*Menergy* Louis Niebur, 2022 *Menergy* tells the story of a post-disco recording industry in San Francisco between the years 1978-1984. For most of America, disco died in 1979. Gay men, however, continued to dance, and in the gay enclave of the Castro neighborhood in San Francisco, enterprising gay DJs, record producers, and musicians started their own small dance music record labels to make up for the lack of new, danceable music. These independent labels' music did more than copy what the larger industry had been doing, however. Instead, the upstart companies built upon the musical experiments their roster of local musicians and producers had been exploring over the last several years, developing a distinctive style of its own. Known as high energy, the music reveled in electronics, fast tempos, disco and DJ culture, and, above all, gay liberation as it had emerged over the previous decade in the Castro neighborhood by so called Castro clones (a gay subculture of exaggerated masculinity with a strong presence in the city's nightlife). The sound, like the new revolutionary ethos, derived its aesthetic from San Francisco's unique configuration of elements, but immediately this music had a reach far beyond the Bay, with Megatone Records, Moby Dick Records, and other labels achieving worldwide success with San Francisco artists such as Sylvester, Patrick Cowley, Paul Parker, Lisa, Loverde, and Jolo, creating the world's first gay-owned, gay-produced music for a dancing audience--

Last Night a DJ Saved My Life Bill

Brewster, Frank Broughton, 2014-05-13 "A riveting look at record spinning from its beginnings to the present day . . . A grander and more fascinating story than one would think." –Time Out London This is the first comprehensive history of the disc jockey, a cult classic now updated with five new chapters and over a hundred pages of additional material. It's the definitive account of DJ culture, from the first record played over airwaves to house, hip-hop, techno, and beyond. From the early development of recorded and transmitted sound, DJs have been shaping the way we listen to music and the record industry. This book tracks down the inside story on some of music's most memorable moments. Focusing on the club DJ, the book gets first-hand accounts of the births of disco, hip-hop, house, and techno. Visiting legendary clubs like the Peppermint Lounge, Cheetah, the Loft, Sound Factory, and Ministry of Sound, and with interviews with legendary DJs, *Last Night a DJ Saved My Life* is a lively and entertaining account of musical history and some of the most legendary parties of the century. "Brewster and Broughton's ardent history is one of barriers and sonic booms, spanning almost 100 years, including nods to pioneers Christopher Stone, Martin Block, Douglas 'Jocko' Henderson, Bob 'Wolfman Jack' Smith and Alan 'Moondog' Freed." –Publishers Weekly

**Lonely Boy** Steve Jones, 2017-01-10 Without the Sex Pistols there would be no punk. And without Steve Jones there would be no Sex Pistols. It was Steve who, with his schoolmate Paul Cook, formed the band that eventually went on to become the Sex

Pistols and who was its original leader. As the world celebrates the 40th anniversary of punk -- the influence and cultural significance of which is felt in music, fashion, and the visual arts to this day--Steve tells his story for the very first time. Steve Jones's modern Dickensian tale began in the street of Hammersmith and Shepherd's Bush, West London, where as a lonely, neglected boy living off his wits and petty thievery he was given purpose by the glam art rock of David Bowie and Roxy Music. He became one of the first generation of ragamuffin punks taken under the wings of Malcolm McLaren and Vivienne Westwood. In *Lonely Boy*, Steve describes the sadness of never having known his real dad, the abuse he suffered at the hands of his stepfather, and how his interest in music and fashion saved him from a potential life of crime spent in remand centers and prisons. He takes readers on his journey from the Kings Road of the early '70s through the years of the Sex Pistols, punk rock, and the recording of *Anarchy in the UK* and *Never Mind the Bollocks*. He recounts his infamous confrontation on Bill Grundy's *Today* program -- the interview that ushered in the *Filth and the Fury* headlines that catapulted punk into the national consciousness. And he delves into the details of his self-imposed exile in New York and Los Angeles, where he battled alcohol, heroin, and sex addiction but eventually emerged to gain fresh acclaim as an actor and radio host. *Lonely Boy* is the story of an unlikely guitar hero who, with the Sex Pistols, transformed twentieth-century culture and kick-started a social revolution.

