Yehuda Berg

Kabbalistic Astrology Rav Berg, 2006-10-10 Ancient Kabbalistic mysticism and the search for meaning by looking to the stars are related in ways that may surprise readers. This edition is a tool for understanding one's individual nature at its deepest level and putting that knowledge to immediate use in the real world.

If You Don't Like Your Life, Change It! Yehuda Berg, 2013 It is possible to rise above the gravitational pull that draw us into the same scenes by using kabbalistic tools. Challenges such as pain, addiction and fear are opportunities for growth. By becoming familiar with underlying messages we tell ourselves, we can recognize and overcome destructive thoughts and reactive behavior, make different choices and ultimately create different results. Our decisions and actions today are seeds that create either chaos or fulfillment in our future. When we step out of our nature, Nature responds in turn. According to the kabbalists that's how we can create miracles. Stop playing that old re-run! We all know we have the ability to transform; this book helps in understanding exactly what we need to change so we can rewrite our movie. For those who loved The Power of Kabbalah or Living Kabbalah, get ready to take the next steps in writing, directing, and acting a new life.

Kabbalistic Astrology Rav P. S. Berg, 2010-09-17 Ancient Kabbalistic mysticism and the search for meaning by looking to the stars are related in ways that may surprise readers. Kabbalah, in fact, offers arguably the oldest and wisest application of astronomy and astrology known to humankind. Kabbalistic Astrology is a tool for understanding one's individual nature at its deepest level and putting that knowledge to immediate use in the real world. A natural addition to Berg's many writings on spirituality, the book explains why destiny is not the same as predestination and shows that we have many possible futures and can become masters of our fate. Written in Berg's trademark clear, intelligible style, the book teaches how to discover challenges faced in previous incarnations and how to overcome them, as well as the secrets to finding the love, success, and spiritual fulfillment.

The Way of the Kabbalist Yehuda Berg, 2012-05-08 In The Way of the Kabbalist, Yehuda Berg describes exactly what people who practice Kabbalah do and why they do it. He lifts the veil of mystery around the spiritual tools used to achieve self-control, abundance, healing, love, and joy. This book explains the significance of certain clothing and colors; of hair and head coverings; of special days and meditations; of immersion in water and rolling in the snow; incense and candle lighting; food classifications and combinations, and much more. The spiritual technologies taught by The Kabbalah Centre are all defined here in this user's manual.

Living Kabbalah Yehuda Berg, 2010-08-17 Based on the belief that Kabbalah should be lived, not merely studied, Yehuda Berg's latest book presents a practical, systematic approach to integrating the insights of millennia-old wisdom into daily life in order to achieve total fulfillment. Drawing on his popular workshops and courses, Living Kabbalah guides readers through this process, showing how to overcome the negative thoughts and patterns that hold them back; create positive change in their life; unlock their potential for greatness; achieve true prosperity and live with abundance; and reconnect with their dreams and make them happen. An engaging blend of explanation, inspiration, and motivation, Living Kabbalah includes exercises, self-assessments, and suggestions for journaling, as well as meditations and other tools, that anyone can follow and use as a pathway to transforming their lives. The book is an official publication of the Kabbalah Centre International, with a huge worldwide constituency--

The Zohar Michael Laitman, 2009-01-01 The wisdom of Kabbalah teaches us how to perceive and live in the reality that spreads before us. It is a systematic method that has evolved over thousands of years, nurtured by individuals whose task was to ensure that the true wisdom would be given to those ready to receive it. The Book of Zohar (The Book of Radiance) is an ageless source of wisdom and the basis for all Kabbalistic literature.

Since its appearance nearly 2,000 years ago, it has been the primary, and often only, source used by Kabbalists. Written in a unique and metaphorical language. The Book of Zohar enriches our understanding of reality and expands our worldview. However, this text should not be read in an ordinary fashion. We should patiently and repeatedly read and think about each sentence as we try to penetrate the author's feelings. We should read it slowly and try to extract the nuances of the text. Although the text deals with one subject only-how to relate to the Creator-it approaches it from different angles. This allows each of us to find the particular phrase or word that will carry us into the depths of this profound and timeless wisdom.

