Shanghai Faithful Jennifer Lin,2017-02-16 Within the next decade, China could be home to more Christians than any country in the world. Through the 150-year saga of a single family, this book vividly dramatizes the remarkable religious evolution of the world's most populous nation. Shanghai Faithful is both a touching family memoir and a chronicle of the astonishing spread of Christianity in China. Five generations of the Lin family—buffeted by history's crosscurrents and personal strife—bring to life an epoch that is still unfolding. A compelling cast—a poor fisherman, a doctor who treated opium addicts, an Ivy League-educated priest, and the charismatic preacher Watchman Nee—sets the book in motion. Veteran journalist Jennifer Lin takes readers from remote nineteenth-century mission outposts to the thriving house churches and cathedrals of today's China. The Lin family—and the book's central figure, the Reverend Lin Pu-chi—offer witness to China's tumultuous past, up to and beyond the betrayals and madness of the Cultural Revolution, when the family's resolute faith led to years of suffering. Forgiveness and redemption bring the story full circle. With its sweep of history and the intimacy of long-hidden family stories, Shanghai Faithful offers a fresh look at Christianity in China—past, present, and future.

On the Noodle Road Jen Lin-Liu,2013-07-25 A food writer travels the Silk Road, immersing herself in a moveable feast of foods and cultures and discovering some surprising truths about commitment, independence, and love. As a newlywed traveling in Italy, Jen Lin-Liu was struck by culinary echoes of the delicacies she ate and cooked back in China, where she'd lived for more than a decade. Who really invented the noodle? she wondered, like many before her. But also: How had food and culture moved along the Silk Road, the ancient trade route linking Asia to Europe—and what could still be felt of those long-ago migrations? With her new husband's blessing, she set out to discover the connections, both historical and personal, eating a path through western China and on into Central Asia, Iran, Turkey, and across the Mediterranean. The journey takes Lin-Liu into the private kitchens where the headscarves come off and women not only knead and simmer but also confess and confide. The thin rounds of dough stuffed with meat that are dumplings in Beijing evolve into manti in Turkey—their tiny size the measure of a bride's worth—and end as tortellini in Italy. And as she stirs and samples, listening to the women talk about their lives and longings, Lin-Liu gains a new appreciation of her own marriage, learning to savor the sweetness of love freely chosen.

Sole Sisters Jennifer Lin,Susan Warner,2009-01-01 More than 11 million women run regularly, a number that's growing every year. They tend to be educated and affluent—the perfect audience for Sole Sisters. Half of all runners are women, and they are changing the face of the sport. It's a social outlet, a healthful way to improve mental well-being, and an opportunity to form bonds with like-minded women. Sole Sisters: Stories of Women and Running is a gripping collection of stories that captures the inspirational heart of the women's running. Authors Jennifer Lin and Susan Warner have interviewed women of all ages from all walks of life and all parts of the country. All of their subjects have one thing in common: Running has transformed them. There are both heartrending stories of grief and survival and lighthearted tales of friendship. Among them are: * Sisters who competed in a 5K race to honor a sister who survived breast cancer. * A 9/11 widow who ran her first marathon to honor the memory of her husband. * A 65-year-old woman who overcame obesity and alcoholism to finish the grueling Ironman triathlon. * An unknown runner from Norway named Grete Waitz who decided to run a marathon—and changed the face of the sport. Sole Sisters: Stories of Women and Running is not just for women who run. It appeals to all women who know what it means to have the support of others who share their trials and triumphs. Sole Sisters: Stories of Women and Running is sometimes touching, sometimes funny, and always inspiring.