Jersey Boys Bob Gaudio, 2005 20 vocal selections from the Broadway musical about Rock and Roll Hall of Famers The Four Seasons. This is the story of how a group of blue-collar boys became the biggest American pop sensations of all time, selling over 175 million records worldwide.

*On the Record* Luke Crisell, Phil White, Rob Principe, 2009-04-14 In the three decades since Kool Herc first put the same record on two side-by-side turntables, DJs have moved out of city parks, house and block parties, and the darkened booths of nightclubs, and onto center stage, performing before admiring crowds of thousands. They have not only given rise to hip-hop and house—DJs have influenced fashion, film, TV, and more. With *On the Record*, Scratch DJ Academy, the premiere institution for DJ education, brings together years of training and expertise to create an authoritative guide to the dynamic art of DJing. More than just a how-to, this is a sonic adventure, guiding you through forty years of music, creativity, and culture. From beat matching to body tricks, Grandmaster Flash to Fatboy Slim, the Bronx to Ibiza, *On the Record* is an all-in-one guide. So whether you're learning the ropes, considering going pro, or just want insight into a broader range of music, this book is for you.

*Capturing Sound* Mark Katz, 2010-10-07 Fully revised and updated, this text adds coverage of mashups and auto-tune, explores recent developments in file sharing, and includes an expanded conclusion and bibliography.

*The Fast and the Furriest* Sofie Ryan, 2018-02-06 Sarah Grayson and her trusty companion, Elvis,

race to tail the right suspects in the fifth installment of the New York Times bestselling Second Chance Cat Mysteries. Sarah Grayson owns Second Chance, a shop that sells lovingly refurbished items, in the charming town of North Harbor, Maine. But she couldn't run the store without the help of her right-hand man, Mac--or her dashing rescue cat, Elvis. Mac's life before North Harbor has always been a little bit mysterious, but it becomes a lot more intriguing when a woman from his past shows up in town, and then turns up dead. Suspicion falls on Mac, but Sarah--and Elvis--know he can't be the killer, and they hope they can prove his innocence quick as a whisker.

Jukebox Time Machine ,2016-06 You've never seen anything like our amazing jukebox time machine! Just insert a quarter to travel to a past decade where Roxie, the time machine tour guide, will share a few nostalgic fun facts before dropping the needle on some of the greatest pop hits of all time. Feature up to 32 speakers on the minimal-rehearsal-required script, while all the kids sing and dance along to iconic songs from the 1930s to the 2000s! Complete choreography included. Approximately 40 minutes. Recommended for grades four and up. Titles: Jukebox Time Machine \* Music! Music! Music! \* She Loves You \* Dancing Queen \* Splish Splash \* Vogue \* Don't Stop Believin' \* Breakaway \* It Don't Mean a Thing If It Ain't Got That Sing, Sing, Sing.

**Whiskey River (Take My Mind)** Johnny Bush,Ricky Mitchell,2017-05-24 "Fans of live music will get a kick out of" this Texas Country Music Hall of

Famer's "fond but brutally honest memories, playing gigs with Willie Nelson" (Publishers Weekly). When it comes to Texas honky-tonk, nobody knows the music or the scene better than Johnny Bush. Author of Willie Nelson's classic concert anthem "Whiskey River," and singer of hits such as "You Gave Me a Mountain" and "I'll Be There," Johnny Bush is a legend in country music, a singer-songwriter who has lived the cheatin', hurtin', hard-drinkin' life and recorded some of the most heart-wrenching songs about it. He has one of the purest honky-tonk voices ever to come out of Texas. And Bush's career has been just as dramatic as his songs—on the verge of achieving superstardom in the early 1970s, he was sidelined by a rare vocal disorder. But survivor that he is, Bush is once again filling dance halls across Texas and inspiring a new generation of musicians. In *Whiskey River (Take My Mind)*, Johnny Bush tells the twin stories of his life and of Texas honky-tonk music. He recalls growing up poor and learning his chops in honky-tonks around Houston and San Antonio. Bush vividly describes life on the road in the 1960s as a band member for Ray Price and Willie Nelson. Woven throughout Bush's autobiography is the never-before-told story of Texas honky-tonk music, from Bob Wills and Floyd Tillman to Junior Brown and Pat Green. For everyone who loves genuine country music, Johnny Bush, Willie Nelson, and stories of triumph against all odds, *Whiskey River (Take My Mind)* is a must-read.

