Jay McInerney

Model Behavior Jay McInerney,2000-03-14 A Great Gatsby for the end of the century. -- The Baltimore Sun Jay McInerney's first novel, Bright Lights, Big City, helped bring about a revolution in contemporary fiction in trade paperback. But more importantly, its publication brought us a major writer of great literary talent and incisive perception. In his latest novel, Model Behavior, McInerney offers us the portrait of a doubting devotee of the city where vocation, career, and ambition (which only occasionally coincide) run head-on with friendship and love--or merely desire. We see Conor McKnight's well-earned ennui fast becoming anxiety as he tries to protect himself from the harrowing fate that unfolds before his bleary eyes. McInerney is at the peak of his craft in what is sure to become a classic at the end of the century. This edition contains only the novel Model Behavior, and not the additional seven stories which were published in the original hardcover.

Model Behavior Jay McInerney,1998 Then there's the sister with whom he shared a flamboyantly addled childhood, and who now matches her brilliance for theoretical abstraction with a compassion for world suffering so acute that her own well-being is imperiled.

The Antic Creedoolies Jay Bynum,2002-10-16 The Antic Creedoolies IS about love. Louis Custis Lee, a very wise black man descended from Jeffersons and Custises of Virginia, raises seven white and part-white children as siblings in Christian County from 1920 to post-Vietnam. It is a desperate time calling for intelligence, humor, and a willingness to seize any advantage in every situation. Through three teenage pregnancies, a murder, a depression, and three wars he holds them together with care and tough love. They become war heroes, farmers, Peace Corps volunteers, businessmen--successful, loving adults with a sense of family. Like him.

Many shoot-outs and some deaths occur as this war continues. A man named Big John, who moved down to Florida from Englishtown, New Jersey, settles in nicely in Florida. Big John decides to invite a great friend named Sammy, a.k.a. Crown, to Florida. The invitation is for the money in the fight night game going on in Florida. The invite directs Sammy into some action. Sammy is not just a good fighter but rather a great fighter in his art in fighting. Sammy's greatness gets him to meet big people in the Enterprise. This is where the adventure starts, with many twists and turns. Sammy has only one choice, join this Enterprise. Sammy is then joined by two other great fighters who have their own special skills. Big Man Jay Neugeboren,1966 In 1951, sport and greed combined to rock college basketball with scandal and shatter the lives of those involved. Big Mantells the fictional story of one player sent tumbling in the shakedown. For Mack Davis, a black All-American basketball star, the point-fixing scandals represent the end of a dream. Fallen from the big time, Mack must return to the lost schoolyards of his childhood Brooklyn neighborhood, where he is now stopped cold by the sport that once saved him. Gradually, however, Mack's real love for the game, combined with a series of unexpected pressures, goads him into an ironic comeback -- playing on an all-black team for a B'nai B'rith championship in a local Brooklyn synagogue with a cast of unlikely heroes and friends. A tight, jabbing novel that moves with the speed and hard grace of basketball itself, BIG MAN puts Jay Neugeboren among the surprisingly tiny company of fiction writers who have captured the essence of the athlete as a human being (Kansas City Star).

A Righteous Man Jay Crownover,2020-12-27 Salinger Dolan.You know his name.You've seen his face.You've spent money on the endless amount of useless crap he endorses.Of course, you've heard the stories. You know the ones...The one that claimed he was hard to work with and totally unprofessional on set.The one where he got caught doing drugs on the set of the most popular, family-friendly show in America.The one where he ruined the reputation-and career-of America's sweetheart.There's more truth to those stories than his fans want to believe because Salinger is the kind of thoughtless, careless, dangerous Hollywood bad boy the paparazzi and fame-hungry starlets can't get enough of.Eventually, the shine of his flashy lifestyle started to fade, and Salinger realized the only thing he's famous for nowadays is his bad behavior and well-documented struggle with addiction. The former golden boy is beyond tarnished, and the only person who can help him get his glow back is the one woman who wants absolutely nothing to do with him.Maren Copeland.You might recall her name.It's possible you vaguely remember her face.You're probably wondering where she went. After all, you've heard the stories...The one where she exposed Salinger Dolan's drug use all those years ago.The one that said she tried to ruin his career because she was envious of his popularity.The one about how she went from being everyone's favorite to a pariah overnight.Maren Copeland is now known as the comeback queen. After years of hard work and purposely avoiding entanglements with problematic heartthrobs like her first co-star, she's on track to revitalize her career and rearrange her priorities after a very messy and very public divorce. For the first time in both her professional and personal life, she's the one calling all the shots.Unfortunately, the path to get her where she wants to be leads directly to none other than Salinger Dolan.He's the one and the only person she swore she would never work with again.Once upon a time, he cost her everything. He's back to make amends and promised to give her anything she wants if she'll just give him a chance to prove he's grown up.She doesn't trust him.She knows she'd be a fool to believe he's changed.After all, what are the odds that a spoiled, entitled brat like Salinger Dolan could become a righteous man?

Similar Differences Jay Howard,2014-06-04 Welcome to my second collection of short stories. Why have I called it Similar Differences? Because... well, we're all similar, and we're all different. As they say, we are all unique, just like everyone else. Our base personalities are moulded and refined by our circumstances and the people we meet. Of prime importance are the relationships we form with our parents, our life partners, and our children. In this collection you will meet people assessing their lives and those relationships, making decisions that will affect their own lives and everyone they are close to.
