*Yurei Attack!* Hiroko Yoda, Matt Alt, 2012-12-10 *Yurei Attack!* is a nightmare-inducing one-stop guide to Japan's traditional ghosts and spirits. Surviving encounters with angry ghosts and sexy spectres. Haunted places. Dangerous games and how to play them. And more importantly, a guided tour of what awaits in the world of the dead. Yurei is the Japanese word for ghost. It's as simple as that. They are the souls of dead people, unable--or unwilling--to shuffle off this mortal coil. Yurei are many things, but friendly isn't the first word that comes to mind. Not every yurei is dangerous, but they are all driven by emotions so uncontrollably powerful that they have taken on a life of their own: rage, sadness, devotion, a desire for revenge, or even the firm belief that they are still alive. This book, the third in the authors' bestselling *Attack!* series, after *Yokai Attack!* and *Ninja Attack!* gives detailed information on 39 of the creepiest yurei stalking Japan, along with detailed histories and defensive tactics should you have the

misfortune to encounter one. Japanese ghosts include: Oiwa, The Horror of Yotsuya Otsuyu, The Tale of the Peony Lantern The Lady Rokujo, The Tale of Genji Isora, Tales of Moonlight and Rain Orui, The Depths of Kasane Book 3 of 3 in the Yokai Attack! series. Others include Ninja Attack! and Yokai Attack!.

*Cultural Sustainability, Tourism and Development* Nancy Duxbury, 2021-04-11 Cultural Sustainability, Tourism and Development considers how tourism provides a lens to examine issues of cultural sustainability and change. It discusses how cultural and natural assets, artistic interventions, place identity, policy strategies, and community well-being are intertwined in (re)articulations of place and local dynamics that occur in tourist locations. With a primary focus on culture in sustainable development, the book clarifies connections between culture as a core dimension of local sustainability and cultural dimensions of sustainable tourism. It highlights the roles and place of cultural expression, artistic activity, and heritage resources in local or regional sustainable development contexts. Chapters critically examine the dimensions of tourism-invoked dynamics of change and the cultural impacts of tourism-related activities. The book concludes with proposals for new culture-informed and creativity-

based approaches, mediations, and relations to encourage a better balance between visitors and residents' quality of life and the broader sustainability of the area. Interdisciplinary and international in scope, contributions reflect on communities and rural areas located in Brazil, Canada, Croatia, India, Italy, Japan, the Netherlands, Poland, Portugal, and the United States. This book will be of great interest to students and scholars of cultural development and policy, heritage studies, cultural tourism and sustainable tourism, cultural geography, and regional development.

#### **Harem Royale -When the Game Ends- Vol. 1**

Ryukishi07,2019-01-07 From the mind of Ryukishi07, creator of classics such as Higurashi and Umineko, comes a heart-pounding, full-throttle Harem Royale! Kohinata Asunaro is your regular everyday high school student. He likes light novels, porn games, and fantasizing about the girls in his class. One day when walking home from school he inexplicably releases a demon from a sealed bottle. Her name is Zepafur, and she won't rest until her debt is repaid! Now begins the Lovey Dovey Harem Royale! cries the demon, weaving a most curious magic. As a result, Asunaro's regular high school life transforms into a love-comedy series of harem shenanigans, with four girls from his school all vying for his

affection, wow! But... Unbeknownst to our dopey protagonist, the four girls are in the midst of a horrific survival game under threat of death and eternal torture. She who fails to capture Asunaro's heart will be confined to the depths of Hell and killed ad infinitum! Just who will survive? Who will thrive? And who will meet their demise?

**Bauhaus Effects in Art, Architecture, and Design** Kathleen James-Chakraborty, Sabine T. Kriebel, 2022-04-21 Bringing together an international team of scholars, this book offers new perspectives on the impact that the Bauhaus and its teaching had on a wide range of artistic practices. Three of the fields in which the Bauhaus generated immediately transformative effects were housing, typography, and photography. Contributors go further to chart the surprising relation of the school to contemporary developments in hairstyling and shop window display in unprecedented detail. New scholarship has detailed the degree to which Bauhaus faculty and students set off around the world, but it has seldom paid attention to its impact in communist East Germany or in countries like Ireland where no Bauhäusler settled. This wide-ranging collection makes clear that a century after its founding, many new stories remain to be told about the influence of the twentieth century's most innovative arts institution. The book will be of interest to

scholars working in art history, design history, photography, and architectural history.

**The Macedonian Front, 1915–1918** Basil Gounaris,Michael Llewellyn-Smith,Ioannis Stefanidis,2022-03-31 The ‘Macedonian question’ has been much studied in recent years as has the political history of the period from the Balkan Wars in 1912-13 to the Treaty of Lausanne in 1923. But for a variety of reasons, connected with the political division of Greece and the involvement of outside powers, the events at and behind the Macedonian front have been side-lined. The recent commemorations of the centenary of the end of the First World War in the UK illustrate how by comparison with the enormous and moving emphasis on the western front, Macedonia has been not wholly but largely ignored. This volume illuminates this comparatively neglected period of Greek history and examines the strategic and military aspects of the war in Macedonia and the political, social, economic and cultural context of the war.

