

# Jason Stafford

Michael Sears

*Saving Jason* Michael Sears, 2016-02-02 The latest Jason Stafford novel from Michael Sears, author of the highly acclaimed *Long Way Down* and *Black Fridays*. Jason Stafford used to be a hot Wall Street trader, went too far, and paid for it in prison. Now a financial investigator, he's been asked to look into rumors of a hostile takeover of his firm, but he has no idea it will turn his whole life upside down. Suddenly embroiled in a grand jury investigation of Mob-related activities on Wall Street, and threatened by some very serious men, he is thrust into witness protection with his young autistic son. And then his son disappears. Has he been kidnapped, or worse? With no choice but to act, Stafford has no choice but to come out of hiding and risk everything to save his son, his firm, his pregnant girlfriend—and himself.

**Black Fridays** Michael Sears, 2013-09-03 Struggling to rebuild his life after a two-year prison term for unscrupulous choices, former Wall Street hotshot Jason Stafford is tapped by an investment firm to investigate the suspicious death of a junior trader.

Mortal Bonds Michael Sears, 2014-10-07 Hired by the family of a disgraced investment banker who died in prison amid financial scandals, Jason Stafford races against time to find a fortune in missing funds only to see the people he contacts suffer suspicious and deadly accidents.

**Long Way Down** Michael Sears, 2016-02-02 Working as a financial investigator after two years in federal prison, Jason Stafford looks into a biofuel engineer's claims about being set up by dangerous adversaries.

**Black Fridays** Michael Sears, 2012 Struggling to rebuild his life after a two-year prison term for unscrupulous choices, former Wall Street hotshot Jason Stafford is tapped by an investment firm to investigate the suspicious death of a junior trader.

Shaw's Settings , 2013 An exploration of the various ways two

settings, gardens and libraries, are used in various ways throughout Bernard Shaw's work.

**Maude's Score** Jillian Jacobs, 2016-07-09 He knows how to play the game, but can he win when the stakes turn deadly? Manchester Marauders offensive lineman Jason Stafford has everything going for him until he is blindsided by a calculating woman who names him as the father of her unborn child. Unsure of the validity of her claim, he treads carefully, despite being willing to accept responsibility. Maude Killion, the younger sister of one of Jason's teammates, has been sidelined by a crush on Jason. Determined to revise her game plan, Maude asserts her independence from her overprotective brother and a controlling boyfriend. While working on a charity project, Maude and Jason discover they play well together. But when Maude becomes the victim of a malicious foe, it appears that another player has entered the game—one with deadly intentions who will stop at nothing to win. Now, Maude and Jason must join forces to defeat their opponent and score a victory for love.

*Mortal Bonds Free Preview* Michael Sears, 2013-09-02 A free preview of *Mortal Bonds* by Michael Sears including a special Q&A with the author. From the author of the extraordinary Edgar-nominated debut novel *Black Fridays*, a sensational story of murder and financial corruption—and one man's continued search for redemption. William von Becker ran one of the largest privately held investment banks in North America, until the bottom fell out, and the whole edifice was demonstrated to be a fraud. After von Becker dies in prison, financial investigator Jason Stafford is hired by his family. There is still a lot of missing money out there, he's told, and they want Stafford to find it before the Feds do—and certain other parties, some of whom are nowhere near as scrupulous in their methods. Bad things start happening to the people Stafford talks to. Soon bad things are happening to him as well. Making it worse, his treacherous ex-wife has come to town, ostensibly to visit their young son. Stafford suspects there's

more to it than that, but even he has no idea how much that visit is about to change all their lives—and send him off to the next chapter of his life.

**Shaw's Settings** Tony J. Stafford, 2013-10-15 Picture the young George Bernard Shaw spending long days in the Reading Room of the British Museum, pursuing a self-taught education, all the while longing for the green landscapes of his native Ireland. It is no coincidence that gardens and libraries often set the scene for Shaw's plays, yet scholars have seldom drawn attention to the fact until now. Exposing the subtle interplay of these two settings as a key pattern throughout Shaw's dramas, *Shaw's Settings* fills the need for a systematic study of setting as significant to the playwright's work as a whole. Each of the nine chapters focuses on a different play and a different usage of gardens and libraries, showing that these venues are not just background for action, they also serve as metaphors, foreshadowing, and insight into characters and conflicts. The vital role of Shaw's settings reveals the astonishing depth and complexity of the playwright's dramatic genius.

