*Flying Adventurers* David K. Vaughan,2023-05-29 Aviation books were a unique and prolific subgenre of American juvenile literature from the early to mid-20th century, drawing upon the nation's intensifying interest. The first books of this type, Harry L. Sayler's series *Airship Boys*, appeared shortly after the Wright brothers' first successful flight in 1909. Following Charles Lindbergh's solo flight across the Atlantic, popular series like *Ted Scott* and *Andy Lane* established the golden age of juvenile aviation literature. This work examines the 375 juvenile aviation series titles published between 1909 and 1964. It weaves together several thematic threads, including the placement of aviation narratives within the context of major historical events, the technical accuracy in depictions of flying machines and the ways in which characters reflected the culture of their eras. Three appendices provide publication data for each series, a list of referenced aircraft and an annotated bibliography; there is a full index.

Walk With Me Mark Lynch,2012-06-30 Walk with Me is an autobiography of author Mark Lynch's life, filled with many of his extraordinary experiences, struggles, tragedies, and blessings. Mark is no stranger to death, and he reveals what happened in two near-death experiences and his visit to paradise in the afterlife. Mark shares intimately of his confrontation with God and how this confrontation sparked a personal relationship with the Lord that not only changed Mark's life but also the lives of his family, friends, and acquaintances. This book offers hope for those facing their own heartaches. The reality of life is but a fading illusion. Every second of every day brings us closer to our death. The circumstances and people that enter our lives shape and mold us into who we are to become. There is a reason you are alive here on Earth. We are all not here by accident. There is also more to coincidences than you may realize. Whether you choose to believe it or not, you are here for a purpose. There is a reason for everything that happens in life, even when things do not seem to make sense. Walk with me, and I will touch your

emotions as I reveal my inner self and take you through my life. My life is of an ordinary man who has survived despite extraordinary circumstances. There is life beyond death, as I have been there... twice. So let me show you the truth. Walk with me as I reveal the keys to a world you may never have known existed. Let me you show the truth, reveal the lies, and expose the myths.