Serve the People Jen Lin-Liu,2009 A memorable and mouthwatering cook's tour of today's China As a freelance journalist and food writer living in Beijing, Jen Lin-Liu already had a ringside seat for China's exploding food scene. When she decided to enroll in a local cooking school—held in an unheated classroom with nary a measuring cup in sight—she jumped into the ring herself. Progressing from cooking student to noodle-stall and dumpling-house apprentice to intern at a chic Shanghai restaurant, she finds poor young men and women streaming in from the provinces in search of a rice bowl (living wage); a burgeoning urban middle class hungry for luxury after decades of turmoil and privation; and the mentors who take her in hand in the kitchen and beyond. Together they present an unforgettable slice of contemporary China in the full swing of social and economic transformation.

Experience for yourself the life - the private life - of a girl who has experienced both the highs and the lows of living a kind of 'blacklisted lifestyle,' according to a culture shaped by those generations before her and the people who surrounded her in her early years. To understand Lonely Girl, you must know her full story - unfiltered. Her story is a true story and it's told by Lonely Girl herself, with such courage, raw intensity and honesty that few would dare to do.

Sovereignty and the Goddess Jennifer Lin Phillips,2018-12-31 She was determined to explore her next adventure. But what was following her was asking her to look a little deeper.The question is, what makes a person who they are? And how does one make the right choices when dealing with loss, tragedy, and the relentless grips of a modern world built from chaos. A true story based on the middle sister of three, curious and rebellious Jennifer. Fascinated by the world around her, Jennifer wanted to taste life through the senses of her own desires. She wasn't willing to follow the conditioning of the culture or play it safe close to home. Was it loss or wonder that lead her into the unknown so many times? Willing to move in harmony with opportunity, creativity, and her own healing. At the young age of fifteen, Jennifer lost her own Mother to breast cancer. She happened to be holding her Mother's hand as she took her last breath into death and the life beyond. Suddenly, a new transformation was unfolding. The exchange of energy that Jennifer felt, that was transferred to her from the force of life to death, sent her on a journey of self-discovery only a few years later in her early twenties.As the young strawberry blonde and fierce young woman sought out newness, her reflection was seen in everything. She quickly learned the power to hold ones vision, and became a genie of light and sensuality. Her travels lead her out of the darkness of her families history and codependency's and into the crystalline illumination of abundance and trust. Travelling up and down the pristine west coast, like a Jedi through redwood trees and hiking through wildflowers along trails below the towering Mt. Rainier. Jennifer dives deep into the calling of her own soul and explores the lessons in her dreams. Mystified by the magic and the beauty of the Pacific Ocean and the Hawaiian Island chain. Don't let her courageous spirit fool you. Still vulnerable and naïve, Jennifer again is forced to overcome disease, betrayal, and the consequences of choosing through this life without the care and support of a Mother. What did she see, and where did she go, both inside of herself and on the path of recovery? Recovery from her past. With the strength to face the inherited traumas from her family and the suffering of life on the planet. She embarks out on her own, again and again. With the strides of the animal spirit Cheetah. A nickname given to her by her older sister.A must read for anyone overcoming deep loss. Those seeking the wisdom of the unknown, the rawness of relationship's, the thrill of free choice and the greater understanding of the mysteries of life.

Beethoven in Beijing: Stories from the Philadelphia Orchestra's Historic Journey to China Jennifer Lin,2022-04-29 In 1973, Western music was banned in the People's Republic of China. But in a remarkable breakthrough cultural exchange, the Philadelphia Orchestra conducted a tour of closed-off China, becoming the first American orchestra to visit the communist nation. Jennifer Lin's Beethoven in Beijing provides a fabulous photo-rich oral history of this boundary-breaking series of concerts the orchestra performed under famed conductor Eugene Ormandy. Lin draws from interviews, personal diaries, and news accounts to give voice to the American and Chinese musicians, diplomats, journalists, and others who participated in and witnessed this historic event. Beethoven in Beijing is filled with glorious images as well as anecdotes ranging from amusing sidewalk Frisbee sessions and acupuncture treatments for sore musicians to a tense encounter involving Madame Mao dictating which symphony was to be played at a concert. A companion volume to the film of the same name, Beethoven in Beijing shows how this 1973 tour came at the dawn of a resurgence of interest in classical music in China--now a vital source of revenue for touring orchestras.

