KAILASH- FAITH AND BEYOND DR JAGDISH KAUR,2021-04-29 The eternity meshes with time and the slightrness and impermanence of mortality greet the intricacies of immortality at the holy Mount Kailash. From time immemorial, before the dawn of civilizations, the sacred mountain Kailash has been visited by the followers of many faiths and main religions of Asia including Hinduism, Jainism, Buddhism and Bon religion to seek answers to their perpetual spiritual quest and to unravel the prevailing mysteries. The interest in Mount Kailash goes beyond faith and repeated attempts have been made to unravel the mysteries attached to it using possible modalities. The Western explorers developed an interest in the Kailash region during the past few centuries leading to several expeditions to the area resulting in scientific research gaining momentum in the late 20th and 21st centuries to unravel various mysteries. The saga of Mount Kailash goes much beyond the faith and spiritual aspect associated with it for centuries and to date instills awe and inspiration among humanity to unravel the secrets, myths and understand the underlying science of the Kailash phenomenon.

Kailash Manasarovar Veena Sharma,2004-12-31 Is a physical journey the necessary path to spiritual evolution? Kailash Manasarovar:A Sacred Journey dwells on this question and perceives the possibility for the three stages of inner transformation during the journey, using the Devi Mahatmayam as a metaphor. The journey shows that it takes just a shift in perspective to behold the divine in the mundane. By eroding the conditioning of our essence, the journey helps us connect with a pure centre, marking the beginning of interactions which are actions, rather than mere reactions to situations. From this point on, it is in maintaining a heightened awareness of one's emotions, memories, surroundings and companions that makes the journey more meaningful.

Holy Mount Kailash Milan P. Rakocovic,2013-05 Kailash - The Heart and Soul of Tibet There are few places on Earth comparable to the mysterious, stunningly beautiful and completely isolated Mt Kailash, which lies well hidden in a remote and deserted region of western Tibet. In order to understand the importance of holy Mt Kailash it is necessary to know that it is considered the legendary abode of the gods. One circle around the mountain (54 km) is symbolically one revolution of the wheel of life or the cycle from birth to death. This, simultaneously, brings about the purification and forgiveness of all sins committed in this lifetime. This is the land of the Sun. In this spot I started to understand the difference between the world that I was coming from and the one that was standing before me. This is without doubt the most beautiful spot on Earth. This is Shambala! These were moments of great happiness, when all the struggles of travelling are forgotten and replaced by sheer joy. This is the physical and spiritual climax of the pilgrimage because the Drolma La pass is considered the most holy spot on the trail and arrival there marks the beginning of a completely new life.

An Audience with God at Mount Kailash Davinder Bhasin,2016-02-11 An Audience with God at Mount Kailash: A True Story grounds its account of the journey of the author, Davinder Bhasin, to the Abode of Lord Shiva upon personal experience and a summary of insights from trusted external sources. The narrative begins by exploring a basic human question that invites all on a quest for truth: Does God exist? An exploration of Shiva, the Lord of Kailash, follows and then finds its context in a review of the mountain's place in culture and history. With this background in location, the author reveals the details of the two audiences God gave to him and his family. Rooted in the experiences of these pilgrimages, the next sections provide readers with guidance for planning and making their own journeys to Mount Kailash. In addition, a brief history of Tibet, the home of Mount Kailash, provides further resources for appreciating the natural and human history associated with this sacred mountain. An Audience with God at Mount Kailash: A True Story will enlighten and inform all who contemplate seeking to experience an encounter with God. It also provides an intimate portrait of the spiritual journey of a man and his family, offering their story as a guide for others as they travel the world's pathways to seek God for themselves.

This is the ultimate pilgrimage of man to his own eternal abode. The idea of this book was conceived after this group of pilgrims made the most important journey of their lives - the Kailash Manasarovar pilgrimage - which was made more sublime with the presence of their spiritual teacher, Mohanji. This is an unusual format for a book wherein different people from all walks of life came together to share their experiences after the pilgrimage in July 2012. It has taken nine months, the full term for a human life to take birth, to compile and rewrite this book. In the course of this period it was written and rewritten in three different formats. A note from Mohanji is followed by the significance of Kailash-Manasarovar and a complete narrative of the journey written by the editor, Aparna Sharma. Chapter 5 is in the words of all those who came together to create this book, some fellow pilgrims and some who did not attend the pilgrimage but were connected, in spirit through mystical chords of love.

The Mystery of the Maharishi of Mt Kailash Bernhard Koch,2022-08-17 In the beginning of the last century the Indian Christian Sadhu Sundar Singh met a very old prayer warrior on the roof of the world – the Maharishi of Mt Kailash. Called by Jesus the Maharishi has been interceding for the church of Christ since many years. In the process he has remarkable experiences with the spiritual realm, which are almost unknown to people from the western world. The story of the Maharishi is nearly unbelievable. It reaches far beyond our previous comprehension of what one can experience with heaven now. Sadhu Sundar Singh has been called the »Apostle of India«. He has preached the message of Jesus Christ in many villages and towns of his home country, but also to surrounding nations. His proclamation and exemplary conduct of life fascinate his fellow countrymen as much as Christians all over the world.

Kailash and Manasarovar Deb Mukharji,2014-05-02 Kailash and Manasarovar: A Quest Beyond the Himalaya delves into mythology and the experience of travellers and pilgrims through the centuries to depict what Kailash has meant to peoples through the ages, and how its influence has permeated literature and great achievements in architecture. The text includes descriptions of three journeys undertaken over twenty-one years, both along the traditional pilgrim route from India over the Lipu Pass and across Tibet.

Walking in Clouds Kavitha Yaga Buggana,2018-12-30 Will we make it? That's the question Kavitha and her cousin, Pallu, ask themselves as they trek through Himalayan pine forests and unforgiving mountains in Nepal and Tibet. Their goal: to reach Mount Kailash and Lake Manasarovar. The two women walk to ancient monasteries, meditate on freezing slopes, dance on the foothills of Kailash, and confront death in the thin mountain air. In Kailash and Manasarovar, the holiest of Hindu and Buddhist sites, they struggle to reconcile their rationalist views with faith and the beloved myths of their upbringing. Remarkably, it is this journey that helps them discover the meaning of friendship. Walking in Clouds is a beautifully crafted memoir of a journey to far-away places and to the places within. It mixes lyrical, descriptive storytelling with stunning photographs to bring to life a unique travelogue.

Following Sound Into Silence Kurt (Kailash) Bruder,2008-02-01 In Following Sound into Silence, Kailash (Kurt A. Bruder, Ph. D., M. Ed.) urges us to take up chanting as an authentic and effective spiritual practice. Although this is an ancient spiritual tool, it's well suited to our contemporary lifestyle. No generation before us has had to contend with the onslaught of voices clamoring for our attention, the chaos of distractions vying for our imagination and allegiance, or the flood of information that is our daily lot. Kailash shows how chanting - both alone and with others - can quiet and stabilize our mind, expand our heart, elevate our emotion, and reduce our self-centeredness ... yielding a direct, sustained experience of the Divine. CD not included.

Kailash Journal Swami Satchidananda,2012-06-01 Kailash Journal is the true story of a rare physical experience and an even rarer spiritual one. This is a narrative written in Sri Swami Satchidananda’s own words and illustrated with photographs he took during his pilgrimage to Holy Mount Kailash in Tibet an eight-hundred-mile journey, on foot, to an altitude of 19,000 feet.
