Red Wine for Breakfast Raven West,2014-03-14 Red Wine for Breakfast stars Jenny Reed, a 34 year old Californian from New York, who plays macho Monopoly by her own rules. Winner take all. And she had it all: the number one morning radio show on KKTU FM in Los Angeles, a wonderful best friend, and a nice noncommittal affair with the station owner, Brian Allen. Her career was all she needed. Success was all she ever wanted. Until Johnny King became her on air partner and challenged her to play his own game. The day she beat him was the day she gained his respect. It was also the day she lost her best friend in an apparent suicide ... or was it murder? Real life radio personalities and a front page drug scandal bring realism to a fictional novel set in Los Angeles where radio stations change formats like socks, and jobs are as secure as houses built on the San Andreas Fault. In a business drowning in testosterone, Red Wine for Breakfast is the story of strong, determined New Yorker who has to shake off the laid back attitude of LA to overcome the challenges of an industry that threatens to turn her off and a man who only wants to turn her on.

*Empire Express* David Haward Bain,2000-09-01 After the Civil War, the building of the transcontinental railroad was the nineteenth century's most transformative event. Beginning in 1842 with a visionary's dream to span the continent with twin bands of iron, Empire Express captures three dramatic decades in which the United States effectively doubled in size, fought three wars, and began to discover a new national identity. From self-made entrepreneurs such as the Union Pacific's Thomas Durant and era-defining figures such as President Lincoln to the thousands of laborers whose backbreaking work made the railroad possible, this extraordinary narrative summons an astonishing array of voices to give new dimension not only to this epic endeavor but also to the culture, political struggles, and social conflicts of an unforgettable period in American history.

Kentucky Marriage Records Register of the Kentucky Historical Soci,1983 Except for a series of newspaper abstracts by G. Glenn Clift, this volume contains every list of marriages known to have been published in The Register of the Kentucky Historical Society since 1903. The following nineteen of Kentucky's oldest counties are represented, some of which, either in whole or in part, spawned a great many later counties: Barren, Bourbon, Christian, Floyd, Franklin, Grant, Greenup, Hardin, Lawrence, Lincoln, Madison, Mercer, Montgomery, Muhlenberg, Nelson, Pike, Shelby, Union, and Woodford. Based on courthouse records--primarily marriage bonds, licenses, ministers' returns, and marriage registers--the combined lists, which are fully indexed, contain references to approximately 50,000 persons!

**Don't Close Your Eyes** Christie Craig,2018-08-28 In this dark and dangerous Texas small town, Annie Lakes' nightmares come alive when a cold case from her past reveals family secrets that put her life in jeopardy. Annie Lakes has had the same recurring nightmare for years. Her heart pounding in her chest. A panicked voice, begging her to run faster. Her own bloodcurdling scream. But now Annie is starting to realize it's more than just a bad dream. She's starting to remember things about the night her cousin Jenny disappeared all those years ago. Things that make her believe her family was involved--and what they're hiding is much worse than she ever imagined. But she can't unravel this alone. She needs someone she can trust, someone like sexy Detective Mark Sutton .... Mark has seen enough--too much--to assume that Annie's story is a dead end. It turns out that her family is hiding some killer secrets. A long time ago, Annie was just an innocent little girl who saw something she shouldn't. Now she's a target, and Mark's running out of time to protect the woman he's starting to fall for. But how does Mark face off against a murderer who just may be someone Annie loves?

All Things Together Ruthann Keller, 2003-07-03 Finding the strength to go through one tragedy at a time is difficult. Finding the strength to endure one catastrophic change in your life after another is nearly impossible without the presence of God in your life. This novel takes you into one woman's journey through such an experience. Jenny, the main character, is faced with many life-changing events all within a few years time. A chemical exposure while working as a surgical technologist in a suburban hospital takes away her health and career. Meanwhile her father is lost to cancer and her mother is diagnosed with cancer two months later. As Jenny is put on disability and faces her own mortality, her husband of twenty-seven years leaves her for another woman. She begins to question her belief in God, blaming Him for her situation and her health. All of this while she is in the midst of a multi-million dollar lawsuit! Regaining her faith in her Savior was the first step in putting her life back together. Jenny emerges from her trials a stronger, more spirit-filled, woman as she proves that all things work together for the good, to those that love the Lord. Romans 8:28
