

John Owen

John Owen

John Owen Carl R. Trueman,2007 John Owen is considered one of the sharpest theological minds of the seventeenth century and a significant theologian in his own right, particularly in terms of his contributions to pneumatology, christology, and ecclesiology.Carl Trueman presents a major study of the key elements of John Owen's writings and his theology. Presenting his theology in its historical context, Trueman explores the significance of Owen's work in ongoing debates on seventeenth century theology, and examines the contexts within which Owen's theology was formulated and the shape of his mind in relation to the intellectual culture of his day - particularly in contemporary philosophy, literature and theology.With the current resurgence of interest in seventeenth century Reformed theology amongst intellectual historians, and the burgeoning research in systematic theology, this book presents an invaluable study of a leading mind in the Reformation and the historical underpinnings for new systematic theology.

The Trinitarian Devotion of John Owen Sinclair B Ferguson,2024-01-23 Serving Christ and His church as a pastor, theologian, and military chaplain, John Owen lived through one of the most tumultuous periods in England's history. His own life was marked by turbulent changes as his position rose and fell according to the tides of English politics. One day he was preaching before Parliament; the next he was fortunate just to escape with his life. But through it all, Owen remained steadfast in his faith in the triune God of the Bible. In The Trinitarian Devotion of John Owen, Dr. Sinclair Ferguson explores the life and thought of this remarkable preacher and theologian, with a focus on Owen's Trinitarian theology. Far from being a minute point of doctrine, God's triune majesty was central to Owen's Christian life and devotion. This book presents Owen's theology of the Trinity as a door through which Christians today can find incredible blessing. This book is part of the Long Line of Godly Men Profile series, edited by Dr. Steven Lawson.

The Works of John Owen John Owen,1826

Indwelling Sin in Believers Associate Professor John Owen,John Owen,2015-06-17 “I find then a law, that when I would do good, evil is present with me.” Romans 7:21 For nearly 500 years Indwelling Sin in Believers has aided countless saints in recognizing the reality of the ongoing struggle with sin and resting in the all-powerful grace of Jesus Christ. In this Puritan Reformed classic, John Owen uncovers the true and deep nature of sin in the life of a believer. A methodical and clear teacher, Owen systematically reveals how sin works to deceive and ultimate disable those who don’t fully trust in God’s amazing grace.

Selected Works of the Rev. John Owen, D.D. John Owen,1831

Life of John Owen, D.D. Andrew Thomson,1853

An Introduction to John Owen Crawford Gribben,2020-06-11 Over 3 centuries since his passing, Puritan John Owen continues to impact readers through his writings. With over 8 million words published in 80 titles, his topics were as diverse as they were many, ranging from theological works to sociopolitical topics such as the proper nurture and education of children. An Introduction to John Owen by Crawford Gribben is a theological survey of these works, inviting readers to experience anew the grace of God as they go through the Christian life. For Owen, spiritual life was about increasing in grace and goodness, in fellowship with each member of the Trinity. This exploration captures the vision of the Christian life that Owen wished for his readers to have and distills it into an accessible companion volume.

Thomism in John Owen Christopher Cleveland,2016-02-24 Examining the influence of Thomas Aquinas and his followers upon the seventeenth century Puritan theologian John Owen, this book breaks new ground in exploring the impact of medieval thought upon Reformed scholasticism. Cleveland argues that Owen uses Thomistic ideas in two ways: first in an Augustinian fashion arguing against Pelagian and semi-Pelagian ideas of human independency; second in a Trinitarian fashion, with Thomistic ideas affecting the understanding of each person of the Trinity. The resulting theological formulation is strongly Western and Orthodox and provides a helpful model for theological formulation seeking to build upon a Western Christian foundation. The works of the Reformed theologian John Owen have long been admired for their depth and theological sophistication. In this book Cleveland fills a significant gap in Owen studies by pursuing a deeper understanding of the role that Thomas Aquinas and the school of thought known as Thomism played in Owen's theology, from his works on providence and salvation by the Holy Spirit to his Christological work.

The Works of John Owen Volume 9 John Owen,William Orme,2015-11-18 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was

reproduced from the original artifact, and remains as true to the original work as possible.
