Demanding a voice, and sometimes a hand, in the products they buy, these digitally empowered consumers—me’s—have inverted the traditional power dynamics of retail into metail. Bines offers six proven models you can use to cultivate and serve highly informed and empowered customers in the metail marketplace: Curation Customization Category Expertise Cost Convenience Community Bines explains why you shouldn’t pigeonhole your business into one model, but rather develop a deep self-awareness about how your organization is viewed and valued by your customers—and focus your efforts accordingly.
