Over It: Forgetting Who You're Expected to Be and Becoming Who You Already Are Kelsey Grimm, 2025-09-23 A beloved musician shares her heart-wrenching story about how an abusive relationship helped her realize the importance of gaining freedom, letting go of expectations, and embracing the beautiful reality of who you already are. Unspoken expectations surround us. In culture, in the church, and in general. If they weren't pushed on you as a child, you're now scrolling through them as an adult. You should look like this, talk like that, dress like them. Own a house that looks like Joanna Gaines just decorated. Be as fit as your favorite Instagram mom, who somehow works out on her Peloton while balancing a newborn on one hip and her side hustle on the other. And, by the way, are you really in counseling this early in your marriage? The expectations surrounding us, particularly women, are ridiculous. What if we didn't try to fulfill them and instead started believing the promises Jesus fulfilled? What if we didn't cave to the expectation to look and behave how people want us to, and started looking at ourselves the way God sees us? What if we didn't do everything the way we've always been told it has to be done, and started walking in bold, audacious faith? In *Over It*, Kelsey Taylor Grimm doesn't show her best and hide the rest. Through the transparent telling of her own story, from an extensive, sexually and emotionally abusive relationship, to her ascension in the music industry, she invites you into her living room to talk through the ridiculous expectations of who you're supposed to be, and encourages the reader to embrace the beautiful realities of who you already are.

Big Girl Kelsey Miller, 2016-01-05 A hilarious and inspiring memoir about one young woman's journey to find a better path to both physical and mental health. At twenty-nine, Kelsey Miller had done it all: crash diets, healthy diets, and nutritionist-prescribed eating plans, which are diets that you pay more money for. She'd been fighting her un-thin body since early childhood, and after a lifetime of failure, finally hit bottom. No diet could transform her body or her life. There was no shortcut to skinny salvation. She'd dug herself into this hole, and now it was time to climb out of it. With the help of an Intuitive Eating coach and fitness professionals, she learned how to eat based on her body's instincts and exercise sustainably, without obsessing over calories burned and thighs gapped. But, with each thrilling step toward a healthy future, she had to contend with the painful truths of her past. *Big Girl* chronicles Kelsey's journey into self-loathing and disordered eating-and out of it. This is a memoir for anyone who's dealt with a distorted body image, food issues, or a dysfunctional family. It's for the late-bloomers and the not-yet-bloomed. It's for everyone who's tried and failed and felt like a

big, fat loser. So, basically, everyone.

Unmasking Kelsey Kay Hooper, 2012-04-24 All is not as it seems as a daring undercover agent and an unconventional southern belle mix business with pleasure in this classic story of romance and suspense from New York Times bestselling author Kay Hooper. Kelsey has come to the idyllic southern town of Pinnacle to investigate a shady company called Meditron, which has a ruthless way of getting what it wants—or so claims the desperate caller who contacts the FBI. The locals won't talk about Meditron. But Kelsey is an expert interrogator, prepared to use his seductive charms to his every advantage. He just hadn't counted on falling for the beautiful witness at the center of his investigation. Elizabeth Conner is too proud to ask for any sort of assistance. She never needed help raising her three willful younger sisters. But now her family is in serious trouble, and Elizabeth's stubborn independence is a deadly liability. And then Kelsey sweeps her up—and into his arms—like a force of nature, promising to protect Elizabeth and her sisters from a relentless enemy. Elizabeth never imagined letting any man get too close, let alone one who can't even disclose his full name. But daring to trust this tempting stranger is a danger she must embrace.

