Kailash Manasarovar Veena Sharma,2004-12-31 Is a physical journey the necessary path to spiritual evolution? Kailash Manasarovar:A Sacred Journey dwells on this question and perceives the possibility for the three stages of inner transformation during the journey, using the Devi Mahatmayam as a metaphor. The journey shows that it takes just a shift in perspective to behold the divine in the mundane. By eroding the conditioning of our essence, the journey helps us connect with a pure centre, marking the beginning of interactions which are actions, rather than mere reactions to situations. From this point on, it is in maintaining a heightened awareness of one's emotions, memories, surroundings and companions that makes the journey more meaningful.

KAILASH- FAITH AND BEYOND DR JAGDISH KAUR,2021-04-29 The eternity meshes with time and the slowness and impermanence of mortality greet the intricacies of immortality at the holy Mount Kailash. From time immemorial, before the dawn of civilizations, the sacred mountain Kailash has been visited by the followers of many faiths and main religions of Asia including Hinduism, Jainism, Buddhism and Bon religion to seek answers to their perpetual spiritual quest and to unravel the prevailing mysteries. The interest in Mount Kailash goes beyond faith and repeated attempts have been made to unravel the mysteries attached to it using possible modalities. The Western explorers developed an interest in the Kailash region during the past few centuries leading to several expeditions to the area resulting in scientific research gaining momentum in the late 20th and 21st centuries to unravel various mysteries. The saga of Mount Kailash goes much beyond the faith and spiritual aspect associated with it for centuries and to date instills awe and inspiration among humanity to unravel the secrets, myths and understand the underlying science of the Kailash phenomenon.

Holy Mount Kailash Milan P. Rakocovic,2013-05 Kailash - The Heart and Soul of Tibet There are few places on Earth comparable to the mysterious, stunningly beautiful and completely isolated Mt Kailash, which lies well hidden in a remote and deserted region of western Tibet. In order to understand the importance of holy Mt Kailash it is necessary to know that it is considered the legendary abode of the gods. One circle around the mountain (54 km) is symbolically one revolution of the wheel of life or the cycle from birth to death. This, simultaneously, brings about the purification and forgiveness of all sins committed in this lifetime. This is the land of the Sun. In this spot I started to understand the difference between the world that I was coming from and the one that was standing before me. This is without doubt the most beautiful spot on Earth. This is Shambhala! These were moments of great happiness, when all the struggles of travelling are forgotten and replaced by sheer joy. This is the physical and spiritual climax of the pilgrimage because the Drolma La pass is considered the most holy spot on the trail and arrival there marks the beginning of a completely new life.

An Audience with God at Mount Kailash Davinder Bhasin,2016-02-11 An Audience with God at Mount Kailash: A True Story grounds its account of the journey of the author, Davinder Bhasin, to the Abode of Lord Shiva upon personal experience and a summary of insights from trusted external sources. The narrative begins by exploring a basic human question that invites all on a quest for truth: Does God exist? An exploration of Shiva, the Lord of Kailash, follows and then finds its context in a review of the mountains place in culture and history. With this background in location, the author reveals the details of the two audiences God gave to him and his family. Rooted in the experiences of these pilgrimages, the next sections provide readers with guidance for planning and making their own journeys to Mount Kailash. In addition, a brief history of Tibet, the home of Mount Kailash, provides further resources for appreciating the natural and human history associated with this sacred mountain. An Audience with God at Mount Kailash: A True Story will enlighten and inform all who contemplate seeking to experience an encounter with God. It also provides an intimate portrait of the spiritual journey of a man and his family, offering their story as a guide for others as they travel the worlds pathways to seek God for themselves.

The Mystery of the Maharishi of Mt Kailash Bernhard Koch,2022-08-17 In the beginning of the last century the Indian Christian Sadhu Sundar Singh met a very old prayer warrior on the roof of the world - the Maharishi of Mt Kailash. Called by Jesus the Maharishi has been interceding for the church of Christ since many years. In the process he has remarkable experiences with the spiritual realm, which are almost unknown to people from the western world. The story of the Maharishi is nearly unbelievable. It reaches far beyond our previous comprehension of what one can experience with heaven now.Sadhu Sundar Singh has been called the »Apostle of India«. He has preached the message of Jesus Christ in many villages and towns of his home country, but also to surrounding nations. His proclamation and exemplary conduct of life fascinate his fellow countrymen as much as Christians all over the world.

