At 640 pages, it contains the scores and standings for every international game and event ever contested, the statistics for every player, coach, and on-ice official in IIHF competition history, and the results and histories of every nation that has ever participated in an IIHF event. Full of information on every aspect of the international game, this is the one and only source fans will need if they are interested in the World Junior Championship, Team Canada, or any other aspect of the international game. The Epistle to the Hebrews Paul Ellingworth,1993-06-04 This superb work is sure to win a name for itself as one of the major commentaries on the Epistle to the Hebrews. The principal purpose of this substantial volume is to clarify the meaning of Hebrews, long considered a complicated and obscure book. Paul Ellingworth's fine-tooth-comb coverage of Hebrews looks at the text up close and in a broad light, enabling the reader to see the forest as well as the trees. In his determined quest to understand Hebrews, Ellingworth begins with a detailed study of the Greek text, working outward to consider the wider context, linguistic questions, and the relation of Hebrews to other early Christian writings and to the Old Testament. Nonbiblical writings such as Philo and the Dead Sea Scrolls, though less directly related to Hebrews, are considered where appropriate. Unveiling the discourse structure of this carefully written letter, Ellingworth's commentary helps make coherent sense of the complexities of Hebrews. As a result of his exhaustive study, Ellingworth finds Hebrews to be primarily a pastoral, not a polemical, writing. Showing how Hebrews beautifully emphasizes the supremacy of Christ, Ellingworth concludes that the essential purpose of the epistle - which maintains the continuity of God's people before and after Christ - is to encourage readers to base their lives on nothing other and nothing less than Jesus. A substantive bibliography and a comprehensive introduction precede Ellingworth's commentary, and three indexes - of subjects, authors, and Greek words discussed - conclude the volume.
