Kith and Kin Jane A. Adams, 2018-12-20 Historical fans are in store for an edifying treat Publishers Weekly Starred Review When two bodies are washed up in the Kentish marshes, Detective Chief Inspector Henry Johnstone is propelled into a disturbing investigation. December, 1928. When two bodies are found washed up in the Kentish marshes, it doesn't take long for DCI Henry Johnstone and DS Mickey Hitchens to identify at least one of them. Billy Crane was a known associate of Josiah Bailey, one of the East End's most notorious gangsters. But what were the victims doing in this remote and desolate spot? Is it a set-up? A revenge attack? Or could this be the start

of a vicious turf war? If so, who would be brave enough to challenge Josiah Bailey, whose tentacles have a disturbingly long reach? With witnesses too frightened to talk, the two London detectives must dig deep into the past if they are to make headway in the investigation and stop the escalating violence.

Dark Queen Faith Hunter,2018-05-01 Jane Yellowrock used to hunt vampires, but now she must fight--and win--beside them. As Enforcer to the vampire Master of the City of New Orleans, Jane Yellowrock stakes her reputation and her life on keeping her territory safe. But Leo has been issued a blood challenge by the emperor of the European vampires, who seeks to usurp all of his power and possessions. If Leo loses the match to the death, the city will be forfeit, and the people of New Orleans will suffer the consequences. Jane can't let that happen. Preparing for the duel requires all of Jane's focus, but with so much supernatural power in play, nothing goes according to plan. She has to rely on herself and the very few people she knows she can trust to stand and fight. Only two things are guaranteed: nothing is sacred, and no one is safe.