faith. This is the ultimate pilgrimage of man to his own eternal abode. The idea of this book was conceived after this group of pilgrims made the most important journey of their lives - the Kailash Manasarovar pilgrimage - which was made more sublime with the presence of their spiritual teacher, Mohanji. This is an unusual format for a book wherein different people from all walks of life came together to share their experiences after the pilgrimage in July 2012. It has taken nine months, the full term for a human life to take birth, to compile and rewrite this book. In the course of this period it was written and rewritten in three different formats. A note from Mohanji is followed by the significance of Kailash-Manasarovar and a complete narrative of the journey written by the editor, Aparna Sharma. Chapter 5 is in the words of all those who came together to create this book, some fellow pilgrims and some who did not attend the pilgrimage but were connected, in spirit through mystical chords of love.

Kailash and Manasarovar Deb Mukharji,2014-05-02 Kailash and Manasarovar: A Quest Beyond the Himalaya delves into mythology and the experience of travellers and pilgrims through the centuries to depict what Kailash has meant to peoples through the ages, and how its influence has permeated literature and great achievements in architecture. Kailash Quek Sue Yian,2012 Once, the savannah was a land of plenty. The rivers run broad and swift, waterholes overflowed with fresh, clean water and the grass grew juicy and green. The Okapi and Zebra lived together in peace and harmony. One day, there rose a new Okapi leader called Strap. He declared war on all Zebras and so they fought. In those terrible times, a little zebra was born. his name was Kailash, meaning mountain. This is the story of Kailash and how he survived in a foreign land.

The Journey to Mount Kailash Robert Leach,2010 This is a travelogue - a love story, poetry and song, myths, legends, history and politics. Mount Kailash is the Indian Olympus, where the gods dwell. Two people seek renewal, a new destiny, what Indian people call their dharma. They travel through India from Kerala in the far south towards the holy mountain of Kailash in the Himalayas, through the hills, cities, mangrove swamps and deserts of the subcontinent. They encounter people, festivals, myths and history as they learn about living and performing life. It's an epic journey, told in a virtuoso variety of poetic forms and styles, reflecting the vividness of Indian poetic traditions. As the pair travel, they gradually discover they are re-performing the ancient shadowy myths of Lord Shiva and the goddess Kali, and in a climactic scene in the erotically-carved temples of Khajuraho, their coupling seems to reawaken poetry itself. The journey draws to its end: the way becomes harder, the path steeper, the air thinner. Is their dharma simply the journey itself, or will its end reveal something more?

Kailash Journal Swami Satchidananda,2012-06-01 Kailash Journal is the true story of a rare physical experience and an even rarer spiritual one. This is a narrative written in Sri Swami Satchidananda's own words and illustrated with photographs he took during his pilgrimage to Holy Mount Kailash in Tibet an eight-hundred-mile journey, on foot, to an altitude of 19,000 feet. Within the heart of this thrilling travelogue, however, lies another story: the quest for direct knowledge of God and the result of that quest.

Walking in Clouds Kavitha Yaga Buggana,2018-12-30 Will we make it? That's the question Kavitha and her cousin, Pallu, ask themselves as they trek through Himalayan pine forests and unforgiving mountains in Nepal and Tibet. Their goal: to reach Mount Kailash and Lake Manasarovar. The two women walk to ancient monasteries, meditate on freezing slopes, dance on the foothills of Kailash, and confront death in the thin mountain air. In Kailash and Manasarovar, the holiest of Hindu and Buddhist sites, they struggle to reconcile their rationalist views with faith and the beloved myths of their upbringing. Remarkably, it is this journey that helps them discover the meaning of friendship. Walking in Clouds is a beautifully crafted memoir of a journey to far-away places and to the places within. It mixes lyrical, descriptive storytelling with stunning photographs to bring to life a unique travelogue.

Dying & Living in The Arms of Love Tracey Alysson,2012-08-23 RISING MAGNIFICENTLY in the wilderness of Western Tibet, Mount Kailash is one of three sacred mountains in Tibet. Its shape is unmistakable: a symmetrical cone marked with striations and graced with perpetual snows. Four rivers emanate from it, nourishing the entire region. Mount Kailash is the center of the spiritual universe. It is sacred to four religions: Buddhism, Hinduism, Bön, and Jainism. For Hindus, it is the home of Shiva. All of these statements are true of this magnificent mountain, but the truest is what my teacher said to me before I left to do prostrations around Mt. Kailash: "The center of the spiritual universe already exists in your human heart. Meet your mirror."