Kabbalah and the Spiritual Quest Jody Myers, 2007-08-30 Dressing entirely in white is normal practice on a five-block stretch of Robertson Boulevard in West Los Angeles. Western men and women, garbed in white from their turbans to their Keds, traverse the busy streets surrounding the Sikh Temple. Further north, you have to wait until Friday afternoon to see white-clad young men in yarmulkes gathering outside the Kabbalah Learning Centre greeting each other with hugs, the spaces around them filled with women and children wearing multi-colored garments. Beyond this city street, one hears of the popularity of Kabbalah in the tabloids, as celebrities such as Madonna claim Kabbalah as their new religion. How have the obscure and offensive ideas of medieval Jewish mysticism, expressed in doctrines like the demonic power of women's menstrual blood or the soulless bodies of Gentiles, been made palatable for so many from all stripes of life? With KLCs in cities such as Boca Raton, New York, Los Angeles, Boston, Miami, Philadelphia, San Diego, Houston, and Las Vegas, the reach of this mystical tradition can be said to be nationwide. But how did its beliefs and practices become as fashionable as they are now? What do the KLCs teach so that adherents stay on? Is it a cult, a religion, or simply a system of universal wisdom as its leaders purport? Determined to uncover the secrets of this esoteric faith, the author embarked upon three 10-week Kabbalah classes among other learning opportunities, examined Kabbalah publications from the 1970s to the present, listened to KLC audio tapes, and interacted with adherents. This book presents her experiences and findings, and offers an overview of the history of the Kabbalah in this country, its beliefs and practices, its positions on health and healing of both the self and the world, its structure and outreach, and its views of men and women. She traces the origins of Kabbalah, offers a glimpse into its world, its relationships to Judaism, its place in American society, and its future.

Two Unlikely People to Change the World Karen Berg, 2022-08 This is not a traditional biography with a chronological enumeration of dates and places and events, because my husband's was not a traditional existence. Interwoven with details of his life and our life together, you will find lessons he taught and ideas he was most fervent about. His every thought and action was part of a larger whole a profound knowledge of the universe that Philip Berg, who later became known as the Rav, acquired and then imparted. As his wife, I look back in these pages on our lives together, and I'm reminded of salient moments that defined his character and destiny. I include here events that are representative of his passion and purpose events that also shaped my own journey, our tumultuous marriage, and the creation of the worldwide network known as the Kabbalah Centre.

Education of a Kabbalist Rav Berg, 2011-08 In this memoir, Rav Berg illuminates the profound bond between teacher and student, painting a beautiful portrait of one of the greatest kabbalists of our time—Rav Yehuda Brandwein. Set in Israel during the tumultuous days before and after the Six Day War, this book traces the development of their special relationship and shares the wisdom gleaned from it. Within its pages, we sense their passion for bringing the ancient wisdom of Kabbalah to the contemporary world. This is the spiritual journey that ultimately resulted in Rav Brandwein passing the responsibility of leadership of The Kabbalah Centre to Rav Berg.

The Power of Kabbalah Yehuda Berg, 2004 The new big thing in terms of spiritual enlightenment, the powerful principles of the Kabbalah have attracted a swathe of celebrity followers ranging from Madonna, Jerry Hall, Elizabeth Taylor, Mick Jagger and Guy Ritchie - as well as over 3.5 million other dedicated students worldwide. Previously shrouded in secrecy, its teachings were passed down orally from generation to generation to

only an elite few. Now, in *THE POWER OF KABBALAH*, Rabbi Yehuda Berg has created a user's manual for today's world, in which its wisdom is conveyed in a highly accessible, practical form for all to follow. For the first time, these secret teachings are brought to bear on the real world issues faced by us everyday - in our careers, with family and friends, and in our innermost personal thoughts. Rabbi Yehuda Berg sets out a practical collection of principles and instructions for improving our lives - helping us to get to where we really want to be emotionally, spiritually, financially and creatively in all aspects of our life. This truly spiritual book reveals not only what life means, but the actions we can each take to create the life we want and deserve.