**Albee Abroad** , 2023-07-03 The final volume of the New Perspectives in Edward Albee Studies series expands the analyses of Edward Albee's theatre beyond Anglophone countries. Ranging from academic essays, performance reviews, and interviews, the selected contributions examine different socio-political contexts, cultural dynamics, linguistic communities, and aesthetic traditions, from the 1960s to our contemporary days. *Albee Abroad* gladly brings together varied voices from Czech Republic, People's Republic of China, Brazil, Iran, Germany, Spain, and Greece, thus enriching Albee scholarship with more plural tones.

**Text & Presentation, 2014** Graley Herren, 2015-01-07 Text & Presentation gathers some of the best work presented at the 2014 Comparative Drama Conference in Baltimore. The subjects explored in this volume range from ancient to contemporary and encompass great cultural and intellectual diversity. The highlight

of the conference was a presentation by award-winning playwright David Henry Hwang. A transcript of Hwang's conversation is the lead piece, followed by twelve research papers, one review essay and ten book reviews. This volume accurately represents the diversity of the annual conference, and represents the latest research in the fields of comparative drama, performance and dramatic textual analysis.

*Physics of Mammographic Imaging* Mia K. Markey, 2012-11-09  
Due to the increasing number of digital mammograms and the advent of new kinds of three-dimensional x-ray and other forms of medical imaging, mammography is undergoing a dramatic change. To meet their responsibilities, medical physicists must constantly renew their knowledge of advances in medical imaging or radiation therapy, and must be prepared to function at the intersection of these two fields. *Physics of Mammographic Imaging* gives an overview on the current role and future potential of new alternatives to mammography in the context of clinical need, complementary approaches, and ongoing research. This book provides comprehensive coverage on the fundamentals of image formation, image interpretation, analysis, and modeling. It discusses the use of mammographic imaging in the detection, diagnosis, treatment planning, and monitoring of breast cancer. Expert authors give a balanced summary of core topics such as digital mammography, contrast-enhanced mammography, stereomammography, breast tomosynthesis, and breast CT. The book highlights the use of mammographic imaging with complementary breast imaging modalities such as ultrasound, MRI, and nuclear medicine techniques. It discusses critical issues such as computer-aided diagnosis, perception, and quality assurance. This is an exciting time in the development of medical imaging, with many new technologies poised to make a substantial impact on breast cancer care. This book will help researchers and students get up to speed on crucial developments and contribute to future advances in the field.

**Silver Wishes** Anna Jacobs, 2022-11-10 The first novel in the heartwarming and gripping new Jubilee Lake series, from million-copy bestseller Anna Jacobs Lancashire, 1895. When her controlling stepfather suddenly dies, it seems that Elinor Pendleton finally has a chance of freedom. But her hopes are soon dashed when she learns that the thuggish Jason Stafford has inherited every penny, and is determined to have Elinor too. Forced to flee with her beloved maid, Maude, Elinor finds shelter with Maude's distant cousin in the remote village of Ollerthwaite, on the shore of Jubilee Lake. But Walter Crossley has troubles of his own. Having lost his closest family in a tragic accident, he needs one of his grandsons to return from America to inherit his farm - and when practical, kindhearted Cameron arrives, he appears to be the perfect heir. But is this young man everything he seems? And will Elinor's secret wish to have a family of her own ever come true...? Readers love Anna Jacobs' novels! 'Amazing' - 5 STARS 'Thank you, Anna, for the pleasure you give in all your books' - 5 STARS 'Another brilliant, hard-to-put-down book' - 5 STARS 'Can't wait for the next instalment' - 5 STARS 'A real page turner, I can't wait to read the next one' - 5 STARS 'Another triumph for Anna Jacobs' - 5 STARS 'BRILLIANT READ' - 5 STARS

The Member of the Wedding Harold Bloom, 2009 Discusses the writing of *The member of the wedding* by Carson McCullers. Includes critical essays on the work and a brief biography of the author.

Breast Ultrasound, An Issue of Ultrasound Clinics - E-Book Gary Whitman, 2011-09-08 Breast sonography is commonly used to evaluate mammographic and palpable abnormalities, and this issue covers all of the current applications currently in use. Sonography also plays a role in screening for breast cancer and in evaluating the extent of disease in the breast and the regional lymph nodes. This issue also reviews the use of ultrasound to perform biopsies, guide catheters, and deliver radiation therapy.

**David Jason** Stafford Hildred,Tim Ewbank,1997 David Jason has created many of television's best-loved characters. Hildred and Ewbank reveal the man behind the characters, a man whose real-life could not be more different to those which he portrays on screen.