Chevy in the Hole Kelsey Ronan, 2022-03-15 A New York Times Book Review Editors' Choice Named a Michigan Notable Book for 2023 Finalist for the 2022 Heartland Booksellers Award A gorgeous, unflinching love letter to Flint, Michigan, and the resilience of its people, Kelsey Ronan's *Chevy in the Hole* follows multiple generations of two families making their homes there, with a stunning contemporary love story at its center. In the opening pages of *Chevy in the Hole*, August “Gus” Molloy has just overdosed in a bathroom stall of the Detroit farm-to-table restaurant where he works. Shortly after, he packs it in and returns home to his family in Flint. This latest slip and recommitment to sobriety doesn't feel too terribly different from the others, until Gus meets Monae, an urban farmer trying to coax a tenuous rebirth from the city's damaged land. Through her eyes, he sees what might be possible in a city everyone else seems to have forgotten or, worse, given up on. But as they begin dreaming up an oasis together, even the most essential resources can't be counted on. Woven throughout their story are the stories of their families—Gus's white and Monae's Black—members of which have had their own triumphs and devastating setbacks trying to survive and thrive in Flint. A novel about the things that change over time and the things that don't, *Chevy in the Hole* reminds us again and again what people need from one another and from the city they call home.

Pick and Roll Kelsey Blair,2014-03-19 Jazz Smith-Mohapatra is the toughest and best player on her basketball team -- and this year she's determined to lead the team to a championship win. But in the last game of the regular season, Jazz sets an offensive move called a pick and roll. A player on the other team doesn't see it coming; she crashes into Jazz, and then onto the floor. Though it's a play that Jazz has done many times, she's never hurt anyone before. Now there's going to be a Fair Play Commission hearing to determine whether the play was legal or not. But even worse than the possibility of being suspended for the playoffs, Jazz's teammates are suddenly questioning her physical style of play and whether the team can make it all the way to the pennant without her. Burning Bright Kelsey J. Patel,2020-04-28 You have a choice. There is a path out of pain, anxiety, burnout, and the feeling of complete overwhelm. This book is your invitation to choose that path. “Patel shares how to tap into subtle energy shifts through simple yet powerful practices that you can do on yourself.”—Goop When Kelsey Patel was struck by searing back pain in her twenties while working on Capitol Hill, she had no idea that repressed emotions could manifest as debilitating anxiety and physical pain. What healed her was empowering herself to choose how she lived her life. In *Burning Bright*, her first book, Kelsey shares the self-care techniques that helped get her body, health, and emotions back into alignment: Reiki, emotional freedom technique, meditation, yoga, and more. Now a spiritual coach, Reiki master, and wellness expert, Kelsey has helped thousands struggling with burnout and anxiety. This book is filled with stories, hard-won wisdom, profound empathy, and the secrets to reexamining thoughts and breaking negative patterns. You will learn how to: • practice Reiki on yourself, without a master; • interrupt anxiety cycles with tapping, breathwork, and journaling; • perform simple rituals that can bring you peace in any situation; • ground yourself and get back into your physical body; • release emotional and physical blocks so that your energy can flow freely; • establish a solid foundation of self-worth and self-care. As you use these techniques to align with your priorities, you'll watch your authentic life unfold—a life of harmony, fulfillment, purpose, and joy. Burnout makes you feel like there is always more, more, more to do, but the truth is, you are enough right now without any more doing. Learn how to feel this truth because it's time for you to start burning bright.

The Chase Kyle Kupecky,Kelsey Kupecky,2015-09-01 Kyle and Kelsey Kupecky couldn't have dreamed a better love story for themselves had it

been scripted by a bestselling novelist like Kelsey's mom, Karen Kingsbury. In fact, if you asked them, Kyle and Kelsey would name God as the author of their story. And they're glad they trusted him to write it for them. Unfortunately, too many girls hoping for their own happily-ever-after have taken matters into their own hands, chasing after boys when they should be chasing after God. And that inevitably leads to heartache, low self-esteem, and poor choices as girls give in to pressure from media and peers to look and act a certain way to attract guys. Kyle and Kelsey want girls to know that it's never too late to trust God with their love lives, that wherever they are, there's always hope for the future. Through their own story and the stories of others who long for love, they show girls how to put God first, how to value and protect their purity, how to deal with loneliness and bullying, and how to see themselves as God does--a one-in-a-million girl who deserves no less than God's best.
