Invisible Cities Italo Calvino,2013-08-12 Italo Calvino's beloved, intricately crafted novel about an Emperor's travels—a brilliant journey across far-off places and distant memory. “Cities, like dreams, are made of desires and fears, even if the thread of their discourse is secret, their rules are absurd, their perspectives deceitful, and everything conceals something else.” In a garden sit the aged Kublai Khan and the young Marco Polo—Mongol emperor and Venetian traveler. Kublai Khan has sensed the end of his empire coming soon. Marco Polo diverts his host with stories of the cities he has seen in his travels around the empire: cities and memory, cities and desire, cities and designs, cities and the dead, cities and the sky, trading cities, hidden cities. As Marco Polo unspools his tales, the emperor detects these fantastic places are more than they appear.

Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C

and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Filipino Tattoos Lane Wilcken, 2010 Tattooing is a very old and spiritually respected art form that has existed in many different cultures around the world. After many centuries of not being practiced in Europe, tattooing was re-introduced to the Western world through the inhabitants of the Pacific Ocean. Beginning in the 16th century, European explorers came across many people who practiced tattooing as an integral part of their cultures. This is the first serious study of Filipino tattoos, and it considers early accounts from explorers and Spanish-speaking writers. The text presents Filipino cultural practices connected with ancestral and spiritual aspects of tattoo markings, and how they relate to the process and tools used to make the marks. In the Philippine Islands, tattoos were applied to men and women for many different reasons. It became a form of clothing. Certain designs recognized manhood and personal accomplishments as well as attractiveness, fertility, and continuity of the family or village. Facial tattoos occurred on the bravest warriors with names that denoted particular honor. Through the fascinating text and over 200 images, including color photographs and design drawings, the deep meanings and importance of these markings becomes apparent.

Breaking Dawn Stephenie Meyer, 2008-08-02 In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the

werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. This astonishing, breathlessly anticipated conclusion to the Twilight Saga illuminates the secrets and mysteries of this spellbinding romantic epic. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. People do not want to just read Meyer's books; they want to climb inside them and live there. -- Time A literary phenomenon. -- The New York Times
