The decisions we have made and the actions we have taken to this very moment have led to where you are RIGHT NOW, but are you ready to unlock your FULL POTENTIAL? Whether you have aspirations to start your own business, write a book, spend more time with your family, travel, improve your health and fitness or own a seven-figure property portfolio, The Life Graduate will show you the 'how'. **Strong Girl, Brave Girl** Kelsey Baldwin,2018-09-14 When life-changing pain is coupled with the welcoming of a new story for yourself, the word bittersweet just doesn't do it justice. You are quite literally in the middle - anchored between where you thought you were headed and where you're going now. In that uncertain middle space is where this story takes place, and maybe where you find yourself, too. The life Kelsey Baldwin had imagined for herself, the one she was right in the middle of, quickly crumbled around her on a single day as she was faced with a looming divorce while staring at a positive pregnancy test. It wasn't the way it was supposed to go. With each uncertain transition she went through - divorce, pregnancy, giving birth, moving cities, dating, raising a child without a partner - she clung to what she knew for sure: she was a strong girl and a brave girl, and the middle was not the ending. (Spoiler: that's why it's called the middle.)My story might look really different than yours, but I'm willing to bet you find threads from my messy middle that are also woven into yours.
