neurotransmitters and Emotions Fushun Wang, Jiongjiong Yang, Fang Pan, Jason H. Huang, Roger C. Ho, 2020-02-20 This eBook is a collection of articles from a Frontiers Research Topic. Frontiers Research Topics are very popular trademarks of the Frontiers Journals Series: they are collections of at least ten articles, all centered on a particular subject.
