

Ken Shute

JL Elias

Australian Cinema Brian McFarlane, 1988 This book explores the puzzling phenomenon of new veiling practices among lower middle class women in Cairo, Egypt. Although these women are part of a modernizing middle class, they also voluntarily adopt a traditional symbol of female subordination. How can this paradox be explained? An explanation emerges which reconceptualizes what appears to be reactionary behavior as a new style of political struggle--as accommodating protest. These women, most of them clerical workers in the large government bureaucracy, are ambivalent about working outside the home, considering it a change which brings new burdens as well as some important benefits. At the same time they realize that leaving home and family is creating an intolerable situation of the erosion of their social status and the loss of their traditional identity. The new veiling expresses women's protest against this. MacLeod argues that the symbolism of the new veiling emerges from this tense subcultural dilemma, involving elements of both resistance and acquiescence.

Speak Japanese Today -- a Little Language Goes a Long Way! Boye De Mente,2006-02

Japanese for the World! Compiled by Japanologist/author Boy Lafayette De Mente, *Speak Japanese Today* is designed for anyone who comes into contact with Japanese and wants to communicate with them in their own language. The first portion of the book provides an introduction to the pronunciation of Japanese and an easy overview of the structure of the language. It also includes basic greetings, farewells, telling time, everyday expressions about the weather, giving directions, telling distances, counting, money, telephoning and much more. *Speak Japanese Today* is unique in that it also provides vocabulary and sentences for airline pilots, stewardesses, Immigration officials, Customs officials, hotel staff, restaurant staff, bartenders, shop clerks, taxi drivers, tour guides, doctors, people hosting Japanese students, and more. With a little practice, a person can communicate as many as 500 key concepts using only a 100-word vocabulary. *Speak Japanese Today* contains more than 700 key words which is close to the total number of words most people use in their own language in the course of a day. All of the words and expressions in the book are given in Romanized Japanese along with an easy-to-master pronunciation phonetic system that uses standard English. Just pronounce the phonetics as if they were English, and the sounds come out in Japanese!

Medical Directory ,2009 A listing of medical practitioners registered with the General Medical

Council. Includes England, Scotland, Wales, and Northern Ireland. Data includes name, address, degrees, colleges, appointment, memberships, and publications. Also contains information on United Kingdom hospitals, NHS trusts, and boards of health.

Shute Richard Thorn,2017-07-28 Nevil Shute was a writer whose books were looked down on by literary critics and yet when he died he was one of the best selling novelists of his day. Books such as A Town Like Alice and On the Beach still attract new generations of fans and unlike others of his era his novels are still in print. However there was far more to the man than his books

IBM WebSphere DataPower SOA Appliance Handbook Bill Hines,John Rasmussen,Jaime Ryan,Simon Kapadia,Jim Brennan,2008-12-24 Expert Guide to Deploying, Using, and Managing DataPower SOA Appliances IBM® WebSphere® DataPower® appliances can simplify SOA deployment, strengthen SOA security, enhance SOA performance, and dramatically improve SOA return on investment. In this book, a team of IBM's leading experts show how to make the most of DataPower SOA appliances in any IT environment. The authors present IBM DataPower information and insights that are available nowhere else. Writing for working architects, administrators, and security specialists, they draw extensively on their deep experience helping IBM customers use DataPower technologies to solve challenging system integration problems. IBM WebSphere DataPower SOA Appliance Handbook begins by introducing the rationale for SOA appliances and explaining how DataPower appliances work from network, security, and Enterprise Service Bus perspectives. Next, the authors walk through DataPower installation and configuration; then they present deep detail on DataPower's role and use as a network device. Using many real-world examples, the authors systematically introduce the services available on DataPower devices,

especially the “big three”: XML Firewall, Web Service Proxy, and Multi-Protocol Gateway. They also present thorough and practical guidance on day-to-day DataPower management, including, monitoring, configuration build and deploy techniques. Coverage includes • Configuring DataPower’s network interfaces for common scenarios • Implementing DataPower deployment patterns for security gateway, ESB, and Web service management applications • Proxying Web applications with DataPower • Systematically addressing the security vulnerabilities associated with Web services and XML • Integrating security with WebSphere Application Server • Mastering DataPower XSLT custom programming • Troubleshooting using both built-in and external tools

Slings and Arrows John Davies, 2011-03 The Life and Times of 'Johnny One Punch' Davies After enjoying an idyllic life on a hillside farm in South Wales until he was five, John Davies' life changed dramatically when his ten year old sister Heather suffered a fatal accident and the farm was sold and the family moved away. Brutalised by his father and bullied at school, he became afraid of 'his own shadow' until his uncle gave him a punch ball for his ninth birthday and discovered he had a rare talent. Unfortunately he abused it and spent over eight years in prison because of his extreme violence, before being sent to a psychiatric prison at the age of 45. Missing the opportunity to become a world champion, he became one of Wales' finest boxing coaches and trained his son to become a world-class fighter. Married for the fourth time at 65 to a girl half his age, he beat angina and fathered a son at 68. Arrested for growing millions of pounds worth of cannabis at 69, he has written his life story to leave a record for his son in case he is incarcerated.
