Born in the Second Wind Ajit Sherawat, 2015-05-01 The fortitude which won Kamlesh the cycle race had the designs of victories her future awaited. Though the battle was still her own, it was for her son Jeet to win for her. The tide takes a turn for the worse when the very people who should have been the springboard to Jeet's success, pull the ladder from right under his feet. The inconsistencies of the unjust world left her tentative and worried, and her son, battered and bruised. Jeet had fallen. That's when Jeet's angel – the Doppelganger – emerges with the second wind, which if unleashed would take Jeet to unprecedented heights. Will he remain fallen? Will he not throw his dice in the game called life anymore? Will his courage rise with every attempt of intimidating him? Above all, will he be Born in the Second Wind?

Wake-up Calls Satish D H Thaker, 2014-07-18 I have tried to recall the tragic events happen in Ten years span from 1985 to 1995, in my life Some of

the events: I call it 'Wake-Up Calls' because those calls were an indications, a gesture, a warning to change the path I was following with the blinkers on my eyes. Call after call to awake me and put me on the right path. First call was a near miss accident where I would have been..... The second call, my elder brother died in a car accident and four weeks later my mother passed away. The third call, the three D's, friends Devdutt, Damian and Dominic had an accident. Three warnings are norm but I had the fourth and final warning..... when I had to 'Wake-Up'.