Harvest of Hearts Ashley Ezell,2007-09 In the small town of Arlington, Alabama, Christian values are a constant. However, when an outsider accuses teacher Rachel Ellison of crossing the line between church and state, it puts the town in an uproar. In the midst of her struggle, Rachel finds herself falling for Jason Stafford, making her life even more complicated. Jason is the man of her dreams, with strong moral values and dazzling blue eyes. But will the scheming of two rejected admirers keep them apart?

**Annapolis** William Martin,2010-03-30 From the days of pirate raids on the Chesapeake to swift-boat actions in Vietnam, the Staffords and their traditional rivals, the Parrishes, struggle with foreign enemies and each other to build a navy and a nation. They march across the deserts of Tripoli, sail into the South Seas to battle the British and dally with the native girls, fight aboard the Merrimac and the Monitor, fly into the battle of Midway, and look into the living faces of all four men on Mount Rushmore. When Stafford descendant Susan Browne sets out to film a documentary about her famous ancestry, her work sweeps her into the past, to celebrate Stafford victories, mourn their losses, and confront their secrets. Annapolis is William Martin's most ambitious novel, a tale of romance and courage, honor and patriotism, an ode to the men and women who have made the proud traditions of the United States Navy. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*The Geography of Risk* Gilbert M. Gaul,2019-09-03 This century has seen the costliest hurricanes in U.S. history—but who bears the brunt of these monster storms? Consider this: Five of the most expensive hurricanes in history have made landfall since

2005: Katrina (\$160 billion), Ike (\$40 billion), Sandy (\$72 billion), Harvey (\$125 billion), and Maria (\$90 billion). With more property than ever in harm's way, and the planet and oceans warming dangerously, it won't be long before we see a \$250 billion hurricane. Why? Because Americans have built \$3 trillion worth of property in some of the riskiest places on earth: barrier islands and coastal floodplains. And they have been encouraged to do so by what Gilbert M. Gaul reveals in *The Geography of Risk* to be a confounding array of federal subsidies, tax breaks, low-interest loans, grants, and government flood insurance that shift the risk of life at the beach from private investors to public taxpayers, radically distorting common notions of risk. These federal incentives, Gaul argues, have resulted in one of the worst planning failures in American history, and the costs to taxpayers are reaching unsustainable levels. We have become responsible for a shocking array of coastal amenities: new roads, bridges, buildings, streetlights, tennis courts, marinas, gazebos, and even spoiled food after hurricanes. *The Geography of Risk* will forever change the way you think about the coasts, from the clash between economic interests and nature, to the heated politics of regulators and developers.

**Black Indian** Shonda Buchanan, 2019-08-26 Black Indian, searing and raw, is Amy Tan's *The Joy Luck Club* and Alice Walker's *The Color Purple* meets Leslie Marmon Silko's *Ceremony*—only, this isn't fiction. Beautifully rendered and rippling with family dysfunction, secrets, deaths, alcoholism, and old resentments, Shonda Buchanan's memoir is an inspiring story that explores her family's legacy of being African Americans with American Indian roots and how they dealt with not just society's ostracization but the consequences of this dual inheritance. Buchanan was raised as a Black woman, who grew up hearing cherished stories of her multi-racial heritage, while simultaneously suffering from everything she (and the rest of her family) didn't know. Tracing the arduous migration of Mixed

Bloods, or Free People of Color, from the Southeast to the Midwest, Buchanan tells the story of her Michigan tribe—a comedic yet manically depressed family of fierce women, who were everything from caretakers and cornbread makers to poets and witches, and men who were either ignored, protected, imprisoned, or maimed—and how their lives collided over love, failure, fights, and prayer despite a stacked deck of challenges, including addiction and abuse. Ultimately, Buchanan’s nomadic people endured a collective identity crisis after years of constantly straddling two, then three, races. The physical, spiritual, and emotional displacement of American Indians who met and married Mixed or Black slaves and indentured servants at America’s early crossroads is where this powerful journey begins. *Black Indian* doesn’t have answers, nor does it aim to represent every American’s multi-ethnic experience. Instead, it digs as far down into this one family’s history as it can go—sometimes, with a bit of discomfort. But every family has its own truth, and Buchanan’s search for hers will resonate with anyone who has wondered maybe there’s more than what I’m being told.

## **Jason Stafford** Book Review: Unveiling the Power of Words

In a global driven by information and connectivity, the ability of words has be much more evident than ever. They have the ability to inspire, provoke, and ignite change. Such is the essence of the book **Jason Stafford**, a literary masterpiece that delves deep to the significance of words and their affect our lives.