The Dating Divide Celeste Vaughan Curington,Jennifer Hicke Lundquist,Ken-Hou Lin,2021-02-09 The data behind a distinct form of racism in online dating The Dating Divide is the first comprehensive look at digital-sexual racism, a distinct form of racism that is mediated and amplified through the impersonal and anonymous context of online dating. Drawing on large-scale behavioral data from a mainstream dating website, extensive archival research, and more than seventy-five in-depth interviews with daters of diverse racial backgrounds and sexual identities, Curington, Lundquist, and Lin illustrate how the seemingly open space of the internet interacts with the loss of social inhibition in cyberspace contexts, fostering openly expressed forms of sexual racism that are rarely exposed in face-to-face encounters. The Dating Divide is a fascinating look at how a contemporary conflux of individualization, consumerism, and the proliferation of digital technologies has given rise to a unique form of gendered racism in the era of swiping right—or left. The internet is often heralded as an equalizer, a seemingly level playing field, but the digital world also acts as an extension of and platform for the insidious prejudices and divisive impulses that affect social politics in the real world. Shedding light on how every click, swipe, or message can be linked to the history of racism and courtship in the United States, this compelling study uses data to show the racial biases at play in digital dating spaces.

Little White Lies Jennifer Lynn Barnes,2018-11-04 Scandal, scheming, and secrets abound in #1 bestselling author Jennifer Lynn Barnes's Little White Lies, packed with "page-turning tension, witty humor" (Jennifer L. Armentrout), and "characters as devious as they are southern-belle glamorous (E. Lockhart). I'm not saying this is Sawyer's fault, the prim and proper one said delicately. But. And she definitely never imagined she would accept. But when she realizes that immersing herself in her grandmother's society might mean discovering the answer to the biggest mystery of her life—her father's identity—she signs on the dotted line and braces herself for a year of makeovers, big dresses, bigger egos, and a whole lot of bless your heart. The one thing she doesn't expect to find is friendship, but as she's drawn into a group of debutantes with scandalous, dangerous secrets of their own, Sawyer quickly discovers that her family is not the only mainstay of high society with skeletons in their closet. There are people in her grandmother's glittering world who are not what they appear, and no one wants Sawyer poking her nose into the past. The Sonic Color Line Jennifer Lynn Stoever,2016-11-15 The unheard history of how race and racism are constructed from sound and maintained through the listening ear. Race is a visual phenomenon, the ability to see "difference." At least that is what conventional wisdom has lead us to believe. Yet, The Sonic Color Line argues that American ideologies of white supremacy are just as dependent on what we hear—voices, musical taste, volume—as they are on skin color or hair texture. Reinforcing compelling new ideas about the relationship between race and sound with meticulous historical research, Jennifer Lynn Stoever helps us to better understand how sound and listening not only register the racial politics of our world, but actively produce them. Through analysis of the historical traces of sounds of African American performers, Stoever reveals a host of racialized aural representations operating at the level of the unseen—the sonic color line—and exposes the racialized listening practices she figures as "the listening ear." Using an innovative multimedia archive spanning 100 years of American history (1845-1945) and several artistic genres—the slave narrative, opera, the novel, so-called "dialect stories," folk and blues, early sound cinema, and radio drama—The Sonic Color Line explores how black thinkers conceived the cultural politics of listening at work during slavery, Reconstruction, and Jim Crow. By amplifying Harriet Jacobs, Frederick Douglass, Elizabeth Taylor Greenfield, Charles Chesnutt, The Fisk Jubilee Singers, Ann Petry, W.E.B. Du Bois, and Lena Horne as agents and theorists of sound, Stoever provides a new perspective on key canonical works in African American literary history. In the process, she radically revises the established historiography of sound studies. The Sonic Color Line sounds out how Americans have created, heard, and resisted "race," so that we may hear our contemporary world differently.