Secrets of the Bible Michael Berg, 2011 The study of the Bible is a lifelong pursuit and there are many teachings within its veiled text. Bringing forward a fresh and relevant message about our purpose, and how to make life better, kabbalistic scholar, Michael Berg, imparts wisdom from decades of research and sources unique to his lineage. Gems of insight from the Zohar, Rav Berg, Rav Ashlag, Rav Isaac Luria (the Ari) as well as other known kabbalists are complemented by lessons from the ages. Kabbalists believe that the Bible is not just a book of stories or an historical archive of events: It is a guide to understanding the nature of this world, of life, and of the planet. Although these events physically took place thousands of years ago, there are transcendent fundamentals hidden within each tale. Michael drills through complex concepts to reveal essential truths. He utilizes biblical texts to expand our perception to see God in everything and everyone. Although Michael shares ideas that can awaken a desire for transformation, the gift he offers is another view of the Bible and its secrets.

Satan Yehudah Berg, 2010 They say that the greatest trick the Devil ever pulled was convincing us that he doesn't exist. In this book, Yehuda Berg uses the device of an as told to autobiography to explain the concept of The Adversary, which plays a major role in Kabbalistic wisdom. Readers learn that Satan exists within everyone, manifesting as a recurrent little voice of uncertainty and negativity, and that that is how havoc is wreaked throughout the world. By doing the spiritual work that Kabbalah teaches, readers banish doubt and evil influences from their lives and eliminate chaos from the world. Although author Berg takes creative license with the narrative, he presents a truthful representation of Kabbalah's view on the force of evil in the physical universe.

The Kabbalistic Bible Yehudah Berg, Kabbalah Centre International, 2009

Simple Light Karen Berg, 2008 For millennia, the teachings of Kabbalah were available only to men. In fact, women were literally forbidden from studying the subject. Karen Berg has spent her life trying to change that. As the cofounder of the Kabbalah Centre International and the author of the groundbreaking *God Wears Lipstick*, in which she revealed for the first time how women could use Kabbalah's timeless tools to improve their lives and find greater fulfillment, Berg is arguably the world's best known and most beloved female Kabbalist. But both women and men respond to Berg's clear, honest, and forthright manner of speaking and writing — and, indeed, of being. Her new book, *Simple Light*, is a collection of thoughts, meditations, advice, stories, and life lessons that capture the author's very essence and give readers tools to learn from and live by. Through her unique perspective, readers gain fresh insight into an ancient spiritual science.

The Essential Zohar Rav P.S. Berg, 2011-11-30 For thousands of years, no book has been more shrouded in mystery than the Zohar, yet no book offers us greater wisdom. The central text of Kabbalah, the Zohar is a commentary on the Bible's narratives, laws, and genealogies and a map of the spiritual landscape. In *The Essential Zohar*, the eminent kabbalist Rav P. S. Berg decodes its teachings on evil, redemption, human relationships, wealth and poverty, and other fundamental concerns from a practical, contemporary perspective. The Zohar and Kabbalah have traditionally been known as the world's most esoteric sources of spiritual knowledge, but Rav Berg has dedicated his life to making this concentrated distillation of infinite wisdom available to people of all faiths so that we may use its principles to live each day in harmony with the divine.

Fear Is Not an Option Monica Berg,2017-07

Kabbalah on Love Yehuda Berg,2006-12 Yehuda Berg has plumbed the depths of The Zohar, a 2,000-year-old Kabbalistic text, to create an easy-to-use method for cultivating the meaningful relationships that everyone desires and deserves. Berg explains not just how to love, but how to accept the love of others. He guides readers through a step-by-step process of removing the barriers that prevent them from connecting with others. Finally, the book shows how to open one's heart and mind, and create healthy, fulfilling relationships with partners, children, parents, and friends.

Zohar, the Book of Enlightenment Daniel Chanan Matt,1983 This is the first translation with commentary of selections from The Zohar, the major text of the Kabbalah, the Jewish mystical tradition. This work was written in 13th-century Spain by Moses de Leon, a Spanish scholar.
