In the first section of the book, Find It Within You, readers will learn how to express internal personality, passions and essence to define the internal brand. In the second section, The Competitive Advantage, readers learn how to extend the internal message into the world—to their partners, employees and ultimately their customers. Best Day Ever Kaira Rouda,2017-10-01 “FABULOUS.” —B.A. Paris, New York Times bestselling author of Behind Closed Doors and The Breakdown THE PERFECT MARRIAGE IS THE PERFECT ILLUSION. Paul Strom has the perfect life: a glittering career as an advertising executive, a beautiful wife, two healthy boys and a big house in a wealthy suburb. And he’s the perfect husband: breadwinner, protector, provider. That’s why he’s planned a romantic weekend for his wife, Mia, at their lake house, just the two of them. And he’s promised today will be the best day ever. But as Paul and Mia drive out of the city and toward the countryside, a spike of tension begins to wedge itself between them and doubts start to arise. How much do they trust each other? And how perfect is their marriage, or any marriage, really? Forcing us to ask ourselves just how well we know those who are closest to us, Best Day Ever crackles with dark energy, spinning ever tighter toward its shocking conclusion. In the vein of The Couple Next Door, Kaira Rouda weaves a gripping, tautly suspenseful tale of deception and betrayal dark enough to

The Favorite Daughter Kaira Rouda,2019-05-21 In this psychological thriller set in a southern California gated community, a wife and mother wonders how much she can trust her own family. Jane Harris lives in a sparkling home in an oceanfront gated community in Orange County. It’s a place that seems too beautiful to be touched by sadness. But exactly one year ago, Jane’s oldest daughter, Mary, died in a tragic accident, and Jane has been grief-stricken ever since. Lost in a haze of anti-depressants, she’s barely even left the house. Now that’s all about to change. It’s time for Jane to reclaim her life and her family. Jane’s husband, David, has planned a memorial service for Mary and three days later, their youngest daughter, Betsy, graduates high school. Yet as Jane reemerges into the world, it’s clear her family has changed without her. Her husband has been working long days—and nights—at the office. Her daughter seems distant, even secretive. And her beloved Mary was always such a good girl—dutiful and loving. But does someone know more about Mary, and about her last day, than they’ve revealed? The bonds between mothers and daughters, and husbands and wives should never be broken. But you never know how far someone will go to keep a family together . . . The Next Wife Kaira Rouda,2021-05 Kate and Tish Nelson are two halves of a very similar coin: John's ex- and trophy- wife, respectively. Both have enjoyed the luxury that he (and Kate) earned through founding a successful company, but Kate works hard and raises their daughter while Trish is encouraging him to go on a romantic getaway to celebrate their new love. But they both know John's eye wanders, after all, Tish seduced him out of Kate's marriage and into her own, and when needed, they're each ready to go to extremes to preserve the lives they've build.

Here, Home, Hope Kaira Rouda,2011-04-30 Kelly Mills Johnson becomes restless in her thirty-ninth year. An appetite for more forces her to take stock of her middling middle-American existence and her neighbors' seemingly perfect lives. Her marriage to a successful attorney has settled into a comfortable routine, and being the mother of two adorable sons has been rewarding. But Kelly's own passions lie wasted. She eyes with envy the lives of her two best friends, Kathryn and Charlotte, both beautiful, successful businesswomen who seem to have it all. Kelly takes charge of her life, devising a midlife makeover plan. From page one, Kelly's witty reflections, self-deprecating humor, and clever tactics in executing that plan-she places Post-it notes all over her house and car-will have readers laughing out loud. The next instant, however, they might rant right along with Kelly as her commitment to a sullen, anorexic teenager left on her doorstep tries her patience or as she deflects the boozy advances of a divorced neighbor. Readers will need to keep the tissue box handy, too, as Kelly repairs the damage she inflicted on a high school friend; realizes how deeply her husband, Patrick, understands and loves her; and ultimately grows into a woman empowered by her own blend of home and career. Here, Home, Hope will surely appeal to readers of chick lit and other women's fiction titles who are ready to transition into something new in their own life.