**Creative Tourism** Nancy duxbury,Sara Albino,Claudia Pato de Carvalho,2021-10-12 This book provides a synthesis of current research and international best practice in the emerging field of

creative tourism. Including knowledge, insights, and reflections from both practitioners and researchers, it covers types of creative tourist, trends, designing and implementing creative tourism products, embedding activities in a community and place, and addressing sustainability challenges. Applying lessons learned from the CREATOUR project and other initiatives, the editors present key information in an actionable manner best suited to people working on the ground. A vital resource for tourism agencies, practitioners, planners and policymakers interested in developing creative tourism programmes and activities, this book will also be of interest to cultural and creative tourism researchers, students, and teachers of tourism and culture-based development.

*False Stars* Sayaka Mogi,2021-06-07

Public Policy and the Impact of COVID-19 in Europe

Magdalena Tomala,Maryana Prokop,Aleksandra Kordonska,2022

The book examines the government policy of EU states during the pandemic; studies the behaviour of EU societies; reveals the influence of the pandemic crisis on the economy of EU states and formulates a successful strategy to counteract the challenges

wrought by the pandemic.

*Taxation, Economy, and Revolt in Ancient Rome, Galilee, and Egypt* Thomas R. Blanton IV, Agnes Choi, Jinyu Liu, 2022 This volume introduces new perspectives on taxation policies in the Roman Empire, the Galilee, and Egypt, with unique insights into the economic effects of imperial pacification on local and regional microlevel economies in the Galilee both before and after the First Jewish Revolt against Rome. Through examining tax documents and other ancient texts in detail, this book offers innovative perspectives on the mechanisms, ideological justifications, and politically hierarchizing functions of taxation and tribute, particularly in the Roman Empire. Moreover, leading archaeologists present important information about the economic effects of the First Jewish Revolt on local economies in the Galilee based on findings from recent archaeological excavations. *Taxation, Economy, and Revolt* is of interest to students and scholars in Classical, Biblical, and Jewish studies, as well as economic history and Mediterranean archaeology--

*Security Implications Of Nationalism In Eastern Europe* Jeffrey Simon, Trond Gilberg, 2019-06-26 Suggesting that events in Poland during 1980–1981 represent the tip of an iceberg, the contributors

examine the rise of nationalism in Eastern Europe and its potential consequences for European security. They analyze developing problems and trends in the region, including the cooling of relations between the USSR and individual countries in Eastern Europe, the continuing economic crisis, changing social structures, the influence of the intelligentsia, and the eroding importance of ideology as a key part of Eastern Europe's political culture. The second half of the book focuses on the impact of these shifts on political and military relations between the USSR and Eastern European countries and on the efficient functioning of the Warsaw Pact.

Beast Blood Sato Fumino, 2019-02-28 Desperate to escape her successful sister's shadow, Euphemia seeks independence as a biotech researcher fixated on destroying Nightz, a dangerous narcotic sought across the colonies. She never believed her life was in danger until a group of men pulled her from her car at gunpoint. Euphemia had also never met a Beast Blood, the nonhuman subspecies with animalistic qualities, until she was rescued by one. Zelaide is a Muta Hunter and a Beast Blood. When his hunt is interrupted by Euphemia's attackers, he saves her on a whim. Never expecting to see Euphemia again, he's

shocked to receive a job protecting the spunky researcher who just might be his lifelong mate. Follow Euphemia and Zelaide as they navigate a colony world brimming with peculiar beasts, powerful narcotics, dangerous criminals, and a budding, interspecies romance!

Kingdom Hearts 3D: Dream Drop Distance The Novel (light novel) Tomoco Kanemaki,Tetsuya Nomura,Masaru Oka,2019-10-29 To prepare for the great battle to come, Sora and Riku have been summoned to take the Mark of Mastery exam and become full-fledged Keyblade masters. This time, their journey will take them through the Sleeping Worlds, where they must find the seven Keyholes to gain a new kind of power. But not long after their test begins, the two friends find themselves separated, journeying through different versions of each world. What's going on? And what awaits them at the end...?

*New Media Installation* Sandu Publications,2018-09 Recent innovations in access to technology have led to an explosion in the number and variety of interactive art installations. Art pieces that would have been inconceivable twenty years ago are now popping up in galleries and public spaces around the world, expanding the range of human experience in mind-boggling ways. New Media

Installation offers a fascinating look into the world of technology-based art installations, with a global selection of artists and works. Interactive installations respond to the viewer's voice, touch and proximity, while non-interactive pieces create otherworldly objects and environments for viewers to explore from all angles. Gorgeous photographs capture the size and scale of more than ninety installation pieces that combine light, motion, space and code to create singular experiences.