*The Big Book of Minecraft Triumph*

Books, 2014-11-01 Brought to you by the authors and

editors that created the Minecrafter and Minecrafter 2.0 Advanced guide books, TheBig Book of Minecraft features more of everything—more mods, more mining, more mobs, and more Minecraft! Up to date for the 2014 holiday season, TheBig Book of Minecraft is packed with the most recent training, tools, and techniques to help readers get more out of their favorite sandbox game. 2014 was a pivotal year for Minecraft, and this book captures all the latest and greatest things that have happened to one of the most brilliant and immersive games in video game history. From a brief overview of the game to advanced farming, mining, and building techniques, this guide touches on everything Minecraft enthusiasts could ever ask for. Featuring authoritative and engaging content from our internal experts, TheBig Book of Minecraft also highlights some of the most influential builders in the Minecraft community today and examines their creations and techniques that catapulted them to fame.

**SEAL of Honor** Gary L Williams,2011-04-05

Lt.Michael Patrick Murphy, a Navy SEAL, earned the Medal of Honor on 28 June 2005 for his bravery during a fierce fight with the Taliban in the remote mountains of eastern Afghanistan. The first to receive the nation's highest military honor for service in Afghanistan, Lt. Murphy was also the first naval officer to earn the medal since the Vietnam War, and the first SEAL to be honored posthumously. A young man of great character, he is the subject of Naval Special Warfare courses on character and leadership, and an Arleigh Burke-class guided missile destroyer, naval base,

school, post office, ball park, and hospital emergency room have been named in his honor. A bestselling book by the sole survivor of Operation Red Wings, Marcus Luttrell, has helped make Lt. Murphy's SEAL team's fateful encounter with the Taliban one of the Afghan war's best known engagements. Published on the 5th anniversary of the engagement, SEAL of Honor also tells the story of that fateful battle, but it does so from a very different perspective being focused on the life of Lt. Murphy. This biography uses his heroic action during this deadly firefight in Afghanistan, as a window on his character and attempts to answer why Lt. Murphy readily sacrificed his life for his comrades. SEAL of Honor is the story of a young man, who was noted by his peers for his compassion and for his leadership being guided by an extraordinary sense of duty, responsibility, and moral clarity. In tracing Lt. Murphy's journey from a seemingly ordinary life on New York's Long Island, to that remote mountainside a half a world away, SEAL of Honor will help readers understand how he came to demonstrate the extraordinary heroism and selfless leadership that earned him the nation's highest military honor. Moreover, the book brings the Afghan war back to the home front, focusing on Lt. Murphy's tight knit family and the devastating effect of his death upon them as they watched the story of Operation Red Wings unfold in the news. The book attempts to answer why Lt. Murphy's service to his country and his comrades was a calling faithfully answered, a duty justly upheld, and a life, while all too short, well-lived.

### **The Summer I Became a Nerd** Leah Rae

Miller, 2013-05-07 On the outside, seventeen-year-old Madelyne Summers looks like your typical blond cheerleader—perky, popular, and dating the star quarterback. But inside, Maddie spends more time agonizing over what will happen in the next issue of her favorite comic book than planning pep rallies with her squad. That she's a nerd hiding in a popular girl's body isn't just unknown, it's anti-known. And she needs to keep it that way. Summer is the only time Maddie lets her real self out to play, but when she slips up and the adorkable guy behind the local comic shop's counter uncovers her secret, she's busted. Before she can shake a pom-pom, Maddie's whisked into Logan's world of comic conventions, live-action role-playing, and first-person-shooter video games. And she loves it. But the more she denies who she really is, the deeper her lies become...and the more she risks losing Logan forever.

**The Complete Book of 2010s Broadway Musicals** Dan Dietz, 2020-09-10 This volume contains detailed information about every musical that opened on Broadway from 2010 through the end of 2019. This book discusses the decade's major successes, notorious failures, and musicals that closed during their pre-Broadway tryouts. In addition to including every hit and flop that debuted during the decade, this book highlights revivals and personal-appearance revues.

