KARMIC ENERGIES Adrian Gabriel Dumitru, Karmic stories ... are ugly ... or at least this is what we believe about them ... but realizing we need to analyze and define their meaning very clear ... and then try to redefine our inner self ... it's most probably a must. Karmic energies are real ... even if we believe it or not ... and it's not easy to get rid of them. But we could start to accept that ... as part of life ... and also as a spiritual journey ... which we need to follow into this Universe. It might not make sense at all ... but ... the real truth is always revealed later ...

Discovering Your Soul Mission Linda Brady,Evan St. Lifer,1998 If you have a nagging feeling that somehow your life has gotten off track, Discovering Your Soul Mission can help you create the most fulfilling life possible. Karmic astrologer and holistic teacher Linda Brady, along with coauthor Evan St. Lifer, shows how the desires of our personalities--what we think we want--clash with the needs of our souls--what will make us truly happy. In order to pinpoint your soul mission, Brady uses the technique of karmic astrology, which--unlike the more familiar sun-sign astrology--delves into areas known previously only to the cognoscenti. With this easy-to-use method, you do not have to get an astrological chart. All the required information is provided to instantly discover the sign ruling your soul mission. You will learn your Soul Pattern sign, which governs old habits you need to let go, and your Soul Potential sign, which indicates your latent qualities and hidden talents that must be developed to follow your true path. Virgo perfectionism, for instance, can give way to Pisces intuition, Sagittarian procrastination to Gemini creativity. Brady then offers numerous meditation, journaling, dreamwork, and other exercises to explore and incorporate your soul mission into your current life. Other planetary influences also shape the particular flavor of your mission. For example, the book includes tables to find out what sign rules your style of communication and shows you how to use that personal style to further enhance your mission. This lively, interactive handbook will set you on your true path.

As potent catalysts of elevated consciousness and overall spiritual growth, crystals and gemstones offer a powerful resource for resolving negative karma patterns and realigning you with the light of your soul's purpose. Detailing the spiritual and chemical interpretations of more than 50 healing stones, as well as fossils, flint, and amber, Nicholas Pearson guides readers through the how and why of resolving karmic knots and obstructions with the help of crystals. Explaining how to incorporate color, chakra therapy, gem elixirs, and dreamwork in your karmic crystal practice, Pearson also explores how to access the Violet Flame of spiritual alchemy, the Seventh Ray, to transmute restrictive karmic patterns. He introduces the Lords of Karma and other spirit guides, gods, goddesses, and angels who can help with karmic healing. He offers guidance on what stones are appropriate for everyday wear and on working with crystal skulls, Lemurian seed crystals, shungite, and time link crystals. The author also explains how crystals can be used to resolve planetary karma, releasing us into the next phase in the collective transformation of humanity.
