Children, Deafness, and Deaf Cultures in Popular Media John Stephens,Vivian Yenika-Agbaw,2022-12-28 Contributions by Cynthia Neese Bailes, Nina Batt, Lijun Bi, Hélène Chardon, Stuart Ching, Helene Ehriander, Xiangshu Fang, Sara Kersten-Parish, Helen Kilpatrick, Jessica Kirkness, Sung-Ae Lee, Jann Pataray-Ching, Angela Schill, Josh Simpson, John Stephens, Corinne Walsh, Nerida Wayland, and Vivian Yenika-Agbaw Children, Deafness, and Deaf Cultures in Popular Media examines how creative works have depicted what it means to be a deaf or hard of hearing child in the modern world. In this collection of critical essays, scholars discuss works that cover wide-ranging subjects and themes: growing up deaf in a hearing world, stigmas associated with deafness, rival modes of communication, friendship and discrimination, intergenerational tensions between hearing and nonhearing family members, and the complications of establishing self-identity in increasingly complex societies. Contributors explore most of the major genres of children's literature and film, including realistic fiction, particularly young adult novels, as well as works that make deft use of humor and parody. Further, scholars consider the expressive power of multimodal forms such as graphic novel and film to depict experience from the perspective of children. Representation of the point of view of child characters is central to this body of work and to the intersections of deafness with discourses of diversity and social justice. The child point of view supports a subtle advocacy of a wider understanding of the multiple ways of being D/deaf and the capacity of D/deaf children to give meaning to their unique experiences, especially as they find themselves moving between hearing and Deaf communities. These essays will alert scholars of children's literature, as well as the reading public, to the many representations of deafness that, like deafness itself, pervade all cultures and are not limited to specific racial or sociocultural groups.

A Man of Lies Ben Crane,2023-07-04 When his lover is killed by their mob boss, a hardened criminal insider decides to pursue one last elaborate heist in an effort to rid himself of his underground lifestyle for good. Barrett Rye has always been told he can be only one thing in life: an enforcer. He's a seven-foot wall of muscle and the most effective collector in the largest criminal enterprise in the Midwest. After he realizes he wants more out of life than hurting people, he and his mob accountant boyfriend, Mickey, decide to steal enough money from their boss to disappear and start over. But they get caught, Mickey is killed, and Barrett is given one chance to pay back his debts. His plan is simple. He knows that Henry Holzmänn, a small-time mafioso in Omaha, has a lead on the score of a lifetime. Barrett can't get the prize himself, but he's not trying to. He just needs a piece of it. He is going to cause so much chaos—and throw Holzmänn's life into such disarray—that the man will pay him anything to make it stop. But nothing ever stays simple, and Barrett has always been too clever for his own good. As the mayhem he has seeded spirals out of control, it will take all his prodigious strength and wit to stay alive, and he'll have to decide: Does he want to win, or does he want to be the better man that he has always wanted to be?

Sir Jonny Boy Odile Reynaud,2012-07-20 La fronde gronde dans les célèbres Ecuries de Marc Balourd... Le Grand Condé n'est autre que Sir Jonny Boy dont personne ne conteste l'autorité morale, la beauté ni les qualités sportives. Avec son humour tout britannique, son flegme et son charisme Sir Jonny Boy entraîne avec lui ses congénères des Ecuries dans un combat sans merci pour sauver une femme... et Sir Jonny Boy lui-même. Deux drames qui vont se rejoindre. Les humains ne semblent pas réaliser ce qui se trame dans les Ecuries, si ce n'est Marc Balourd qui ressent un étrange malaise... L'originalité de ce roman réside dans le fait que ce sont les chevaux qui observent les humains et font leurs commentaires avec beaucoup de drôlerie et de justesse. Il s'agit là d'une fable sur la Comédie Humaine vue par les chevaux , dont la morale est la suivante : Rien ne sert de désespérer, les forces de la Lumière finissent toujours par triompher des forces de l'Ombre (version Sir Jonny Boy) Si les hommes demandaient plus souvent l'avis des chevaux, ils feraient moins de conneries (version Hussard).

Faces of the North ,2015-10-27 Faces of the North established Ragnar 'RAX' Axelsson as one of the leading documentary photographers of our time. This long-awaited second edition--the result of more than 30 years of documenting the lives of hunters, fishermen, and farmers in the North--doubles the original selection with previously unpublished photographs from RAX's collection, alongside personal accounts of the journeys which led to their creation. The result is a rare testament to cultures across Iceland, the Faroes, and Greenland; to worlds and ways of life that, if not for the photographs, have all but vanished. Raised on an isolated farm in southern Iceland, Ragnar Axelsson (born 1958) became captivated early on by the brutal beauty of the North Atlantic and the delicate interactions between its inhabitants and their environment. Born of that fascination, Faces of the North, first published in 2004, established Axelsson as one of the leading documentary photographers of our time. Long out of print, Faces of the North is now republished in an edition that echoes the format of Axelsson's latest publications, Last Days of the Arctic and Behind the Mountains. In the 2004 edition of Faces of the North, Axelsson collected the images of farmers, hunters and fishermen in the Arctic and the Atlantic that he became best known for; in the 2016 edition, his oeuvre comes full circle, as he looks back upon the foundation of his photographic passion and career.--Publisher's website.