*New York Magazine*, 1986-02-10 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place

for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

### **British Film Music and Film Musicals K.**

Donnelly,2007-08-16 In the first book-length consideration of the topic for sixty years, Kevin Donnelly examines the importance of music in British film, concentrating both on musical scores, such as William Walton's score for *Henry V* (1944) and Malcolm Arnold's music for *The Bridge on the River Kwai* (1957), and on the phenomenon of the British film musical.

Design and Equipment for Restaurants and Foodservice Chris Thomas,Edwin J. Norman,Costas Katsigris,2013-09-23 This text shows the reader how to plan and develop a restaurant or foodservice space. Topics covered include concept design, equipment identification and procurement, design principles, space allocation, electricity and energy management, environmental concerns, safety and sanitation, and considerations for purchasing small equipment, tableware, and table linens. This book is comprehensive in nature and focuses on the whole facility—with more attention to the equipment—rather than emphasizing either front of the house or back of the house.

Swamp Tales Bill Russo,2016-04-24 From Bill Russo, the author of *The Creature From the Bridgewater Triangle*, comes new tales from the 200

square mile area that is sometimes called 'America's Bermuda Triangle'. This time the stories are fiction - and yet these yarns come from a place where 'real' and 'unreal' collide and exist in an uneasy truce in the same space. Four young friends gather at a summer camp near the eerie Hockomock Swamp. They spin a few campfire yarns. The oldest of the group tells a story that could be called The Cold, Clammy Touch of Death. His narrative is derided by his companions so he offers them a far darker scenario when he relates the bizarre life of Jimmy Catfish of the devilish body of disparate waters called Codfresh Lake. As the last hushed words of the story fade away, more firewood is piled on the campfire and an unforeseen event ratchets the mood of the friends from jocular to tense as they contemplate a new horror - a reanimated warrior from a hundred years ago who wears a string of scalps around his neck and head - some of which are fresh with blood from the newly dead.

**Tax-Deductible Wedding** Sabrina Rivers, 2009-12-22  
Practical advice for producing your dream wedding at tax-deductible costs.

The Hits Just Keep on Coming Ben Fong-Torres, 2001 (Book). This lively blast from the past peels back the many layers of the Top 40 phenomenon: the DJs, fans, singles, jingles, dedications, contests, requests and more. The book features interviews with such renowned radio personalities and programmers as Casey Kasem, Dick Clark, Wolfman Jack, Cousin Brucie Morrow, Gary Owens and many others, and includes an exclusive CD with airchecks rare recordings from 16

legendary DJs on actual Top 40 broadcasts so that readers can hear the crazed, creative and compelling voices that made Top 40 so memorable. Also includes lots of fantastic black-and-white photos to help readers put faces to the voices they know so well, a bibliography and index, and a special Top of the Pops section featuring the Number One records of Top 40 radio from 1957 through 1997 as calculated by the staff of Gavin.

**The New York Times Manual of Style and Usage, 5th Edition** Allan M. Siegal, William Connolly, 2015-09-29 The premier source for journalists, now revised and updated for 2015. Does the White House tweet? Or does the White House post on Twitter? Can text be a verb and also a noun? When should you link? For anyone who writes--short stories or business plans, book reports or news articles--knotty choices of spelling, grammar, punctuation and meaning lurk in every line: Lay or lie? Who or whom? That or which? Is Band-Aid still a trademark? It's enough to send you in search of a Martini. (Or is that a martini?) Now everyone can find answers to these and thousands of other questions in the handy alphabetical guide used by the writers and editors of the world's most authoritative news organization. The guidelines to hyphenation, punctuation, capitalization and spelling are crisp and compact, created for instant reference in the rush of daily deadlines. The 2015 edition is a revised and condensed version of the classic guide, updated with solutions to problems that plague writers in the Internet age: · How to cite links and blogs · How to handle tweets, hashtags

and other social-media content · How to use current terms like “transgender,” or to choose thoughtfully between same-sex marriage and gay marriage With wry wit, the authors have created an essential and entertaining reference tool.
